#### **INDEPENDENT AUDITOR'S REPORT**

Board of Directors Tensas Council on Aging, Inc. St. Joseph, Louisiana

#### Report on the Financial Statements

I have audited the accompanying financial statements of the governmental activities, each major fund and the aggregate remaining fund information of the Tensas Council on Aging, Inc., as of and for the year ended June 30, 2015, and the related notes to the financial statements, which collectively comprise the basic financial statements of the Council as listed in the table of contents.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

My responsibility is to express opinions on these financial statements based on my audit. I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinions.

#### **Opinions**

In my opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund and the aggregate remaining fund information for the Tensas Council on Aging, Inc., as of June 30, 2015, and the respective changes in financial position, thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

#### Other Matters

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and budgetary comparison information on pages 4 through 7 and 22 through 26 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. I have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to my inquiries, the basic financial statements, and other knowledge I obtained during the audit of the basic financial statements. I do not express an opinion or provide any assurance on the information because the limited procedures do not provide me with sufficient evidence to express an opinion or provide any assurances.

#### Other Information

My audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Tensas Council on Aging, Inc. basic financial statements. The supplemental information schedules required by GOEA are presented for purposes of additional analysis and are not a required part of the financial statements. The schedule of expenditures of federal awards is presented for purposes of additional analysis as required by U.S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, and is not a required part of the financial statements.

The combining nonmajor fund financial statements, schedule of compensation, benefits and other payments to agency head or chief executive officer and the schedule of expenditures of federal awards are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In my opinion, the combining nonmajor fund financial statements, schedule of compensation, benefits and other payments to agency head or chief executive officer and the schedule of expenditures of federal awards are fairly stated in all material respects in relation to the basic financial statements as a whole.

The introductory section has not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, I do not express an opinion or provide any assurance on it.

#### Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, I have also issued my report dated October 30, 2015, on my consideration of the Council's internal control over financial reporting and on my tests of its compliance with certain provisions of laws, regulations, contracts and grants agreements and other matters. The purpose of that report is to describe the scope of my testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Governmental Auditing Standards in considering Tensas Council on Aging's internal control over financial reporting and compliance.

#### MANAGEMENT'S DISCUSSION AND ANALYSIS

Our discussion and analysis of the Tensas Council on Aging provides an overview of the Council's activities for the year ended June 30, 2015. Please read it in conjunction with the Council's financial statements.

#### **USING THIS ANNUAL REPORT**

This annual report consists of a series of financial statements. The Statement of Net Position and the Statement of Activities provide information about the activities of the Council as a whole.

#### Reporting the Council as a Whole

#### The Statement of Net Position and the Statement of Activities

These statements include all assets and liabilities using the accrual basis of accounting, which is similar to the accounting used by most private-sector companies. All of the current year's revenues and expenses are taken into account regardless of when cash is received or paid.

These two statements report the Council's net position and changes in them. The Council's net position – the difference between assets and liabilities – measure the Council's financial position. The increase or decrease in the Council's net position are an indicator of whether its financial position is improving or deteriorating.

Rental Income	3,900	1%	0	0%
Miscellaneous	0	0%	0	0%
Totals	\$297,853	100%	\$6,086	2%

Revenues increased for the year ending June 30, 2015 due to the passage of a property tax to help fund operations.

Revenues increased for the year ending June 30, 2014 due to increase in public support and decreased in 2013 due to decrease in intergovernmental revenue.

Expenses	June 30, 2015	Percent of Total	Increase (Decrease) From June 30, 2014	Percent Increase (Decrease)
Total	\$248,421	100%	(\$29,933)	-12%
Expenses	June 30, 2014	Percent of Total	Increase (Decrease) From June 30, 2013	Percent Increase (Decrease)
Total	\$278,354	100%	(\$20,360)	-7%

The Council's expenses decreased for the year ending June 30, 2015 mainly due to decreases in food costs.

The Council's expenses decreased for the year ending June 30, 2014 due to decreases in expenses overall.

#### **BUDGETARY HIGHLIGHTS**

The Council's total revenues in fiscal year 2015 were more than the final budget by \$50,955. Only that portion of the sales tax expected to be used to cover expenses is budgeted. Actual expenses for the Council were over the final budget by \$83,126 mainly due to some capital outlay that was not budgeted during the year. The General Fund is budgeted and used in support of other programs.

#### CAPITAL ASSET AND DEBT ADMINISTRATION

#### **Capital Assets**

At the end of June 30, 2015 and 2014, the Council had \$101,419 and \$20,817 (net of depreciation) invested in capital assets including buildings and improvements, furniture and fixtures, equipment, and vehicles.

