INDEPENDENT AUDITORS' REPORT

To the Board of Trustees
of University of Louisiana at Monroe and the Management of KEDM
Monroe, Louisiana

We have audited the accompanying financial statements of KEDM (A Public Telecommunications Entity operated by The University of Louisiana at Monroe), which comprise the statements of financial position as of June 30, 2017 and 2016, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of KEDM (A Public Telecommunications Entity operated by The University of Louisiana at Monroe) as of June 30, 2017 and 2016, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The Schedule of Functional Expenses on Pages 12 through 13 and the Schedule of Compensation, Benefits and Other Payments to the Agency Head or Chief Executive Officer on Page 14 are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED JUNE 30, 2017 AND 2016

Note 1 – Summary of Significant Accounting Policies

A. Organization

KEDM (the “Station”) is a noncommercial radio station operated by the University of Louisiana at Monroe. The Station adheres to the standards of accounting and reporting as described in Principles of Accounting and Financial Reporting for Public Telecommunication Entities published by the Corporation for Public Broadcasting.

B. Basis of Accounting

The financial statements of the Station have been prepared on the accrual basis. The significant accounting policies followed by the Station are described below to enhance the usefulness of the financial statements to the reader of accounting and in conformity with Financial Accounting Standards Board (“FASB”) ASC Section 958.

C. Basis of Presentation

FASB Accounting Standards Codification (“ASC”) section 958-205 *Not-For-Profit Entities, Presentation of Financial Statements* establishes standards for external financial reporting by not-for-profit organizations and requires that resources be classified for accounting and reporting purposes into three net assets categories according to externally (“donor”) imposed restrictions. ASC section 958-605 *Not-For-Profit Entities, Revenue Recognition* requires that unconditional promises to give (“pledges”) be recorded as receivables and revenues and requires the organization to distinguish between contributions received for each net asset category in accordance with donor-imposed restrictions.

A description of the three net asset categories follows:

Unrestricted Net Assets – Net assets that are not subject to donor-imposed stipulations.

Temporarily Restricted Net Assets – Net assets subject to donor-imposed stipulations that may or will be met either by actions of the Station and/or the passage of time. These were \$56,929 and \$68,677 in temporarily restricted net assets at June 30, 2017 and 2016, respectively. Temporarily Restricted Net Assets are restricted for expenses allowed by the Corporation for Public Broadcasting.

Permanently Restricted Net Assets – Net assets subject to donor-imposed stipulations that they be maintained permanently by the Station. Generally, the donors of these assets permit the Station to use all or part of the income earned on related investments for general or specific purposes. There were no permanently restricted net assets at June 30, 2017 and 2016.

Note 1 – Summary of Significant Accounting Policies (Continued)

D. Use of Estimates

The preparation of financial statements in conformity with accounting principles accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

E. Revenue Recognition

Membership contributions and support from the University are recorded as revenue in the Statements of Activities when received. Restricted gifts and grants are recorded as revenue in the Statements of Activities to the extent that they have been expended for the purpose specified by the donor or grantor during the period.

F. Donated Facilities and Administrative Support

Donated facilities and administrative support from the University consist of office and studio space and an allocation of costs and certain other expenses incurred by the University on behalf of the Station.

G. Functional Expenses

Expenses that can be identified with a specific program and support service are allocated directly to that function according to their natural expenditure classification. Other expenses that are common to several functions are allocated by various statistical bases.

Note 2 – Property and Equipment

Fixed assets are stated at cost when purchased or constructed. If acquired by gift, they are recorded at an objective, verifiable basis which is, in the judgment of Station management, a fair value for the Station's purposes (no independent third party appraisal is obtained). Expenditures for repairs and maintenance are charged to operating expense as incurred. Fixed assets are depreciated using the straight-line method over the estimated useful lives (5-30 years) of the individual assets. Depreciation expense amounted to \$46,821 and \$46,822 during the years ended June 30, 2017 and 2016, respectively.

