Independent Auditors' Report

**Report on the Audit of the Financial Statements**

***Opinion***

We have audited the accompanying financial Statements of Children's Coalition for Northeast Louisiana, Inc. (a nonprofit Louisiana corporation) (the Coalition) which comprise the statements of financial position as of June 30, 2022 and 2021, and the related statements of activities, functional expenses and cash flows for the years then ended and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Coalition as of June 30, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards (Government Auditing Standards)*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Coalition and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Coalition's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Coalition's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Coalition's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

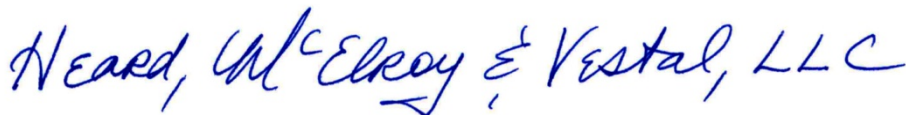

### ***Supplementary Information***

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary information on page 27 is presented for purposes of additional analysis and is not a required part of the financial statements. The accompanying schedule of expenditures of federal awards is presented

financial statements. The information has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information on page 27 and the schedule of expenditures of federal awards is fairly stated, in all material respects, in relation to the financial statements as a whole.

**Other Reporting Required by Government Auditing Standards**

In accordance with *Government Auditing Standards*, we have also issued our report dated December 27, 2022 on our consideration of the Coalition's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Coalition's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Coalition's internal control over financial reporting and compliance.

**CHILDREN'S COALITION FOR NORTHEAST LOUISIANA, INC**  
**NOTES TO FINANCIAL STATEMENTS**  
**FOR THE YEARS ENDED JUNE 30, 2022 AND 2021**

**NOTE 1 – DESCRIPTION OF ORGANIZATION**

Children's Coalition for Northeast Louisiana, Inc. - a voluntary health and welfare organization (the Coalition) was established in 2000 to act as a coordinating agency to develop a comprehensive and integrated system of resources that support children and their families as they live and grow to their full potential.

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The accounting policies of the Coalition conform to generally accepted accounting principles as applicable to voluntary health and welfare organizations. The more significant accounting policies of the Coalition are described below:

*A. Basis of Presentation*

The financial statements have been prepared on an accrual basis of accounting in accordance with generally accepted accounting principles.

The Coalition has adopted Accounting Standards Update (ASU) No. 2016-14, *Not-for-Profit Entities (Topic 958): Presentation of Financial Statements of Not-for-Profit Entities* which establishes standards for external financial reporting by not-for-profit organizations and requires that resources be classified for accounting and reporting purposes into two net asset categories according to externally (donor) imposed restrictions. ASC section 958-605 *Not-for-Profit Entities, Revenue Recognition* requires that unconditional promises to give (pledges) be recorded as receivables and revenues and requires the organization to distinguish between contributions received for each net asset category in accordance with donor-imposed restrictions.

Net Assets Without Donor Restriction – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.

Net Assets With Donor Restrictions – Net assets subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

*B. Revenue and Revenue Recognition*

In accordance with FASB ASC 958-205, *Not-For-Profit Entities – Revenue Recognition*, contributions received are recorded as net assets without donor restrictions or net assets with donor restrictions depending upon the existence of donor-imposed restrictions. The Coalition has elected to recognize restricted contributions that are released from the restriction in the same year as unrestricted contributions.

The Organization recognizes revenue from events at the time of admission. Membership dues, which are nonrefundable, are considered to be contributions and are recognized immediately.

**CHILDREN'S COALITION FOR NORTHEAST LOUISIANA, INC**  
**NOTES TO FINANCIAL STATEMENTS**  
**FOR THE YEARS ENDED JUNE 30, 2022 AND 2021**

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

*B. Revenue and Revenue Recognition (Continued)*

A portion of the Organization's revenue is derived from cost-reimbursable federal and state contracts and grants, which are conditioned upon certain performance requirements and/or incurrence of allowable qualifying expenses. Amounts received are recognized as revenue when the Organization has incurred expenditures in compliance with specific contract or grant provisions.

The Organization has adopted Accounting Standards Update (ASU) No. 2018-08 *Not-for-Profit Entities: Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made (Topic 605)*. The Organization does not believe the application of the provisions has a material effect on the amounts presented or disclosed.