	June 30, 2015	June 30, 2014
Building & Improvements	\$64,300	\$29,300
Office Furniture & Fixtures	9,349	9,349
Vehicles	101,378	49,392
Accumulated Depreciation	(73,608)	(67,224)
Totals	\$101,419	\$20,817

The Council did not make any major purchases this fiscal year.

The Council owed \$47,089 in notes payable and accrued vacation.

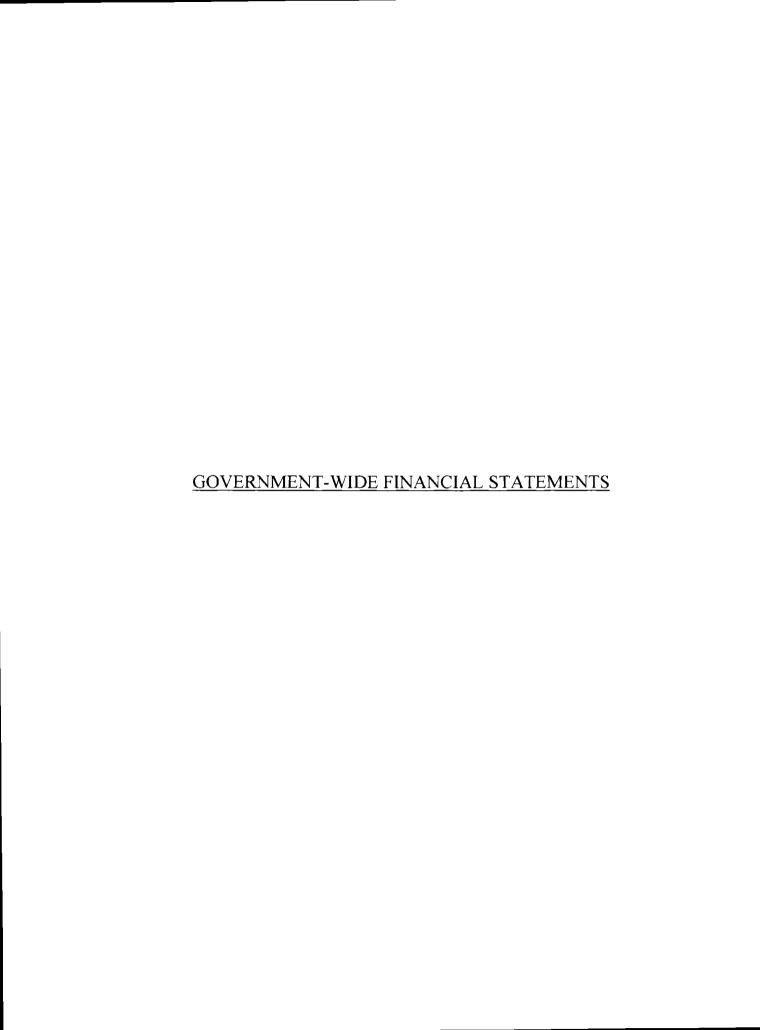

#### **ECONOMIC FACTORS AND NEXT YEAR'S BUDGETS AND REVENUES**

The Council's revenues are derived mainly from three sources, United States Department of Health and Human Services Administration on Aging through the Governor's Office of Elderly Affairs which in turn "passes through" the funds to the Council, Sales Tax and Public Support. In 2015, the Council began receiving property tax money through a millage voted on by the citizens of Tensas Parish. The Council does not anticipate any major increase or decrease in the revenues for the coming year.

#### CONTACTING THE COUNCIL'S FINANCIAL MANAGEMENT

The financial report is designed to provide our citizens, taxpayers, and creditors with a general overview of the Council's finances and to show the Council's accountability for the money it receives. If you have questions concerning this report or need additional financial information, contact the Tensas Council on Aging, PO Box 726 St. Joseph, LA 71366.

#### Note 1- Summary of Significant Accounting Policies

The financial statements of Tensas Council on the Aging, Inc. have been prepared in accordance with generally accepted accounting principles (GAAP) as applied to governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. These statements have also incorporated any applicable requirements set forth by *Audits of State and Local Governments*, the industry audit guide issued by the American Institute of Certified Public Accountants; Subsection VI-Annual Financial Reporting, accounting manual for Governor's Office of Elderly Affairs contractors, and the *Louisiana Governmental Audit Guide*. The more significant of the Council's accounting policies are described below.

