INDEPENDENT AUDITORS' REPORT

Board of Directors
Claiborne Church of God, Inc.
West Monroe, Louisiana

We have audited the accompanying financial statements of Claiborne Church of God, Inc. (The Church), which comprise the statements of financial position as of June 30, 2015 and 2014, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Claiborne Church of God, Inc. as of June 30, 2015 and 2014 and the changes in its net assets and its cash flows for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of compensation, reimbursements, benefits and other payments to the agency head on page 17, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated November 5, 2015, on our consideration of Claiborne Church of God, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Claiborne Church of God, Inc.'s internal control over financial reporting and compliance.

CLAIBORNE CHURCH OF GOD, INC.
(DBA FAMILY CHURCH)
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED JUNE 30, 2015 AND 2014

Note 1 - Nature of Activities and Summary of Significant Accounting Policies

A. Nature of Activities

Claiborne Church of God, Inc. (DBA Family Church) was formed in February 1969 and operated as an unincorporated enterprise from its inception until January 10, 1995, at which time the enterprise was incorporated under the name Claiborne Church of God, Inc. (the Church). The Church operates Claiborne Christian School, a private school that enrolls children of pre-school age through the 12th grade.

The specific and primary purposes of the Church are:

1. The preaching of the gospel of Jesus Christ through the establishment of a local church in the West Monroe, Louisiana vicinity.
2. To preach and teach the gospel and further the cause of the Kingdom of God in the United States of America and in foreign lands.
3. To promote fellowship and means of cooperation between Christians and churches of like precious faith.
4. To promote freedom of worship and liberty of expression within the limits of its own statement of faith and doctrine, among its own ministers and members.
5. To establish and maintain churches, Bible and training schools, inaugurate and maintain charitable institutions, such as homes for the aged, rest homes for ministers and missionaries, orphanages, homes for the indigent and those bound by substance abuse, cemeteries and kindred institutions.
6. To maintain such relations with local, state, federal and foreign governments as may be necessary for the successful accomplishments of the purposes of the organization and for the welfare of the Church, ministers and members thereof.
7. To engage such employees as may be necessary to perform the duties involved in carrying on the Church's business.
8. To make bylaws for the government of the Church, and to alter, revise and amend the same at will.
9. To provide for its membership, rules of Christian conduct and discipline in accordance with the Word of God, in order to maintain purity and insure the continued progress of this assembly, (see Titus chapter 2).

Note 1 – Nature of Activities and Summary of Significant Accounting Policies (continued)

A. Nature of Activities (continued)

10. To receive contributions, to make donations and to dispense charitable contributions through, and otherwise aid and support, those organizations qualified for exemption from federal income tax under Section 501(c)(3) of the Internal Revenue Code of 1986, as now in effect or subsequently amended.
11. To fulfill the Great Commission of the Church by supporting missions, both foreign and domestic, and supporting those performing the work of carrying the gospel as missionaries, both corporate and individual.

B. Basis of Accounting

The financial statements of the Claiborne Church of God, Inc., have been prepared on the accrual basis and, accordingly, reflect all significant receivables, payables, and other liabilities.

C. Basis of Presentation

FASB Accounting Standards Codification (ASC) section 958-205 *Not-for-Profit Entities, Presentation of Financial Statements* establishes standards for external financial reporting by not-for-profit organizations and requires that resources be classified for accounting and reporting purposes into three net asset categories according to externally (donor) imposed restrictions. ASC section 958-605 *Not-for-Profit Entities, Revenue Recognition* requires that unconditional promises to give (pledges) be recorded as receivables and revenues and requires the organization to distinguish between contributions received for each net asset category in accordance with donor-imposed restrictions.

A description of the three net asset categories follows:

Unrestricted Net Assets – Net assets that are not subject to donor-imposed stipulations.

Temporarily Restricted Net Assets – Net assets subject to donor-imposed stipulations that may or will be met either by actions of the Church and/or the passage of time.

