### INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Monroe Area Guidance Center
a/k/a Harmony House
Monroe, Louisiana 71201

We have audited the accompanying statement of financial position of the Monroe Area Guidance Center a/k/a Harmony House (a nonprofit organization) as of and for the year ended June 30, 2002, and the related statements of activities, functional expenses, and cash flows for the year then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Monroe Area Guidance Center a/k/a Harmony House, as of June 30, 2002, and the changes in its net assets and its cash flows for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

Our audit was made for the purpose of forming an opinion on the basic financial statements of Monroe Area Guidance Center a/k/a Harmony House taken as a whole. The accompanying financial information listed as supplementary financial information in the table of contents for the year ended June 30, 2002, are presented for purposes of additional analysis and are not a required part of the financial statements. Such information

MEMBER AMERICAN INSTITUTE OF CERTIFIED PUBLIC ACCOUNTANTS and SOCIETY OF LOUISIANA CERTIFIED PUBLIC ACCOUNTANTS

has been subjected to the auditing procedures applied in the audit of the financial statements and, in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

In accordance with Government Auditing Standards, we have also issued a report dated September 20, 2002 on our consideration of Monroe Area Guidance Center a/k/a Harmony House's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grants. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be read in conjunction with this report in considering the results of our audit.

REPORT ON COMPLIANCE AND ON INTERNAL CONTROL OVER FINANCIAL REPORTING BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Directors
Monroe Area Guidance Center
a/k/a Harmony House
Monroe, Louisiana

We have audited the financial statements of Monroe Area Guidance Center a/k/a Harmony House as of and for the year ended June 30, 2002, and have issued our report thereon dated September 20, 2002. We conducted our audit in accordance with accounting standards generally accepted in the United States of America applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States.

### Compliance

As part of obtaining reasonable assurance about whether Monroe Area Guidance Center a/k/a Harmony House's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under Government Auditing Standards.

### Internal Control Over Financial Reporting

In planning and performing our audit, we considered Monroe Area Guidance Center a/k/a Harmony House's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose

all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses.

This report is intended for the information of the audit committee, management, and federal awarding agencies and pass-through entities. However, this report is a matter of public record and its distribution is not limited.

Johnston, Perry, Johnson & Associates, L.L.P.

### NOTE 1 - Summary of Significant Accounting Policies

A. Statement of Presentation:

The accompanying financial statements conform to generally accepted accounting principles for not-for-profit organizations.

B. Organization:

The Organization provides a spectrum of habilitation-oriented services to the chronically mentally ill in northeast Louisiana, including providing employment opportunities, helping clients with physical and emotional problems in order to help them get into the mainstream of community life, and operating a group home for the mentally ill. The Organization also carries out a janitorial program to help train clients for employment.

C. Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

D. Cash and Cash Equivalents:

The Organization considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents. Cash and cash equivalents for purposes of the statement of cash flows exclude permanently restricted cash and cash equivalents.

E. Budget Policy:

Budgets for various programs are prepared by the Organization and approved by grantor of the funds for each respective program.

F. Cash in Bank:

All funds are in institutions insured by an agency of the Federal Government, the Federal Deposit Insurance Corporation.

### NOTE 1 - Summary of Significant Accounting Policies (Continued)

### G. Related Party Transactions:

### H. Contributions:

All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as temporarily restricted or permanently restricted support that increases those net asset classes. When a temporary restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. The Organization has no permanently restricted net assets at June 30, 2002.

### I. Property and Equipment:

Donations of property and equipment are recorded as support at their estimated fair value. Such donations are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted support. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Organization reclassifies temporarily restricted net assets to unrestricted net assets at that time. Buildings are depreciated using the straight-line method over the useful lives ranging between 27.5 years and 39 years. Equipment is depreciated using the declining balance method.
