INDEPENDENT AUDITORS' REPORT

Board of Directors Tensas Council on Aging, Inc. St. Joseph, Louisiana

We have audited the accompanying financial statements of the governmental activities, each major fund and the aggregate remaining fund information of the Tensas Council on Aging, Inc., as of and for the year ended June 30, 2007, which collectively comprise the basic financial statements of the Council as listed in the table of contents. These financial statements are the responsibility of the Council's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund and the aggregate remaining fund information for the Tensas Council on Aging, Inc., as of June 30, 2007, and the respective changes in financial position, thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with Government Auditing Standards, we have also issued our report dated November 19, 2007, on our consideration of the Council's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Governmental Auditing Standards and should be considered in conjunction with this report in considering the results of our audit.

Board of Directors Tensas Council on Aging, Inc. St. Joseph, Louisiana Page 2

Management's discussion and analysis and budgetary comparison information on pages 3 through 6 and 20 through 24, are not a required part of the basic financial statements but are supplementary information required by accounting principles generally accepted in the United States of America. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it.

Our audit was performed for the purpose of forming an opinion on the financial statements of the Tensas Council on Aging, Inc. taken as a whole. The supplemental information schedules required by GOEA are presented for purposes of additional analysis and are not a required part of the financial statements. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by U.S. Office of Management and Budget Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations, and is not a required part of the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the financial statements taken as a whole. The introductory section has not been subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

MANAGEMENT'S DISCUSSION AND ANALYSIS

MANAGEMENT'S DISCUSSION AND ANALYSIS

Our discussion and analysis of the Tensas Council on Aging provides an overview of the Council's activities for the year ended June 30, 2007. Please read it in conjunction with the Council's financial statements.

USING THIS ANNUAL REPORT

This annual report consists of a series of financial statements. The Statement of Net Assets and the Statement of Activities provide information about the activities of the Council as a whole.

Reporting the Council as a Whole

The Statement of Net Assets and the Statement of Activities

These statements include all assets and liabilities using the accrual basis of accounting, which is similar to the accounting used by most private-sector companies. All of the current year's revenues and expenses are taken into account regardless of when cash is received or paid.

These two statements report the Council's net assets and changes in them. The Council's net assets – the difference between assets and liabilities – measure the Council's financial position. The increase or decrease in the Council's net assets are an indicator of whether its financial position is improving or deteriorating.

THE COUNCIL AS A WHOLE

For the year ended June 30, 2007 and 2006:

	<u>06/30/07</u>	06/30/06
Beginning net assets	\$ 2,517	\$ 5,287
Increase in net assets	<u>32,592</u>	(2,770)
Ending net assets	<u>\$35,109</u>	\$ 2,517

THE COUNCIL'S FUNDS

The following schedule presents a summary of revenues and expenses for the fiscal year ended June 30, 2007, and the amount and percentage of increases and decreases in relation to the prior year.

Revenues	June 30, 2007	Percent of Total	(Decrease) From June 30, 2006	Percent Increase (Decrease)
Intergovernmental	\$223,844	78%	\$34,211	15%
Sales Tax	37,500	13%	\$12,500	33%
Public Support	14,979	5%	(\$27,287)	-182%
Rental Income	3,900	1%	\$0	0%
BHT Grant	4,345	2%	\$4,345	100%
Miscellaneous	1,700	1%	\$1,700	100%
Totals	\$286,268	100%	\$25,469	9%

			Increase	
			(Decrease)	Percent
		Percent	From	Increase
Revenues	June 30, 2006	of Total	June 30, 2005	(Decrease)
Intergovernmental	\$189,633	73%	(\$12,290)	-6%
Sales Tax	25,000	10%	(\$2,611)	-10%
Public Support	42,266	16%	11,903	28%
Rental Income	3,900	1%	0	0%
BHT Grant	0	0%	0	0%
Miscellaneous	0	0%	0	0%
Totals	\$260,799	100%	(\$2,998)	-1%

Revenues increased for the year ending June 30, 2007. This is due to an increase in the sales tax received from the Parish and also a last minute increase in funding from GOEA.

Revenues decreased slightly for the year ending June 30, 2006. This is mainly due to the effects of Hurricanes Katrina and Rita in 2005. Funding was cut in December 2005 and then partially restored in June 2006.