#### A. Reporting Entity

In 1964, the State of Louisiana passed Act 456 that authorized the charter of voluntary councils on aging for the welfare of the aging people in their representative parishes. Charters are issued by the Louisiana Secretary of State upon approval by the Governor's Office of Elderly Affairs. The Tensas Council on the Aging, Inc. is a non-profit, quasipublic, corporation which must comply with the policies and regulations established by the Governor's Office of Elderly Affairs, the state agency which provides the Council with most of its revenues. The Council also receives revenues from other federal, state, and local government agencies that may impose certain restrictions upon how the Council can use the money that they have provided.

The primary function of Tensas Council on the Aging, Inc. is to improve the quality of life for the parish's elderly and to provide services to the elderly as well as coordinate and monitor the services of other local agencies serving the aging people of the parish. Such services include providing meals, nutritional education, information and referral services, legal assistance, homemaker services, operating senior centers, and transportation. A Board of Directors, consisting of 15 voluntary members who serve three-year terms governs the Council.

The Council is not a component unit of another primary government nor does it have any component units that are related to it. Therefore, the Council has presented its financial statements as a separate special purpose government.

#### B. Financial Reporting

The Council follows the provisions of the Governmental Accounting Standards Board Statement, Nos. 34, Basic Financial Statements – and Management's Discussion and Analysis – for State and Local Governments (Statement 34), 37, Basic Financial Statements – and Management's Discussion and Analysis – for State and Local Governments: Omnibus (Statement 37), and 38, Certain Financial Statement Note Disclosures (Statement 38), which establish the financial reporting standards for all state and local governmental entities.

#### Note 1- Summary of Significant Accounting Policies (continued)

#### B. Financial Reporting (continued)

The accompanying government-wide financial statements have been prepared using the economic resources measurement focus and the accrual basis of accounting and reflect transactions of behalf of the Council. The Council accounts for its funds as governmental funds.

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collected within the current period or soon enough thereafter to pay liabilities of the current period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures are recorded only when payment is due.

Office of Elderly Affairs funds are used to account for the proceeds of specific revenue sources that are legally restricted to expenditures for specific purposes. Most of the Council's special revenue funds are provided by GOEA. The Title III funds are provided by the United States Department of Health and Human Services Administration on Aging through the Governor's Office of Elderly Affairs which in turn "passes through" the funds to the Council.

The Council reports the following major governmental funds:

#### General Fund

The General Fund is the general operating fund of the Council. It is used to account for all financial resources except those required to be accounted for in another fund. These discretionary funds are accounted for and reported according to the source (federal, state, or local) from which they are derived. The following types of programs comprise the Council's General Fund:

#### Local Funds

Local funds are received from various local sources; such funds not being restricted to any special use.

#### PCOA (ACT 735) Funds

PCOA (Act 735) funds are appropriated for the Governor's Office of Elderly Affairs by the Louisiana Legislature for remittance to the Council on Aging. The Council may use these "Act 735" funds at its discretion provided the program is benefiting people who are at least 60.

#### Note 1- Summary of Significant Accounting Policies (continued)

#### B. Financial Reporting (continued)

#### Senior Center Fund

This program provides community service centers at which older persons receive supportive services and participate in activities which foster their independence, enhance their dignity and encourage their involvement in and with the community.

#### **Audit Funds**

These funds are used to offset the cost of the annual audit. The amount received for the years ended June 30, 2015 and 2014 was \$0 and \$546.

#### Supplemental Senior Center Fund

The Louisiana Legislature appropriated additional money for various Councils on Aging through the state to be used to supplement the primary state grant for senior centers. Tensas Council on the Aging, Inc. was one of the parish councils to receive a supplemental grant.

#### Title III-B Supportive Services Fund

This program provides access services, in-home services, community services, legal assistance and transportation for the elderly.

#### Title III C-1 Congregate Meals Fund

These funds are used to provide nutritional congregate meals to the elderly in strategically located centers.

#### Title III C-2 Home Delivered Meals Fund

These funds are used to provide nutritional meals to home-bound older persons.

#### Note 1- Summary of Significant Accounting Policies (continued)

#### B. Financial Reporting (continued)

The remaining nonmajor funds are as follows:

#### Title III-E National Family Caregiver Support

To assist in providing multifaceted systems of support services for family caregivers and grandparents or older individuals who are relative caregivers.

#### Utility Assistance Fund

The Utility Assistance fund is used to account for the administration of programs that are sponsored by local utility companies. The companies collect contributions from service customers and remit the funds to the parish Councils on Aging to provide assistance to the elderly for the payment of their utility bills.

