I have compiled the accompanying statement of financial position of Children Unlimited, Inc. (a nonprofit corporation) as of June 30, 2001, and the related statements of activities and cash flow for the year then ended, in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants.

A compilation is limited to presenting in the form of financial statements information that is the representation of the owners. I have not audited or reviewed the accompanying financial statements and, accordingly, do not express an opinion or any other form of assurance on them.

As discussed in Note 13 to the financial statements, certain errors resulting in an understatement of management and general expenses as of June 30, 2001, were discovered subsequent to the issuance of my report on those financial statements dated November 30, 2001. Accordingly, the accompanying June 30, 2001 financial statements have been restated to correct the error.

Children Unlimited, Inc.
Notes to the Financial Statements
For the Year Ended June 30, 2001

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

Children Unlimited, Inc. was established in 1987 and received its tax exempt status as a 501 (c)(3) organization in October, 1990, to promote the general welfare of all mentally challenged persons. Its programs are designed to assist and train infant clients within the community. The principal programs consist of temporary care of clients and early intervention. In 2000, Children Unlimited, Inc.'s board (previously named People Unlimited, Inc.) decided to limit the scope of services to those provided to children only. Staff of Children Unlimited, Inc. established two separate corporations to bid on the contracts for services which Children Unlimited, Inc. declined to bid.

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles.

Cash Equivalents

Cash equivalents consist of short-term, highly liquid investments which are readily convertible into cash with an initial maturity of three months or less.

Restricted and Unrestricted Revenue and Support

Support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires, (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities as net assets released from restrictions. Federal grant awards are classified as refundable advances until expended for the purposes of the grants since they are conditional promises to give.

Donated Services

Children Unlimited, Inc. does not receive a significant amount of donated services.

Lease Commitment

Rent expense is recognized on a straight line basis over the term of the lease, which is not a capital lease.

Children Unlimited, Inc.
Notes to the Financial Statements
For the Year Ended June 30, 2001

Fixed Assets

Fixed assets are stated at cost. Depreciation is provided on the straight line method over the estimated useful lives of the assets. The organization capitalized expenses on property and equipment that have a useful life longer than one year.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

2. PROPERTY AND EQUIPMENT

Unrestricted - there were no unrestricted capitalized land, buildings, or equipment as of June 30, 2001.

Temporarily restricted - the organization purchased several furniture pieces such as a hutch, a desk, and book cases as of June 30, 2001.

Permanently restricted - there were no permanently restricted land, buildings, or equipment as of June 30, 2001.

The following is a schedule of additions and deletions for the year ended June 30, 2001:

	<u>Balance</u> <u>6/30/00</u>	<u>Additions</u>	<u>Deletions</u>	<u>Balance</u> <u>6/30/01</u>

Vehicle	68,956			68,956
Less accumulated depreciation	<u>(82,080)</u>	<u>(25,339)</u>		<u>(107,419)</u>
Total	<u>\$61,409</u>	<u>(\$22,830)</u>	<u>\$0</u>	<u>\$38,579</u>

3. COMPENSATED ABSENCES

Accrued compensated absences consist of unpaid sick leave and personal leave as follows:

Sick leave	\$757
Personal leave	<u>2,244</u>
Total	<u>\$3,001</u>

Children Unlimited, Inc.
Notes to the Financial Statements
For the Year Ended June 30, 2001

4. FUNCTIONAL EXPENSES

Expenses that can be identified with a specific program and support service are allocated directly according to their natural expense classification. Other expenses that are common to several functions are allocated by various statistical bases.

5. PROGRAMS

The organization's principal programs and primary funding sources are:

Early Intervention - this program's income is derived from the Louisiana Department of Health and Hospitals and U.S. Department of Education. This program provides training and therapeutic services to disabled infants, ages 0 to 3 years.

6. TAX-EXEMPT STATUS

The organization is exempt from income tax under Section 501 (c)(3) of the Internal Revenue Code and, therefore, has no provision for federal income taxes. Contributions to the organization are tax deductible within the limitations prescribed by the Code.

7. RESTRICTIONS ON NET ASSETS

The only restricted assets owned by Children Unlimited, Inc. are fixed assets.

8. LEASES

There were no capital leases at June 30, 2001. All other facilities are rented on a month to month basis.

9. SCHEDULE OF STATE GRANT FINANCIAL ASSISTANCE

12. POSTEMPLOYMENT BENEFITS

Children Unlimited, Inc. provides certain retirement benefits to employees. All employees receiving at least \$5,000 in compensation during any two prior years and who are reasonably expected to receive at least \$5,000 in compensation during the current year are eligible to participate in the plan pursuant to the terms of the plan, unless any such employees are members of a properly excluded class. A matching contribution equal to 100% of the employee's salary savings contributions up to a limit of 3% of the employee's plan-defined compensation for the year will be made by the employer to the SIMPLE retirement account.

