**INDEPENDENT ACCOUNTANT'S SPECIFIED PROCEDURES REPORT**

To the Members  
Tensas Parish School Board  
St. Joseph, Louisiana

We have applied the procedures described below to the Minimum Foundation Program student membership data of the Tensas Parish School Board as of October 1, 1997. Our procedures and findings are summarized below:

- 1) We verified student enrollment on October 1, 1997 at all six schools in Tensas Parish.
- 2) We obtained the principal's list of students enrolled as of October 1, 1997. The students were listed by their homerooms.
- 3) We called roll in every home room of the schools selected (100% verification).
- 4) While completing each roll call, the homeroom lists were matched and reconciled with the Student Information Systems reports of Student Membership as of October 1, 1997. The reconciliations were completed by using the principal's attendance reports for additions, drops, and transfers from the beginning of school through October 1, 1997.
- 5) Students absent were agreed to the homeroom teacher's roll book.
- 6) The Student Information Systems Report was reviewed to determine whether the reporting documents submitted by the school system are in accordance with the rules and regulations of the State Department of Education.
- 7) The results of our procedures is as follows:
  - A) Covered 100% of the schools in the system.
  - B) Covered 100% of the students in the selected schools.
  - C) Covered 100% of the total students enrolled in the Tensas Parish School Board System.

With respect to items raised regarding the student counts and other information by the Tensas Parish School Board, the results of these procedures disclosed no material instances of noncompliance with the requirements described in the first paragraph of this report.