*C. Donated Services*

Members, agencies, business firms, volunteers and others contribute substantial services toward the fulfillment of projects initiated by the Coalition. No amounts have been recognized in the Statement of Activities because the criteria for recognition of such volunteer effort under ASC 958-55 have not been satisfied, except as discussed below.

In October 2014, the Coalition was awarded an Early Head Start Grant from the Department of Health and Human Services, Administration for Children and Families. This grant requires a portion of the Federal funding be matched with non-federal funds including donated services. The donated services are given a value based on federal guidelines. These donated services included in income and expenses totaled \$282,957 and \$508,855 for years ended June 30, 2022 and 2021, respectively (See Note 15 In-Kind Contributions).

In fiscal year 2022, the Organization adopted Accounting Standards Update (ASU) 2020-07, *Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets*. The new guidance requires nonprofit entities to present contributed nonfinancial assets as a separate line item in the statement of activities, apart from contributions of cash or other financial assets. The standard also increases the disclosure requirements around contributed nonfinancial assets, including disaggregating by category the types of contributed nonfinancial assets a nonprofit entity has received. Adoption of this standard did not have a significant impact on the financial statements, with the exception of the increased disclosure.

*D. Property and Equipment*

Purchases of improvements, and furniture and equipment are recorded at cost. All donated capital assets are recorded at fair market value on the date of the donation. Depreciation is computed on a straight-line basis over the useful lives of the assets using the following estimated lives:

	<u>Years</u>
Furniture and Equipment	3 – 10
Leasehold Improvements	10

**CHILDREN'S COALITION FOR NORTHEAST LOUISIANA, INC**  
**NOTES TO FINANCIAL STATEMENTS**  
**FOR THE YEARS ENDED JUNE 30, 2022 AND 2021**

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

*D. Property and Equipment (Continued)*

Expenditures for major renewals or betterments, which extend the useful lives of property, improvements, and equipment, are capitalized. Expenditures for maintenance and repairs are expensed as incurred. All expenditures for furniture and equipment in excess of \$500 were generally capitalized until November 2015. At that time, the Coalition adopted the same capitalization limit as Early Head Start, which was \$5,000. In early 2019, the Coalition adopted a new capitalization policy, which requires all physical assets acquired with unit costs in excess of \$2,000 to be capitalized.

*E. Leased Equipment Capitalized*

The imputed cost of leased equipment is capitalized and charged to earnings using the straight-line method of amortization over estimated useful lives of five years for financial reporting purposes. Generally, when items of leased property are retired or otherwise disposed of, the cost and related accumulated amortization are removed from the accounts and any resulting gain or loss is reflected in income. There were no capital leases during the 2022 fiscal year.

*F. Compensated Absences*

Employees earn forty hours of vacation after completing six months of employment. After one year, they earn eighty hours and after five years, they earn one hundred twenty hours increasing to one hundred sixty hours after ten years. Employees hired prior to January 1, 2016 earn eight days of sick leave after six months. After one year, they earn sixteen days increasing to twenty days after five years. Employees hired on or after January 1, 2016 will continue earning the same number of sick days based on the year(s) of employment, but it will be on an accrued basis per pay period.

The financial statements do not include any accrual for vacation or sick pay. The Coalition's policy is that vacation days are taken in the year accrued or compensated prior to year-end, but they can be carried over if approved by the Executive Director. Sick days may be accumulated to a maximum of 60 days; however, employees are not paid for any unused sick days upon termination.

*G. Functional Expenses*

The costs of providing the various programs and other activities have been summarized on a functional basis in the statements of activities. Specific expenses that are readily identifiable to a single program or activity are charged directly to that function. However, some expenses relate to more than one function and must be allocated among the program and supporting services benefited. Management and general expenses include those expenses that are not directly identifiable with any other specific function but provide for the overall support and direction of the Coalition. Costs associated with School Readiness Tax credits are included in fundraising expenses. The Coalition records expenses to departments and programs to facilitate the functionalization between Program Services, Management and General and Fundraising.

Depreciation	Expense percentages

*H. Liquidity*

Assets are presented in the accompanying statement of financial position according to their nearness of conversion to cash and liabilities according to the nearness of their maturity and resulting use of cash

*I. Programs*

Children’s Coalition’s principal programs and primary funding sources are:

**Healthy Living:**

**Living Well:** Funded by the Living Well Foundation, this grant provided funds to support family day events for the Spanish-speaking populations and Hispanic/Latino communities in Union and Ouachita Parishes.