#### C. Compensated Absences

Employees of Tensas Council on the Aging, Inc. earn from 12 to 21 days of annual leave each year with 30 days allowed to be carried over to next year, depending on their length of service and the employee's working status (full-time or part-time). Provided that funds are available, employees are compensated upon termination of employment for current-year accrued annual leave up to 30 days. Employees earn up to 12 days of sick leave each year, and can accumulate up to 60 days, depending upon whether the employee is on a part-time or full-time status. Employees are not paid for accrued sick leave at termination and no accrual has been made.

#### D. Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

#### E. Funding Policies and Sources of Funds

The Council receives its monies through various methods of funding. This program is funded under the units of service provided method. The Senior Center program and State Allocation (PCOA) and Supplemental Senior Center funds are received as a monthly allocation of the total budget (grant) in advance of the actual expenditure. The Title III-B, C-1, C-2, and E programs are funded based on actual operating cost incurred. The Council encourages and receives contributions from clients to help offset the costs of the Title III-B, C-1, and C-2 programs.

#### Note 1- Summary of Significant Accounting Policies (continued)

#### E. Funding Policies and Sources of Funds (continued)

Utility assistance funds are also provided by the Louisiana Association of Council on Aging to the Council under the Helping Hands and Heating Help Energy programs. All of the above mentioned funds, including any other miscellaneous income, are recorded as revenue when the cash is received because the Council cannot predict the timing and amount of receipt.

#### F. Fund Equity

GASB Statement No. 54 establishes standards for five fund balance classifications that comprise a hierarchy based primarily on the extent to which a government is bound to observe constraints imposed upon the use of resources reported in government funds. The nonspendable fund balance classification includes amounts that cannot be spent because they are either (a) not in spendable form – prepaid items or inventories: or (b) legally or contractually required to be maintained intact.

The spendable portion of the fund balance comprises the remaining four classifications: restricted, committed, assigned and unassigned.

Restricted Fund Balance – This classification reflects the constraints imposed on resources either (a) externally by creditors, grantors, contributors, or laws or regulations of other governments; or (b) imposed by law through constitutional provisions or enabling legislation.

Committed Fund Balance – These amounts can only be used for specific purposes pursuant to constraints imposed by formal resolutions or ordinances of the Council's board of directors – the Council's highest level of decision making authority. Those committed amounts cannot be used for any other purpose unless the board of directors remove the specified use by taking the same type of action imposing the commitment. This classification also includes contractual obligations to the extent that existing resources in the fund have been specifically committed for use in satisfying those contractual requirements.

Assigned Fund Balance – This classification reflects the amounts constrained by the council's "intent" to be used for specific purposes, but are neither restricted nor committed. The Council's board of directors and management have the authority to assign amounts to be used for specific purposes. Assigned fund balances include all remaining amounts (except negative balances) that are reported in governmental funds, other than the general fund, that are not classified as nonspendable and are neither restricted not committed.

Unassigned Fund Balance – This fund balance is the residual classification for the general fund. It is also used to report negative fund balances in other governmental funds.

When both restricted and unrestricted resources are available for use, it is the council's policy is to use externally restricted resources first, then unrestricted resources – committed, assigned and unassigned – in order as needed.

#### Note 2 - Cash and Certificates of Deposit

Custodial Credit Risk - Deposits

The custodial credit risk is the risk that in the event of a bank failure, the Council's deposits may not be returned to it. The Council's policy to ensure there is no exposure to this risk is to require each financial institution to pledge its own securities to cover any amount in excess of Federal Depository Insurance Coverage.

Louisiana Revised Statute 39:1229 imposes a statutory requirement on the custodial bank to advertise and sell the pledged securities within 10 days of being notified by the Council that the fiscal agent bank has failed to pay deposited funds upon demand. Accordingly, the Council had no custodial risk related to its deposits at June 30, 2015.

At June 30, 2015, the Council has cash and cash equivalents (book balances net of overdrafts) in the amount of \$143,164.

These deposits are stated at cost, which approximates market. Under state law, these deposits (or the resulting bank balances) must be secured by federal deposit insurance or the pledge of securities owned by the fiscal agent bank. The market value of the pledged securities plus the federal deposit insurance must at all times equal the amount on deposit with the fiscal agent.