Electronic Equipment	380,052	380,052	—
Total	<u>\$ 1,087,610</u>	<u>\$ 930,966</u>	<u>\$ 156,644</u>

Note 3 – Temporarily Restricted Net Assets

Temporarily Restricted Net Assets is comprised of revenue from a Corporation for Public Broadcasting (“CPB”) Community Service Grant (“CSG”). The CSG contains the following restrictions:

1. No CPB funds shall be used for purposes of conducting any reception, or providing any other entertainment, for any officer or employee of the federal government or any state or local government.
2. No CPB funds shall be used to pay the salary or expenses of any grant or contract recipient, or agent acting for such recipient, related to any activity designed to influence legislation or appropriation before Congress or any state legislature.
3. No CSG funds may be expended on the production, acquisition or distribution of programs which do not qualify under CPB’s Broadcast Schedule of eligibility criterion. Such programs include any that further the principles of particular political or religious philosophies, or that are designed primarily for in-school or professional in-service audiences.

Note 3 – Temporarily Restricted Net Assets (Continued)

4. The station’s licensee may not impound or otherwise withhold or inappropriately restrict the use of CSG funds by the station. CSG funds may not be used to supplant funds or other support already being provided to the station by the licensee or to offset budgeting cutbacks by the licensee. For purposes of these General Provisions and Eligibility Criteria, “supplant” is defined as “to reduce the amount of funds or other support already being provided by the licensee in proportion to, or because of, funding through the CSG.”
5. CSG funds may not be used to offset an institutional licensee’s overhead or expenses.
6. CSG funds or proceeds from the liquidation or transfer of assets acquired with CSG funds must be used solely for the benefit of the public broadcast station.
7. Full-time station personnel whose salaries are paid by CSG funds must exercise full-time responsibilities over broadcast station operations. Such personnel shall not be required by the licensee to perform duties unrelated to the operation of the broadcast station.
8. CSG funds shall not be used by the grantee for personnel services, programming (both production and acquisition), or technical facilities in excess of standard amounts usually paid, charged or otherwise applies by the grantee for the same services and facilities under similar circumstances.
9. Grantee agrees that if, at any time during the grant period covered by this agreement, it should cease to provide the public broadcasting services for which this grant is made, it shall, upon request of CPB, return any or all of the grant funds to CPB.
10. Approximately 26 percent of the CSG must be spent on national program production and acquisition. This portion of the CSG must be used exclusively for the acquisition, production, promotion, and/or distribution of national programming of high quality, diversity, creativity, excellence, and innovation, with strict adherence to objectivity and balance in all programs or series of programs of a controversial nature.

During the years ended June 30, 2017 and 2016, net assets were released from grantor restrictions by incurring expenses satisfying the purpose specified by the grantor as follows:

	2017	2016
Corporation for Public Broadcasting	\$133,839	\$107,817

Note 4 – Accounts Receivable

The Station uses the direct write-off method to provide for uncollectible pledges. Use of this method does not result in a material difference from the valuation method required by accounting principles generally accepted in the United States of America.

Note 5 – Subsequent Events

Subsequent events have been evaluated through December 19, 2017, which is the day the financial statements were available to be issued, and it has been determined that no significant events have occurred for disclosure.

FINDINGS - FINANCIAL STATEMENTS REVIEW

Finding 2017-1 Late Submission of Annual Audit Report

Condition: Annual audit report not filed with Legislative Auditor by deadline.

Criteria: In accordance with State Statutes, the Organization is required to file an annual audit report by December 31, 2017 with the Legislative Auditor.

Cause: Organization was unable to provide the necessary reporting schedule to meet the deadline.

Effect: Organization can see a delay and/or reduction in government funding.

Recommendation: Management should make sure that all the necessary reporting schedules are kept up to date, organized and ready so that an audit can be performed timely.

Response: Mr. Curtis, a staffing change in mid-December caused the Organization to be unable to approve the final report before its parent organization, the University of Louisiana Monroe, and the auditor's office closed for the holidays. The Annual Audit Report was delivered to the federal government funding source in a timely manner. There were no irregularities with the financials. These issues have been corrected and the financial records are currently up to date. We do not expect this to happen in the future.
