INDEPENDENT AUDITORS' REPORT

To the Board of Directors Monroe Area Guidance Center a/k/a Harmony House Monroe, Louisiana

Report on the Financial Statements

We have audited the accompanying financial statements of Monroe Area Guidance Center a/k/a Harmony House (a nonprofit organization), which comprise the statement of financial position as of June 30, 2015, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Monroe Area Guidance Center a/k/a Harmony House as of June 30, 2015, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued. our report dated December 10, 2015, on our consideration of Monroe Area Guidance Center a/k/a Harmony House's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of testing of internal control over financial reporting compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering Monroe Area Guidance Center a/k/a Harmony House's internal control over financial reporting and compliance.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

A. Statement of Presentation:

The accompanying financial statements are presented on the accrual basis and conform to generally accepted accounting principles for not-for-profit organizations.

B. Organization:

The Organization provides a spectrum of habilitation-oriented services to the chronically mentally ill in northeast Louisiana, including providing employment opportunities, helping clients with physical and emotional problems in order to help them get into the mainstream of community life, and operating a homeless shelter for the mentally ill. The Organization also carries out a janitorial program to help train clients for employment.

C. Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

D. Cash and Cash Equivalents:

The Organization considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents. Cash and cash equivalents for purposes of the statement of cash flows exclude permanently restricted cash and cash equivalents.

E. Budget Policy:

Budgets for various programs are prepared by the Organization and approved by grantor of the funds for each respective program.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

F. Cash in Bank:

All funds are in institutions insured by an agency of the Federal Government, the Federal Deposit Insurance Corporation.

G. Notes Payable:

The Organization's long-term debt consists of a line of credit payable to Community Trust Bank in the original amount of \$35,125, with interest at 5%. The balance of the line of credit at June 30, 2015 is \$-0-.

H. Contributions:

All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as temporarily restricted or permanently restricted support that increases those net asset classes. When a temporary restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire in the fiscal year in which the contributions are recognized.

I. Property and Equipment:

Donations of property and equipment are recorded as support at their estimated fair value. Such donations are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

I. Property and Equipment: (Continued)

equipment acquire property and are restricted support. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Organization reclassifies temporarily restricted net unrestricted net assets at that time. Buildings are depreciated using the straight-line method over the useful lives ranging between 27.5 years and 39 years. Equipment is depreciated using the declining balance method over the useful lives ranging between 5 to 7 years. Improvements are depreciated using the straightline method over 15 years.

J. Allocation of Functional Expenses:

The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

K. Reserve for Bad Debts:

The Organization uses the allowance method to determine uncollectible receivables. The allowance is based on prior years' experience and management's analysis of specific receivables made. Management reviews accounts receivable monthly and charges off amounts deemed uncollectible. The amount of the allowance was \$-0- at the year ended June 30, 2015.

L. Advertising Costs:

Advertising costs for the year ended June 30, 2015 were immaterial. Advertising costs are expensed as incurred.

NOTE 2 - FUNDING POLICIES AND SOURCES OF FUNDS:

The Organization receives its monies through various methods of funding. Most of the funds are received on a grant basis from Louisiana Department of Health and Hospitals. The Organization also receives funds as a reimbursement of actual expenditures, and upon a per unit of service provided method, including Medicaid funds. The Organization also receives funds by contributions from both public and private sources. The loss of these funds could have an adverse effect on the Organization.

NOTE 3 - CONTRACTS RECEIVABLE:

Contracts at June 30, 2015 generally consist of indirect reimbursements from the Department of Health and Hospitals for expenditures incurred under the grant program.

NOTE 4 - BOARD OF DIRECTORS' COMPENSATION:

The Board of Directors is a voluntary board; therefore, no compensation has been paid to any member.

NOTE 5 - NON-CASH CONTRIBUTIONS:

The Organization received various non-cash contributions during the year from private and public sources. The value of donated volunteer services is not reflected in the accompanying financial statements since there is no objective basis available by which to measure the value of such services, and such contributions do not meet the criteria for recognition as contributions.

NOTE 6 - INCOME TAX STATUS:

The Organization, a non-profit corporation, is exempt from federal income taxes under Section 501©(3) of the Internal Revenue Code.

NOTE 7 - CHANGES IN FIXED ASSETS:

A summary of changes in fixed assets recorded at cost follows:

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors
Monroe Area Guidance Center
a/k/a Harmony House
Monroe, Louisiana

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, the financial statements of Monroe Area Guidance Center a/k/a Harmony House (a nonprofit organization), which comprise the statement of financial position as of June 30, 2015, and the related statements of activities, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated December 10, 2015.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Monroe Area Guidance Center a/k/a Harmony House's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Monroe Area Guidance Center a/k/a Harmony House's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a

deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of the internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Monroe Area Guidance Center a/k/a Harmony House's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed an instance noncompliance or other matters that is required to be reported under Government Auditing Standards, and which is described accompanying schedule of findings and questioned costs as item 2015-001.

Monroe Area Guidance Center a/k/a Harmony House's Response to Findings

Monroe Area Guidance Center a/k/a Harmony House's responses to the findings identified in our audit are described in the accompanying schedule of findings and questioned costs. Monroe Area Guidance Center a/k/a Harmony House's responses were not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on them.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an

integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Compliance

2015-001

Finding: Several assets on the Organization's state asset

listing are not tagged for identification.

Criteria: The Organization should tag all items purchased with

state funds that are listed in the state asset

listing.

Effect: This finding has no material effect on the financial

statements.

Cause: These assets are not in use and the Organization has

not yet obtained approval to return or dispose of the

assets.

Recommendation: We recommend the Organization tag all items listed on

the state asset listing and include the tag identification numbers on the list, or obtain

approval to return or dispose of these assets.

Reply: Management agrees with this finding and will tag all

items listed on the state asset list and include the tag identification numbers on the list, or obtain

approval from the state to return or dispose of these

assets.