Permanently Restricted Net Assets – Net assets subject to donor-imposed stipulations that they may be maintained permanently by the Church. Generally, the donors of these assets permit the Church to use all or part of the income earned on related investments for general or specific purposes. At June 30, 2015 and 2014, there were no permanently restricted net assets.

(DBA FAMILY CHURCH)
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED JUNE 30, 2015 AND 2014

Note 1 – Nature of Activities and Summary of Significant Accounting Policies (continued)

D. Property and Equipment

Property and equipment are carried at cost or, if donated, at the approximate fair value at the date of donation. All items acquired before December 15, 1994 are recorded for financial reporting purposes based on the “value in use” estimate reflected in a report issued by an independent appraisal firm dated December 15, 1994. Depreciation of buildings and equipment is provided over the estimated useful lives of the respective assets using the straight-line method:

	<u>Years</u>
Buildings	40
Building Improvements	10-25
Furniture, Fixtures and Equipment	5-15

E. Contributed Services

The Church receives a substantial amount of services donated by its members in carrying out the Church’s ministry. No amounts have been reflected in the financial statements for those services.

F. Circulating Library

The Church has not capitalized its library books or broadcasting tapes since they are considered to represent either an inexhaustible collection, whose values are not readily determinable, or a circulating library with an estimated useful life of less than one year.

G. Noncash Donations

The Church records noncash donations at the fair market value at the date of donation.

H. Compensated Absences

Vacation time is based upon length of service to the Church and the type of employment at the Church.

For twelve month employees:

6-12 months of service	3 days
1-3 years of service	1 week
4-7 years of service	7 days
8-11 years of service	2 weeks
12+ years of service	3 weeks

Ten-month employees receive vacation during Spring Break, Christmas Break, and Summer Break.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED JUNE 30, 2015 AND 2014

Note 1 - Nature of Activities and Summary of Significant Accounting Policies (continued)

H. Compensated Absences (continued)

An employee may carry forward three days of vacation from one year to the next. An accrual of vacation and sick leave compensation was considered immaterial and, therefore, unnecessary.

I. Tax Status

The Church qualifies as a tax-exempt organization under Section 501(c)(3) if the Internal Revenue Code and comparable Louisiana law, and contributions to it are tax deductible within the limitations prescribed by the Code. Accordingly, no provision for income taxes has been made in the accompanying financial statements.

J. Cash & Cash Equivalents

Cash and cash equivalents include investments in highly liquid debt instruments with an initial maturity of three months or less.

K. Accounts Receivable

The direct write off method for recognizing bad debts is used. Under this method, the bad debt is charged to expense when the account is deemed to be uncollectible in the opinion of management. Uncollectible amounts for receivables are generally not significant and therefore management feels an allowance for bad debt is not necessary.

L. Deferred Income

Tuition for the upcoming school year that is paid in advance is deferred and recognized in the year it is earned.

Note 2 - Land, Buildings and Equipment

Land, buildings and equipment consisted of the following at June 30:

	<u>2015</u>	<u>2014</u>
Furniture and Fixtures	\$ 243,220	\$ 243,220

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Directors of
Claiborne Church of God, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Claiborne Church of God, Inc., which comprise the statements of financial position as of June 30, 2015 and 2014, and the related statements of activities, and cash flows for the years then ended, and the related notes to the financial statements, and have issued our report thereon dated November 5, 2015.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Claiborne Church of God, Inc.'s internal control over financial reporting to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Claiborne Church of God, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Claiborne Church of God, Inc.'s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the Church's financial statements will not be prevented, or detected and corrected on a timely basis. We consider the deficiencies described in the accompanying schedule of findings and questioned costs to be material weaknesses, 15-1 and 15-2. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. However, material weaknesses may exist that were not identified

Board of Directors of
Claiborne Church of God, Inc.
Page 2

We did identify certain deficiencies in internal control, described in the accompanying schedule of findings and questioned costs that we consider to be material weaknesses.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Claiborne Church of God, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audits, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Claiborne Church of God, Inc.'s Response to Findings

The Church's responses to the findings identified in our audit are described in the accompanying schedule of findings and questioned costs. The Church's responses were not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on them.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Claiborne Church of God, Inc.'s internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Claiborne Church of God, Inc.'s internal control and compliance. Accordingly, the communication is not suitable for any other purpose. Under Louisiana Revised Statute 24:513, this report is distributed by the Legislative Auditor as a public document.