Expenses	June 30, 2007	Percent of Total	Increase (Decrease) From June 30, 2006	Percent Increase (Decrease)
Total	\$253,673	100%	(\$9,896)	-4%
Expenses	June 30, 2006	Percent of Total	Increase (Decrease) From June 30, 2005	Percent Increase (Decrease)
Total	\$263,569	100%	(\$4,109)	-2%

The Council's expenses decreased for the year ending June 30, 2007 due mainly to a decrease in spending in the homemaker area and additional spending on fixed assets.

The Council's expenses decreased for the year ending June 30, 2006 due to cutting costs that came with the news of decreased funding.

BUDGETARY HIGHLIGHTS

The Council's total revenues in fiscal year 2007 were more than the final budget by \$51,784. Only that portion of the sales tax expected to be used to cover expenses is budgeted. Extra funding from GOEA on June 29 was not budgeted for in the amended budget to GOEA. The board did discuss and approve purchases to be made with the extra funding prior to purchases made. Actual expenses for the Council were over the final budget by \$36,378. The General Fund is not budgeted but used in support of other programs. The purchases made with the June 29 funding were not budgeted.

CAPITAL ASSET AND DEBT ADMINISTRATION

Capital Assets

At the end of June 30, 2007 and 2006, the Council had \$82,938 and \$89,623 invested in capital assets including buildings and improvements, furniture and fixtures, equipment, and vehicles (see table next page).

	June 30, 2007	June 30, 2006
Building Office Furniture & Fixtures	\$20,000 13,546	\$20,000 8,922
Vehicles	49,392	60,701
Totals	\$82,938	\$89,623

The Council sold a van and purchased a car during the fiscal year. Also appliances were purchased for use in the kitchen and senior center.

ECONOMIC FACTORS AND NEXT YEAR'S BUDGETS AND REVENUES

The Council's revenues are derived mainly from three sources. United States Department of Health and Human Services Administration on Aging through the Governor's Office of Elderly Affairs which in turn "passes through" the funds to the Council, Sales Tax and Public Support. The Council does not anticipate any major increase or decrease in the revenues for the coming year.

CONTACTING THE COUNCIL'S FINANCIAL MANAGEMENT

The financial report is designed to provide our citizens, taxpayers, and creditors with a general overview of the Council's finances and to show the Council's accountability for the money it receives. If you have questions concerning this report or need additional financial information, contact the Tensas Council on Aging, PO Box 726 St. Joseph, LA 71366.

Note 1- Summary of Significant Accounting Policies

The financial statements of Tensas Council on the Aging, Inc. have been prepared in accordance with generally accepted accounting principles (GAAP) as applied to governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. These statements have also incorporated any applicable requirements set forth by Audits of State and Local Governments, the industry audit guide issued by the American Institute of Certified Public Accountants; Subsection VI-Annual Financial Reporting, accounting manual for Governor's Office of Elderly Affairs contractors, and the Louisiana Governmental Audit Guide. The more significant to the Council's accounting policies are described below.

A. Reporting Entity

In 1964, the State of Louisiana passed Act 456 that authorized the charter of voluntary councils on aging for the welfare of the aging people in their representative parishes. Charters are issued by the Louisiana Secretary of State upon approval by the Governor's Office of Elderly Affairs. The Tensas Council on the Aging, Inc. is a non-profit, quasipublic, corporation which must comply with the policies and regulations established by the Governor's Office of Elderly Affairs, the state agency which provides the Council with most of its revenues. The Council also receives revenues from other federal, state, and local government agencies that may impose certain restrictions upon how the Council can use the money that they have provided.

The primary function of Tensas Council on the Aging, Inc. is to improve the quality of life for the parish's elderly and to provide services to the elderly as well as coordinate and monitor the services of other local agencies serving the aging people of the parish. Such services include providing meals, nutritional education, information and referral services, legal assistance, homemaker services, operating senior centers, and transportation. A Board of Directors, consisting of 15 voluntary members who serve three-year terms governs the Council.

The Council is not a component unit of another primary government nor does it have any component units that are related to it. Therefore, the Council has presented its financial statements as a separate special purpose government.