These securities are held in the name of the pledging fiscal agent bank in a holding or custodial bank that is mutually acceptable by both parties. Cash and cash equivalents (bank balances) at June 30, 2015, are secured as follows:

Bank Balances	<u>\$ 140,049</u>
Federal Deposits Insurance Pledged Securities (Uncollateralized)	\$ 140,049 
TOTAL	\$ 140,049

#### Note 3 - Receivables

The Council on Aging had \$12,671 in accounts receivable at June 30, 2015.

#### Note 4 - Fixed Assets

Fixed asset activity for the year ended June 30, 2015 is as follows:

The loan from North Delta Regional Planning and Development was for operating expenses. It is to be paid back in two semi-annual payments with no interest due. Beginning in the year ended June 30, 2001, North Delta withheld some of the Council's expenditure reimbursement to pay down the amount owed.

#### Note 5- Long-Term Debt (continued)

Several loans from Tensas State Bank were made during the year for various amounts at various times during the year for operating purposes. The loans are at an interest rate 7.5%. Payments are \$1,180 a month and scheduled to be paid off in year ending June 30, 2016.

The vehicle loan is an interest rate of 6.20% for a period of 5 years.

Principal and interest requirements to retire the Council's notes payable obligations are as follows:

Year Ended		
<u>June 30,</u>	<u>Principal</u>	Interest
2016	\$ 18,748	\$ 1,320
2017	5,464	1,023
2018	5,262	707
2019	5,599	372
2020	2,931	54

Interest charged to expenditures for the year ended June 30, 2015 was \$2,610.

Payment of compensated absences is dependent upon many factors; therefore, the timing of future payments is not readily determinable.

#### Note 6 - In-Kind Contributions

The Council received various in-kind contributions during the year. These in-kind contributions have not been recorded in the financial statements as revenues, nor has the expenditure related to the use of the in-kind been recorded. The primary in-kind contributions consisted of free rent and utilities for the senior center and meal sites, and wages and fringe benefits for volunteer workers.

#### Note 7 - Board of Directors' Compensation

The Board of Directors is a voluntary board; therefore, no compensation has been paid to any member. However, board members are reimbursed for out-of-town travel expenses incurred in accordance with the Council's regular personnel policy.

#### Note 8 - Income Tax Status

The Council, a non-profit corporation is exempt from federal income taxation under Section 501 (c) (3) of the Internal Revenue Code. Accordingly, no provision for income taxes has been made; however, should the organization engage in activities unrelated to its exempt purpose, taxable income could result. The organization had no unrelated business income for the year ended June 30, 2015. The earliest income tax year that is subject to examination is 2011.

#### Note 9 - Litigation and Claims

There was no litigation pending against the Council at June 30, 2015, nor is the Council aware of any unasserted claims.

#### Note 10 - Federal Award Programs

The Council receives revenues from various federal and state grant programs that are subject to final review and approval as to the allowability of expenditures by the respective grantor agencies. These programs are audited in accordance with the Single Audit Act Amendment of 1996 and OMB Circular A-133, Audits of States, Local Governments and Non-Profit Institutions. Any settlements or expenses arising out of a final review are recognized in the period agreed upon by the agency and the Council. Also, it is management's opinion that any audits by the grantor agencies would not produce disallowed program costs and liabilities to such an extent that they would materially affect the Council's financial position.

#### Note 11-Economic Dependency

The Council receives the majority of its revenue from funds provided through grants administered by the Louisiana Governor's Office of Elderly Affairs. The grant amounts are appropriated each year by the federal and state governments. If significant budget cuts are made at the federal and/or state level, the amount of the funds the Council receives could be reduced significantly and have an adverse impact on its operations. Management is not aware of any actions that will adversely affect the amount of funds the Council will receive in the next fiscal year.

#### Note 12-Interfund Transfers

Operating transfers in and out are listed by fund for 2015:

Funds <u>Transferred In</u>	Supplemental Senior Center	Senior <u>Center</u>	General <u>Fund</u>	<u>PCOA</u>	<u>Total In</u>

Title III E				<del></del>	
Total Out	\$ _3,100	<u>\$ 27,957</u>	<u>\$</u>	<u>\$114,260</u>	<u>\$ 145,317</u>

#### Note 13-Risk Management

The Council is exposed to various risks of loss related to torts; thefts of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The council has purchased commercial insurance to cover or reduce the risk of loss that might arise should one of these incidents occur. No settlements were made during the year that exceeded the Council's insurance coverage.

#### Note 14-Sales Tax Revenue

During the year ended June 30, 2003, the citizens of Tensas Parish voted a  $\frac{1}{2}$  cent sales tax for the Tensas Council on the Aging. The revenues collected for 2015 were \$50,000.