SCHEDULE OF FINDINGS AND QUESTIONED COSTS
FOR THE YEAR ENDED JUNE 30, 2015

SUMMARY OF AUDIT RESULTS

1. The auditors' report expressed an unmodified opinion on the financial statements of the Claiborne Church of God, Inc. (The Church).
2. No significant deficiencies were disclosed during the audit of the financial statements to be reported in the Independent Auditors' Report on Internal Control Over Financial Reporting and on Compliance Based on an Audit of Financial Statements Performed In Accordance With *Government Auditing Standards* .
3. Two instances of noncompliance material to the financial statements of Claiborne Church of God, Inc., which are reported in accordance with *Government Auditing Standards*, were disclosed during the audit.

FINDINGS - FINANCIAL STATEMENT AUDIT

15-1 Segregate Cash Disbursements Responsibilities

Condition:

In reviewing the procedures and controls related to cash disbursements functions, we noted that the business administrator has more responsibility than is optimal. For instance, he approves disbursements, signs checks, receives and reviews unopened bank statements and cancelled checks, and reviews bank reconciliations. Also, we were informed an authorized check signer has the check signing stamp of another authorized check signer.

Criteria:

Segregating cash responsibilities is necessary to ensure controls over cash to help prevent errors or irregularities.

Effect:

This condition could provide an opportunity for misappropriation of funds and concealment of such activity.

Recommendation:

In order to mitigate this condition, we recommend that someone other than the business administrator receive and review unopened bank statements and cancelled checks. This control takes no more than an hour each month and provides a supervisory control that can help prevent or detect improper or unauthorized disbursements. Note that this comment is not meant to imply that we identified unauthorized disbursements, but that additional controls could reduce the risk.

(DBA FAMILY CHURCH)
SCHEDULE OF FINDINGS AND QUESTIONED COSTS
FOR THE YEAR ENDED JUNE 30, 2015 (Continued)

FINDINGS – FINANCIAL STATEMENT AUDIT (continued)

15-1 Segregate Cash Disbursements Responsibilities (continued)

Response:

At this time, the Church feels that it is not cost beneficial to hire another employee or give this responsibility to an existing employee because of the work involved. The executive pastor has access to online banking and credit card accounts and reviews the activity on a monthly basis.

15-2 Separation of Duties

Condition:

The Church has a small number of people performing a variety of duties, some of which may be incompatible. For instance, the person who handles cash receipts should not record the payments to the accounts receivable detail ledger. Also, the person who writes checks should not reconcile the bank statement each month.

Criteria:

Separation of duties is necessary to ensure the separation of the recording of assets and the custody of those assets.

Effect:

Separating these duties will improve internal controls over cash and other assets and reduce the possibility of errors and irregularities.

Recommendation:

This may be done without hiring more personnel. This situation dictates that the Board remains involved in the financial affairs of the Church to provide oversight and independent review functions. We recommend monthly bank statements and credit card statements should be reviewed for accuracy and approved by an employee independent of the responsibility of reconciling the statements and paying the credit card invoices.

Response:

The Church feels that it is not cost beneficial to hire another employee or give this responsibility to an existing employee because of the work involved.

Recommendation:

This may be done without hiring more personnel. This situation dictates that the Board remains involved in the financial affairs of the Church to provide oversight and independent review functions. We recommend monthly bank statements and credit card statements should be reviewed for accuracy and approved by an employee independent of the responsibility of reconciling the statements and paying the credit card invoices.

Current Status:

The Church feels that it is not cost beneficial to hire another employee or give this responsibility to an existing employee because of the work involved.
