INDEPENDENT AUDITORS' REPORT

To the Board of Trustees
University of Louisiana at Monroe and the Management of KEDM
Monroe, Louisiana

Report on the Financial Statements

We have audited the accompanying financial statements of KEDM (a Public Telecommunications Entity operated by The University of Louisiana at Monroe), which comprise the statement of financial position as of June 30, 2018, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

Prior Period Financial Statements

The financial statements of KEDM as of June 30, 2017, were audited by other auditors whose report dated December 19, 2017 expressed an unmodified opinion of those statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about disclosures in the financial statements. amounts and procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, express no such opinion. An audit also includes evaluating appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of KEDM (a Public Telecommunications Entity operated by The University of Louisiana at Monroe) as of June 30, 2018 and 2017, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The Statement of Functional Expenses and the Schedule of Compensation, Benefits, and Other Payments to Agency Head or Chief Executive Officer on pages 16 through 18 are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance

with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

A PUBLIC TELECOMMUNICATIONS ENTITY OPERATED BY THE UNIVERSITY OF LOUISIANA AT MONROE NOTES TO FINANCIAL STATEMENTS JUNE 30, 2018

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

A. Organization

KEDM (the Station) is a noncommercial radio station operated by The University of Louisiana at Monroe. The Station adheres to the standards of accounting and reporting as described in *Principles of Accounting and Financial Reporting for Public Telecommunications* Entities published by the Corporation for Public Broadcasting.

B. Basis of Accounting

The financial statements of the Station have been prepared on the accrual basis. The significant accounting policies followed by the Station are described below to enhance the usefulness of the financial statements to the reader of accounting and in conformity with Financial Accounting Standards Board (FASB) ASC Section 958.

C. Basis of Presentation

FASB Accounting Standards Codification (ASC) section 958-205 Not-For-Profit Entities, Presentation of Financial Statements establishes standards for external financial reporting by not-for-profit organizations and requires that resources be classified for accounting and reporting purposes into three net assets categories according to externally (donor) imposed restrictions. ASC section 958-605 Not-for-Profit Entities, Revenue Recognition requires that unconditional promises to give (pledges) be recorded as receivables and revenues and requires the organization to distinguish between contributions received for each net category accordance donor-imposed in with restrictions.

A description of the three net asset categories follows:

<u>Unrestricted Net Assets</u> - Net assets that are not subject to donor-imposed stipulations.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

C. Basis of Presentation (Continued)

Temporarily Restricted Net Assets - Net assets subject to donor-imposed stipulations that may or will be met either by actions of the Station and/or the passage of time. There were \$32,770 and \$56,929 in temporarily restricted net assets at June 30, 2018 and 2017, respectively. Temporarily Restricted Net Assets are restricted for expenses allowed by the Corporation for Public Broadcasting.

Permanently Restricted Net Assets - Net assets subject to donor-imposed stipulations that they maintained permanently by the Station. Generally, the donors of these assets permit the Station to use all or part of the income earned on related investments for general or specific purposes. There were no permanently restricted net assets at June 30, 2018 and 2017.

D. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

E. Revenue Recognition

Membership contributions and support from the University are recorded as revenue in the Statements of Activities when received. Restricted gifts and grants are recorded as revenue in the Statements of Activities to the extent that they have been expended for the purpose specified by the donor or grantor during the period.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

F. Donated Facilities and Administrative Support

Donated facilities and administrative support from the University consist of office and studio space and an allocation of costs and certain other expenses incurred by the University on behalf of the Station.

G. Functional Expenses

Expenses that can be identified with a specific program and support service are allocated directly to that function according to their natural expenditure classification. Other expenses that are common to several functions are allocated by various statistical bases.

NOTE 2 - PROPERTY AND EQUIPMENT:

Fixed assets are stated at cost when purchased or constructed. If acquired by gift, they are recorded at an objective, verifiable basis which is, in the judgment of Station management, a fair value for the Station's purposes (no independent third party appraisal is obtained). Expenditures for repairs and maintenance are charged to operating expense as incurred. Fixed assets are depreciated using the straight-line method over the estimated useful lives (5-30 years) of the individual assets. Depreciation expense amounted to \$47,972 and \$46,821 during the years ended June 30, 2018 and 2017, respectively.