#### Note 15-Property Tax Revenue

During the year, a property tax was passed by the voter of Tensas Parish to fund the services that the Council provides. The millage was for 2.13 mills and for a 10 year period. The revenues collected for 2015 were \$107,196.

#### Note 16 -Subsequent Events

Subsequent events have been evaluated through October 30, 2015, which is the day the financial statements were available to be issued, and it has been determined that no significant events have occurred for disclosure.

### TENSAS COUNCIL ON AGING, INC. ST. JOSEPH, LOUISIANA NOTES TO BUDGETARY COMPARISON SCHEDULES FOR THE YEAR ENDED JUNE 30, 2015

The Council follows these procedures in establishing the budgetary data reflected in these financial statements:

The Governor's Office of Elderly Affairs (GOEA) notifies the Council each year as to the funding levels for each program's grant award.

The Executive Director prepares a proposed budget based on the funding levels provided by GOEA and then submits the budget to the Board of Directors for approval.

The Board of Directors reviews and adopts the budget before June 30<sup>th</sup> of the current year for the next year.

The adopted budget is forwarded to the Governor's Office of Elderly Affairs for final approval.

All budgetary appropriations lapse at the end of each fiscal year (June 30).

The budget is prepared on a modified accrual basis, consistent with the basis of accounting, for comparability of budgeted and actual revenues and expenditures.

Actual amounts are compared to budgeted amounts periodically during the fiscal year as a management control device.

The Council may transfer funds between line items as often as required, but must obtain prior approval for the Governor's Office of Elderly Affairs for funds received under grants from this state agency.

Expenditures cannot legally exceed appropriations on an individual level.

Amounts were not budgeted for revenues and expenses for the utility assistance fund because they were not legally required and the amount of revenues to be received under this program could not be determined.

# TENSAS COUNCIL ON AGING, INC. ST. JOSEPH, LOUISIANA NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS FOR THE YEAR ENDED JUNE 30, 2015

#### 1. General

The Schedule of Expenditures of Federal Awards presents the activity of all federal award programs of the Council. The Council did not pass through any of its federal awards to a subrecipient during the year.

#### 2. Basis of Accounting

The Schedule of Expenditures of Federal Awards is presented using the accrual basis of accounting as contemplated under accounting principles generally accepted in the United States of America and which is the same basis of accounting used for presenting the general purpose financial statements. The information in this schedule is presented in accordance with the requirements of OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Therefore, some amounts presented in this schedule may differ from amounts presented in, or used in the preparation of, the basic financial statements.

# INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors Tensas Council on Aging, Inc. St. Joseph, Louisiana

I have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, each major fund and the aggregate remaining fund information of the Tensas Council on Aging, Inc. as of and for the year ended June 30, 2015, and the related notes to the financial statements, which collectively comprise the Tensas Council on Aging Inc.'s basic financial statements and have issued my report thereon dated October 30, 2015.

#### **Internal Control Over Financial Reporting**

In planning and performing my audit of the financial statements, I considered the Tensas Council on Aging, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing my opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Tensas Council on Aging, Inc.'s internal control. Accordingly, I do not express an opinion on the effectiveness of the Tensas Council on Aging, Inc.'s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the Council's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

My consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be material weaknesses or significant deficiencies. Given these limitations, during my audit I did not identify any deficiencies in internal control that I consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

To the Board of Directors Tensas Council on Aging, Inc. Page 2

#### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Council's financial statements are free of material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit, and accordingly, I do not express such an opinion. The results of my tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

#### Purpose of this Report

The purpose of this report is solely to describe the scope of my testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Council's internal control and compliance. Accordingly, this communication is not suitable for any other purpose. The purpose of this report is for the information of management, the Governor's Office of Elderly Affairs and the Legislative Auditor and is not intended to be or should not be used by anyone other than these specified parties. Under Louisiana Revised Statute 24:513, this report is to be distributed by the Legislative Auditor as a public document.

#### TENSAS COUNCIL ON AGING, INC SCHEDULE OF FINDINGS AND QUESTIONED COSTS FOR THE YEAR ENDED JUNE 30, 2015

To the Board of Directors Tensas Council on Aging, Inc. St. Joseph, Louisiana

I have audited the financial statements of Tensas Council on Aging, Inc. as of and for the year ended June 30, 2015, and have issued my report thereon dated October 30, 2015. I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. My audit of the financial statements as of June 30, 2015, resulted in an unqualified opinion.