B. Financial Reporting

The Council follows the provisions of the Governmental Accounting Standards Board Statement, Nos. 34, Basic Financial Statements - and Management's Discussion and Analysis - for State and Local Governments (Statement 34), 37, Basic Financial Statements and Management's Discussion and Analysis - for State and Local Governments: Omnibus (Statement 37), and 38, Certain Financial Statement Note Disclosures (Statement 38), which establish the financial reporting standards for all state and local governmental entities.

Note 1- Summary of Significant Accounting Policies (continued)

B. Financial Reporting (continued)

The accompanying government-wide financial statements have been prepared using the economic resources measurement focus and the accrual basis of accounting and reflect transactions of behalf of the Council. The Council accounts for its funds as governmental funds.

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collected within the current period or soon enough thereafter to pay liabilities of the current period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures are recorded only when payment is due.

Office of Elderly Affairs Funds are used to account for the proceeds of specific revenue sources that are legally restricted to expenditures for specific purposes. Most of the Council's special revenue funds are provided by GOEA. The Title III funds are provided by the United States Department of Health and Human Services Administration on Aging through the Governor's Office of Elderly Affairs which in turn "passes through" the funds to the Council.

The Council reports the following major governmental funds:

General Fund

The General Fund is the general operating fund of the Council. It is used to account for all financial resources except those required to be accounted for in another fund. These discretionary funds are accounted for and reported according to the source (federal, state, or local) from which they are derived. The following types of programs comprise the Council's General Fund:

Local Funds

Local funds are received from various local sources; such funds not being restricted to any special use.

PCOA (ACT 735) Funds

PCOA (Act 735) funds are appropriated for the Governor's Office of Elderly Affairs by the Louisiana Legislature for remittance to the Council on Aging. The Council may use these "Act 735" funds at its discretion provided the program is benefiting people who are at least 60.

Note 1-Summary of Significant Accounting Policies (continued)

B. Financial Reporting (continued)

Title III-B Supportive Services Fund

This program provides access services, in-home services, community services, legal assistance and transportation for the elderly.

Title III C-1 Congregate Meals Fund

These funds are used to provide nutritional congregate meals to the elderly in strategically located centers.

Title III C-2 Home Delivered Meals Fund

These funds are used to provide nutritional meals to home-bound older persons.

The remaining nonmajor funds are as follows:

Senior Center Fund

This program provides community service centers at which older persons receive supportive services and participate in activities which foster their independence, enhance their dignity and encourage their involvement in and with the community.

Nutritional Services Incentive Program (NSIP)

The NSIP program (formerly USDA) is used to account for the administration of Food Distribution Program funds provided by the United States Department of Agriculture through the Louisiana Governor's Office of Elderly Affairs. This program reimburses the service provider on a per unit basis for each congregate and home-delivered meal served to an eligible participant so that the United States food and commodities may be purchased to supplement these programs.

Title III-D Disease Prevention and Health Promotion Services

This program provides funds to develop or strengthen preventive health service and health promotion systems through designated agencies.

Title III-E National Family Caregiver Support

To assist in providing multifaceted systems of support services for family caregivers and grandparents or older individuals who are relative caregivers.

Note 1- Summary of Significant Accounting Policies (continued)

B. Financial Reporting (continued)

Audit Funds

These funds are used to offset the cost of the annual audit. The amount received for the years ended June 30, 2007 and 2006 was \$810 and \$490, respectively.

Supplemental Senior Center Fund

The Louisiana Legislature appropriated additional money for various Councils on Aging through the state to be used to supplement the primary state grant for senior centers. Tensas Council on the Aging, Inc. was one of the parish councils to receive a supplemental grant.

Utility Assistance Fund

The Utility Assistance fund is used to account for the administration of programs that are sponsored by local utility companies. The companies collect contributions from service customers and remit the funds to the parish Councils on Aging to provide assistance to the elderly for the payment of their utility bills.

C. Compensated Absences

Employees of Tensas Council on the Aging, Inc. earn from 12 to 18 days of annual leave each year with 40 days allowed to be carried over to next year, depending on their length of service and the employee's working status (full-time or part-time). Provided that funds are available, employees are compensated upon termination of employment for current-year accrued annual leave up to 5 days. Employees earn up to 12 days of sick leave each year, and can accumulate up to 60 days, depending upon whether the employee is on a part-time or full-time status. Employees are not paid for accrued sick leave at termination and no accrual has been made.