**Early Childhood Education:**

**Northeast Louisiana Child Care Connections (LDOE):** Currently funded through the Louisiana Department of Education through Child Development Block Grant funds, this initiative was originally funded through the Department of Children and Family Services (DCFS). Child Care Connections is the Child Care Resource and Referral agency for 11 parishes in northeast Louisiana and provides consumer education and referral services, training for childcare providers and staff, and technical assistance in child care centers and in family child care homes. A major focus in the past year has been assisting childcare centers and consumers to navigate the changes in the system as part of the implementation of Act 3 of 2012. As the Resource and Referral agency for northeast Louisiana, the Children’s Coalition is eligible to receive Louisiana School Readiness Tax Credit funds from businesses and corporations. These funds are used to support quality and awareness of early care and education.

**Early Childhood Curriculum Certification Reimbursement (LDOE):** As part of the work done by Child Care Connections, the Louisiana Department of Education provided partial funding to Type III Child Care Centers to purchase approved Early Childhood Curriculum. Centers applied to Child Care Connections for 80% reimbursement from the state for curriculum purchased.

**Mental Health Consultation (Tulane):** Funding from the Tulane Institute for Infant and Early Childhood Mental Health provides a mental health consultant to childcare centers for up to six months. **Lead Agencies (LDOE, Lead Agencies, Lead Agencies - IDEA):** The Coalition is the lead agency in four parishes in northeast Louisiana: Ouachita Parish OPENetwork, Morehouse Parish MOREnetwork, Richland Parish RICHNetwork, and East Carroll Parish EAST CARROLL Network. Originally listed as separate network “pilots” in the budget, the funding is now under one budget heading. The Lead Agency works with all publicly funded early childhood programs in each parish: Type III childcare centers, public school PreK, NSECD, Head Start and Early Head Start (where available). The Lead Agency is charged to coordinate enrollment and assessment as part of the full implementation of the Louisiana Early Childhood Act (Act 3 of 2012).

**PK-Expansion Classrooms (LDOE):** Louisiana was one of 13 States awarded by the Department of Education (DoE) to expand high-quality preschool programs in targeted communities that would serve as models for expanding preschool to all 4-year-olds from low- and moderate-income families. Ouachita Parish was one of six community networks chosen by the Louisiana Department of Education to implement the PK-Expansion grant in Monroe City Schools. The grant is a four-year award that provides 50 PK slots to families with at-risk children in a quality early learning center with a credentialed teacher who receives coaching and professional development. The grant is in its sixth year of implementation. As of 2020, the grant from LDOE has ended, but it now being funded through an MOU with one charter school downsizing to one classroom

**Ancillary Teaching Certificate/Believe and Prepare (LDOE):** This is a pilot program to develop and implement curricula in support of early childhood educators who are pursuing their ancillary teaching certificate and national CDA certification. The Ancillary Teaching Certificate implementation is funded by Pathways scholarships for a cohort of 20 early educators which began in FY 2016-2017 and its currently in its 8<sup>th</sup> cohort.

**Early Childhood Comprehensive Systems (ECCS) Morehouse Kids 1<sup>st</sup> (HRSA, LDH):** This is the fifth year of a five-year award from Health Resources and Services Administration (HRSA) through the Louisiana Department of Health (LDH). Children’s Coalition is one of two agencies working with the State in a national collaborative to build capacity for and test the validity of innovative strategies that increase school readiness for three-year-old children in Morehouse Parish.

**Family Child Care Stipend (LDOE):** This is a one-time funding to pay home-based child care pilot participants stipends as an incentive for participating in the family child care pilot program. The Children’s Coalition is one of two agencies participating in order for the Louisiana Department of Education to learn more about the quality of family child care. These stipends were made possible by the Preschool Development Grant Birth to Five (PDG B-5).

**Ready Start Community Networks (LDOE):** To address current challenges faced by early childhood community network lead agencies, Louisiana’s legislature amended RS 17:407.23 during the 2018 regular legislative session. This legislation authorized Louisiana’s Board of Elementary and Secondary Education (BESE) to use available public and private funds to implement new strategies to increase access to and improve the quality of early childhood care and education programs by establishing pilot programs in high-performing community networks. These pilot programs will inform the advancement of Louisiana’s unified early childhood care and education system.