D. Funding Policies and Sources of Funds

The Council receives its monies through various methods of funding. NSIP program funds are provided through the Louisiana Governor's Office of Elderly Affairs to help offset raw food cost in Title III C-1 and C-2 programs. This program is funded under the units of service provided method. The Senior Center program and State Allocation (PCOA) and Supplemental Senior Center funds are received as a monthly allocation of the total budget (grant) in advance of the actual expenditure. The Title III-B, C-1, C-2, D and E programs are funded based on actual operating cost incurred. The Council encourages and receives contributions from clients to help offset the costs of the Title III-B, C-1, and C-2 programs. Utility assistance funds are also provided by the Louisiana Association of Council on Aging to the Council under the Helping Hands and Heating Help Energy programs. All of the above mentioned funds, including any other miscellaneous income, are recorded as revenue when the cash is received because the Council cannot predict the timing and amount of receipt.

Note I-Summary of Significant Accounting Policies (continued)

E. Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Note 2 - Cash and Certificates of Deposit

Custodial Credit Risk - Deposits

The custodial credit risk is the risk that in the event of a bank failure, the Council's deposits may not be returned to it. The Council's policy to ensure there is no exposure to this risk is to require each financial institution to pledge its own securities to cover any amount in excess of Federal Depository Insurance Coverage. Louisiana Revised Statute 39:1229 imposes a statutory requirement on the custodial bank to advertise and sell the pledged securities within 10 days of being notified by the Council that the fiscal agent bank has failed to pay deposited funds upon demand. Accordingly, the Council had no custodial risk related to its deposits at June 30, 2007.

At June 30, 2007, the Council had a net cash overdraft in the amount of \$9,194.

These deposits are stated at cost, which approximates market. Under state law, these deposits (or the resulting bank balances) must be secured by federal deposit insurance or the pledge of securities owned by the fiscal agent bank. The market value of the pledged securities plus the federal deposit insurance must at all times equal the amount on deposit with the fiscal agent.

These securities are held in the name of the pledging fiscal agent bank in a holding or custodial bank that is mutually acceptable by both parties. Cash and cash equivalents (bank balances) at June 30, 2007, are secured as follows:

Bank Balances	\$ 14,206
Federal Deposits Insurance Pledged Securities (Uncollateralized)	\$ 100.000
TOTAL	\$ 100,000

Note 3 - Receivables

Accounts receivable at June 30, 2007, consisting of reimbursements for expenses incurred under the NSIP program was \$2,929. Also a receivable of \$2,728 was due from North Delta, which consisted of reimbursements for expenses incurred. \$7,500 for sales tax collected by the Parish and \$1,600 from the sale of a van was due to the Council at year end. Finally, a year end allocation of \$25,000 was due from PCOA funds. These amounts total \$39,757.

Note 4 - Fixed Assets

Fixed asset activity for the year ended June 30, 2007 is as follows:

A note payable in the amount of \$20,030 with an interest rate of 7.35% per year was obtained to purchase the Council on Aging's building. The Council pays \$307 per month for 5 years beginning June 2002. Also, a note payable in the amount of \$20,000 with an interest rate of 11.5% was obtained for operating capital.

The loan from North Delta Regional Planning and Development was for operating expenses. It is to be paid back in two semi-annual payments with no interest due. Beginning in the year ended June 30, 2001, North Delta withheld some of the Council's expenditure reimbursement to pay down the amount owed.

Note 5-Long-Term Debt (continued)

Principal and interest requirements to retire the Council's notes payable are as follows:

Year Ended		
June 30,	Principal	Interest
2008	\$ 10,901	\$ 359
2009	2,958	<u>102</u>
Total	\$ 13.859	\$ 461

Note 6 - In-Kind Contributions

The Council received various in-kind contributions during the year. These in-kind contributions have not been recorded in the financial statements as revenues, nor has the expenditure related to the use of the in-kind been recorded. The primary in-kind contributions consisted of free rent and utilities for the senior center and meal sites, and wages and fringe benefits for volunteer workers.