*J. Income Taxes*

The Coalition is exempt from income tax under Section 501(c)(3) of the Internal Revenue Code but must file an annual return with the Internal Revenue Service that contains information on its financial operations. The Coalition is required to review various tax positions it has taken with respect to its exempt status and determine whether in fact it continues to qualify as a tax-exempt entity. It must also consider whether it has nexus in jurisdictions in which it has income and whether a tax return is required in those jurisdictions.

In addition, as a tax-exempt entity, the Coalition must assess whether it has any tax positions associated with unrelated business income subject to income tax. The Coalition does not expect any of these tax positions to change significantly over the next twelve months. Any penalties related to late filing or other requirements would be recognized as penalties expense in the Coalition's accounting records.

The Coalition's financial instruments consist of cash (restricted and unrestricted), receivables, accounts payable, and other current liabilities. The carrying values of these instruments approximate their fair values.

**CONCENTRATIONS OF CREDIT RISK**

The Coalition has concentrated credit risk for cash by maintaining deposits in one bank. At June 30, 2022, there were deposits of approximately \$2,402,167 in deposit liabilities reported by the bank in excess of the amount that would have been covered by federal insurance.

**COLLATERALIZATION POLICY**

The Coalition does not require collateral to support financial instruments subject to credit risk unless otherwise disclosed.

**CHILDREN'S COALITION FOR NORTHEAST LOUISIANA, INC**  
**NOTES TO FINANCIAL STATEMENTS**  
**FOR THE YEARS ENDED JUNE 30, 2022 AND 2021**

**NOTE 9 – SIMPLE-IRA PLAN**

Effective June 5, 2014, the Coalition adopted a SIMPLE-IRA Plan for eligible employees, with employee contributions beginning with July, 2014 payrolls. Currently eligible employees are those who are expected to receive at least \$5,000 in compensation in the current year. The Coalition matches employee contributions up to 3% of employee compensation. Employer contributions for the years ending June 30, 2022 and 2021 were \$25,787 and \$25,009 respectively.

**NOTE 10 – DISCLOSURES ABOUT CONCENTRATIONS**

The Coalition receives the majority of its revenue in the form of grants from various Federal and State agencies. These grants are subject to review by the grantor agencies, which could result in disallowed costs, and there are no guarantees as to future funding.

During the fiscal years ended June 30, 2022 and 2021, the Coalition received \$904,100 and \$812,500 respectively from School Readiness Tax Credits, a tax credit from the state of Louisiana. This tax credit depends on a number of factors including businesses being willing to give the Coalition donations and the Louisiana State Legislature continuing the credit in future years. As with the above-mentioned grants, there are no guarantees of future income.

The Children's Coalition was awarded a grant from the Department of Health and Human Services, Administration for Children and Families for \$4,776,486 for Early Head Start for the period August 1, 2014 through May 31, 2020, effective beginning October 1, 2014. This award was renewed for another five years, ending on May 31, 2025.

On February 2018, the Coalition was awarded an additional \$2,235,530 for Early Head Start Expansion for the period March 1, 2017 through August, 31, 2021. This award was renewed for another five years, ending on August 31, 2026.

**NOTE 11 – RISK OF LOSS**

The Coalition is exposed to a variety of risks that may result in losses. These risks may include possible loss from acts of God, injury to employees, property damage, or breach of contract. The Coalition finances these potential losses through purchasing insurance. The level of coverage has remained constant.

**NOTE 12 – ACCOUNTING POLICIES NOT YET ADOPTED**

In February 2016, the FASB issued ASU No. 2016-02, "Leases: (Topic 842). Under the new guidance, lessees will be required to recognize the following for all leases (with the exception of short-term leases) at the commencement date:

- Lease liability, which is a lessee's obligation to make lease payments arising from a lease, measured on a discounted basis; and
- A right-of-use asset, which is an asset that represents the lessee's right to use, or control the use of, a specified asset for the lease term.

**NOTES TO FINANCIAL STATEMENTS**  
**FOR THE YEARS ENDED JUNE 30, 2022 AND 2021**

**NOTE 12 – ACCOUNTING POLICIES NOT YET ADOPTED (Continued)**

Additional qualitative and quantitative disclosures will be required so that users can understand more about the nature of an entity's leasing activities. Also, the new lease guidance simplified the accounting for sale and leaseback transactions primarily because lessees must recognize lease assets and lease liabilities. Lessees will no longer be provided with a source of off-balance sheet financing.