Note 7 - Board of Directors' Compensation

The Board of Directors is a voluntary board; therefore, no compensation has been paid to any member. However, board members are reimbursed for out-of-town travel expenses incurred in accordance with the Council's regular personnel policy.

Note 8 - Income Tax Status

The Council, a non-profit corporation is exempt from federal income taxation under Section 501 (c) (3) of the Internal Revenue Code.

Note 9 - Litigation and Claims

There was no litigation pending against the Council at June 30, 2007, nor is the Council aware of any unasserted claims.

Note 10 - Federal Award Programs

The Council receives revenues from various federal and state grant programs that are subject to final review and approval as to the allowability of expenditures by the respective grantor agencies. These programs are audited in accordance with the Single Audit Act Amendment of 1996 and OMB Circular A-133, Audits of States, Local Governments and Non-Profit Institutions. Any settlements or expenses arising out of a final review are recognized in the period agreed upon by the agency and the Council. Also, it is management's opinion that any audits by the grantor agencies would not produce disallowed program costs and liabilities to such an extent that they would materially affect the Council's financial position.

Note 11-Economic Dependency

The Council receives the majority of its revenue from funds provided through grants administered by the Louisiana Governor's Office of Elderly Affairs. The grant amounts are appropriated each year by the federal and state governments. If significant budget cuts are made at the federal and/or state level, the amount of the funds the Council receives could be reduced significantly and have an adverse impact on its operations. Management is not aware of any actions that will adversely affect the amount of funds the Council will receive in the next fiscal year.

Note 12-Interfund Transfers

Operating transfers in and out are listed by fund for 2007:

Funds Transferred Out										
Funds <u>Transferred In</u>	Supplemental Senior Center	Senior Center	<u>NSIP</u>	General <u>Fund</u>	<u>PCOA</u>	Total In

Total Out	\$ 3,100	\$ 19,120	\$ 18,505	\$ 27,016	\$ 20,660	\$ 88,401				

Note 13-Risk Management

The Council is exposed to various risks of loss related to torts; thefts of, damage to, and destruction of assets; errors and omissions: injuries to employees; and natural disasters. The council has purchased commercial insurance to cover or reduce the risk of loss that might arise should one of these incidents occur. No settlements were made during the year that exceeded the Council's insurance coverage.

Note 14-Sales Tax Revenue

During the year ended June 30, 2003, the citizens of Tensas Parish voted a ½ cent sales tax for the Tensas Council on the Aging. The revenues collected for 2007 were \$37,500.

Note 15-Better Health for the Delta Network Planning Grant

The Council had an agreement with the Southeast Louisiana Area Health Education Center Foundation to administer a grant to plan for a local provider network to address specific health related problems. The amount of the grant for the period September 1, 2005 through August 31, 2006 was \$17.369 to be received quarterly. The Council used the grant funds to pay a health care provider to screen the elderly people that come to the Council. The grant ended during the current year and was not renewed.

Note 16-Fund Deficit

At June 30, 2007, the General Fund had a fund deficit of \$5,372. This will continue to be reduced over time due to the Council receiving a minimum of \$25,000 per year up to ten years through an Economic Development Tax Fund through the Tensas Parish Police Jury.

TENSAS COUNCIL ON AGING, INC. ST. JOSEPH, LOUISIANA NOTES TO BUDGETARY COMPARISON SCHEDULES FOR THE YEAR ENDED JUNE 30, 2007

The Council follows these procedures in establishing the budgetary data reflected in these financial statements:

The Governor's Office of Elderly Affairs (GOEA) notifies the Council each year as to the funding levels for each program's grant award.

The Executive Director prepares a proposed budget based on the funding levels provided by GOEA and then submits the budget to the Board of Directors for approval.

The Board of Directors reviews and adopts the budget before June 30th of the current year for the next year.

The adopted budget is forwarded to the Governor's Office of Elderly Affairs for final approval.

All budgetary appropriations lapse at the end of each fiscal year (June 30).

The budget is prepared on a modified accrual basis, consistent with the basis of accounting, for comparability of budgeted and actual revenues and expenditures.

Actual amounts are compared to budgeted amounts periodically during the fiscal year as a management control device.

The Council may transfer funds between line items as often as required, but must obtain prior approval for the Governor's Office of Elderly Affairs for funds received under grants from this state agency.