Lessees (for capital and operating leases) and lessors (for sale-type, direct financing, and operating leases) must apply a modified retrospective transition approach for leases existing at, or entered into after, the beginning of the earliest comparative period presented in the financial statements. The modified retrospective approach would not require any transition accounting for leases that expired before the earliest comparative period presented. ASU No. 2016-02 will be effective for fiscal years beginning after December 15, 2021, and interim periods within fiscal years beginning after December 15, 2022. The Coalition is currently evaluating the potential impact of adopting this guidance on its financial statements.

**NOTE 13 – UNCERTAINTIES ARISING DUE TO THE PANDEMIC**

In March 2020, the World Health Organization declared the coronavirus outbreak a pandemic. Actions taken around the world to help mitigate the spread of the coronavirus include restrictions on travel, quarantines in certain areas, and forced closures for certain types of public places and business.

The coronavirus and actions taken to mitigate it have had and are expected to continue to have an adverse impact on the economies and financial markets of many countries, including the geographical area in which the Organization operates. While it is unknown how long these conditions will last and what the complete financial effect will be to the Organization, it is continuing to maintain flexibility in its operations to effectively manage the risks presented by the pandemic.

**NOTE 14 – SUBSEQUENT EVENTS**

Management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through December 27, 2022, which is the date the financial statements were available to be issued and have been appropriately recorded or disclosed.

In October 2022, the Coalition was awarded additional funds to expand the Family Resource Center program in partnership with The Wellspring for NELA. The total grant award is \$918,933, with The Wellspring being subrecipient of the award.

Independent Auditor's Report on Internal Control Over Financial Reporting and on  
Compliance and Other Matters Based on an Audit of Financial Statements  
Performed in Accordance with *Government Auditing Standards*

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of Children's Coalition for Northeast Louisiana, Inc. (a non-profit organization), which comprise the statement of financial position as of June 30, 2022, and the related statements of activities, cash flows and functional expenses for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated December 27, 2022.

**Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered Children's Coalition for Northeast Louisiana, Inc.'s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Children's Coalition for Northeast Louisiana, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Children's Coalition for Northeast Louisiana, Inc.'s internal control.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Organization's financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

## Compliance and Other Matters

As part of obtaining reasonable assurance about whether Children's Coalition for Northeast Louisiana, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

## Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Independent Auditor's Report on Compliance for Each Major Federal Program  
and on Internal Control Over Compliance Required by The Uniform Guidance

**Report on Compliance for Each Major Federal Program**

***Opinion on Each Major Federal Program***

We have audited the Children's Coalition for Northeast Louisiana, Inc.'s compliance with the types of compliance requirements identified as subject to audit in the *OMB Compliance Supplement* that could have a direct and material effect on each of Children's Coalition for Northeast Louisiana, Inc.'s major federal programs for the year ended June 30, 2022. Children's Coalition for Northeast Louisiana, Inc.'s major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Children's Coalition for Northeast Louisiana, Inc. complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2022.

***Basis for Opinion on Each Major Federal Program***

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States (*Governmental Auditing Standards*); and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance)) Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Children's Coalition for Northeast Louisiana, Inc. and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the Children's Coalition for Northeast Louisiana, Inc.'s compliance with the compliance requirements referred to above.

### ***Responsibilities of Management for Compliance***

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the Children's Coalition for Northeast Louisiana, Inc.'s federal programs.

### ***Auditor's Responsibilities for the Audit of Compliance***

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Children's Coalition for Northeast Louisiana, Inc.'s compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Children's Coalition for Northeast Louisiana, Inc.'s compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Children's Coalition for Northeast Louisiana, Inc.'s compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Children's Coalition for Northeast Louisiana, Inc.'s internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the Children's Coalition for Northeast Louisiana, Inc.'s internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

### **Report on Internal Control Over Compliance**

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a

federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

#### **Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance**

We have audited the financial statements of the Children's Coalition for Northeast Louisiana, Inc., as of and for the year ended June 30, 2022, and the related notes to the financial statements, which collectively comprise the Children's Coalition for Northeast Louisiana, Inc.'s basic financial statements. We issued our report thereon dated December 27, 2022, which contained unmodified opinions on those financial statements. Our audit was performed for the purpose of forming opinions on the financial statements that collectively comprise the basic financial statements. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by the Uniform Guidance and is not a required part of the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated in all material respects in relation to the basic financial statements as a whole.