Expenditures cannot legally exceed appropriations on an individual level.

Amounts were not budgeted for revenues and expenses for the utility assistance fund because they were not legally required and the amount of revenues to be received under this program could not be determined.

TENSAS COUNCIL ON THE AGING, INC. ST. JOSEPH, LOUISIANA NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS FOR THE YEAR ENDED JUNE 30, 2007

1. General

The Schedule of Expenditures of Federal Awards presents the activity of all federal award programs of the Council. The Council did not pass through any of its federal awards to a subrecipient during the year.

2. Basis of Accounting

The Schedule of Expenditures of Federal Awards is presented using the accrual basis of accounting as contemplated under accounting principles generally accepted in the United States of America and which is the same basis of accounting used for presenting the general purpose financial statements. The information in this schedule is presented in accordance with the requirements of OMB Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations. Therefore, some amounts presented in this schedule may differ from amounts presented in, or used in the preparation of, the basic financial statements.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors Tensas Council on Aging, Inc. St. Joseph, Louisiana

Mailing Address: P. O. Box 2474

West Monroe, LA 71294-2474

We have audited the financial statements of Tensas Council on Aging, Inc. as of and for the year ended June 30, 2007, and have issued our report thereon dated November 19, 2007. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States

Internal Control Over Financial Reporting

In planning and performing our audit, we considered Tensas Council on Aging, Inc.'s internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Council's internal control over financial reporting. Our consideration of internal control included procedures to evaluate the design of controls relevant to an audit of financial statements and to determine whether they have been implemented, but it did not include procedures to test the operating effectiveness of controls, and accordingly, was not directed to discovering significant deficiencies in internal control. Accordingly, we do not express an opinion on the effectiveness of the Council's internal control over financial reporting.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or a combination of control deficiencies, that adversely affects the entity's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the entity's financial statements that is more than inconsequential will not be prevented or detected by the entity's internal control. We consider the deficiencies described in the accompanying schedule of findings and questioned costs to be significant deficiencies in internal control over financial reporting and are described as items 07-1 and 07-2.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the entity's internal control.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Council's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards* and which are described in the accompanying schedule of findings and questioned costs as items 07-1 and 07-2.

The Council's response to the finding identified in our audit is described in the accompanying schedule of findings and questioned costs. We did not audit the Council's response and, accordingly, we express no opinion on it.

This report is intended solely for the information of management, the Governor's Office of Elderly Affairs and the Legislative Auditor and is not intended to be or should not be used by anyone other than these specified parties. Under Louisiana Revised Statute 24:513, this report is to be distributed by the Legislative Auditor as a public document.

TENSAS COUNCIL ON THE AGING, INC SCHEDULE OF FINDINGS AND QUESTIONED COSTS FOR THE YEAR ENDED JUNE 30, 2007

Section II- Financial Statement Findings

07-1 Sale of Surplus Property via Internet-Based Web Site

Condition:

During the audit, it was noted that the Council sold a van though an internet-based auction site.

Criteria:

Sale of surplus property though an internet-based auction site is prohibited.

Effect:

Using the internet-based auction site violated the public bid law as determined by the Louisiana Attorney General opinion #06-0073 which prohibits this method of sale for surplus movable property.

Recommendation:

It is recommended that the Council not use internet-based auction sites for the sale of surplus property.

Response:

The Council will take steps to follow the auditors' recommendations.

07-2 Funds Not Deposited Timely on Sale of Surplus Property

Condition:

During the audit, it was noted that the funds collected on the sale of surplus property (van) were not deposited timely in the Council's bank account. The board member that collected the money deposited it in her personal checking account. Upon numerous requests by the executive director, the funds were eventually paid to the Council, but several months after the sale.

Criteria:

All revenue should be deposited in the Council's bank account within a few days of receipt, if not the very same day.

Effect:

Funds not immediately deposited have the risk of irregularities, whether intentional or unintentional. Also, the Council has immediate use of the funds if deposited timely.

Recommendation:

It is recommended that the Council deposit all funds received immediately to reduce the risk or misappropriation or other errors.

Response:

The Council will take steps to follow the auditors' recommendations. Also, the board member involved with the sale of the van and collection of the proceeds has resigned since year end.