13. REISSUED REPORT

Subsequent to the issuance of the report dated November 30, 2001, it was later determined that there were additional expenses that were inadvertently left off of the audit report, which resulted in an understatement of management and general expenses of \$35,248. The report has been reissued to include that data.

To the Management of Children Unlimited, Inc.

I have performed the procedures included in the *Louisiana Government Audit Guide* and enumerated below, which were agreed to by management of Children Unlimited, Inc., the Legislative Auditor, State of Louisiana, and applicable state grantor agency/agencies solely to assist the users in evaluating management's assertions about Children Unlimited, Inc.'s compliance with certain laws and regulations during the period ended June 30, 2001, included in the accompanying *Louisiana Attestation Questionnaire*. This agreed-upon procedures engagement was performed in accordance with standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of the specified users of the report. Consequently, I make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested of for any other purpose.

Federal, State, and Local Awards

1. Determine the amount of Federal, state, and local award expenditures for the fiscal year, by grant and grant year.

Children Unlimited, Inc.'s award expenditures for all programs for the fiscal year follow:

<u>Grant Name</u>	<u>Grant Year</u>	<u>CFDA No.</u>	<u>Amount</u>
Part C	7/1/00-6/30/01	84.181A	\$47,825
Infant Habilitation	7/1/00-6/30/01	N/A	92,217
Medicaid	7/1/00-6/30/01	N/A	41,732

2. For each Federal, state, and local award, I randomly selected 6 disbursements from each award administered during the period under examination, provided that no more than 30 disbursements would be selected.
3. For the items selected in procedure 2, I traced the eighteen disbursements to supporting documentation as to proper amount and payee.

I examined supporting documentation for sixteen of the eighteen selected disbursements and found that payment was for the proper amount and made to the correct payee.

4. For the items selected in procedure 2, I determined if the eighteen disbursements were properly coded to the correct fund and general ledger account.

All eighteen of the payments were properly coded to the correct fund and general ledger account.

5. For the items selected in procedure 2, I determined whether the eighteen disbursements received approval from proper authorities.

Inspection of documentation supporting sixteen of the eighteen selected disbursements indicated approvals from the president. The two disbursements without supporting documentation had checks signed by the president.

6. For the items selected in procedure 2: for Federal awards, I determined whether the disbursements complied with the applicable specific program compliance requirements summarized in the *Compliance Supplement* (or contained in the grant agreement, if the program is not included in the *Compliance Supplement*) and for state and local awards, I determined whether the disbursements complied with the grant agreement, relating to:

Activities allowed or unallowed:

I reviewed the previously listed disbursements for types of services allowed or not allowed. All checks selected complied with the allowability requirements because the service rendered met the goals of the program.

Eligibility

I reviewed the previously listed disbursements for eligibility requirements. All checks selected complied with the eligibility requirements because the individuals who received the service earned an income that did not exceed the program guidelines.

Reporting

I reviewed the previously listed disbursements for reporting requirements. All checks selected complied with the reporting requirements because the checks could be traced to a *Request for Advance or Reimbursement Reports*.

7. For the programs selected for testing in item (2) that had been closed out during the period under review, I compared the close-out report, when required, with the entity's financial records to determine whether the amounts agree.

The eighteen disbursements selected did not include any programs that were closed out during the period of my review.

Meetings

8. I examined evidence indicating that agendas for meetings recorded in the minute book were posted as an open meeting as required by LSA-RS 42:1 through 42:12 (the open meetings law).

Children Unlimited, Inc. is only required to post a notice of each meeting and the accompanying agenda on the door of Children Unlimited, Inc.'s office building. Although management has asserted that such documents were properly posted, I could find no evidence supporting such assertions other than an unmarked copy of the notices and agendas.

Comprehensive Budget

9. For all grants exceeding five thousand dollars, I determined that each applicable federal, state, or local grantor agency was provided with a comprehensive budget of those grants that included the purpose and duration, and for state grants included specific goals and objectives and measures of performance.

Children Unlimited, Inc. provided comprehensive budgets to the applicable state grantor agencies for the programs mentioned previously. These budgets specified the anticipated uses of the funds, estimates of the duration of the projects, and plans showing specific goals and objectives that included measures of performance.

Prior Comments and Recommendations

10. I reviewed any prior-year suggestions, recommendations, and/or comments to determine the extent to which such matters have been resolved.

In the audit engagement for the year ended June 30, 2000, I reported that some monies were direct deposited into the wrong company due to name changes and new companies being formed. Also, because of the name changes and new companies being formed some accounting transactions were not posted timely which prevented timely and accurate financial statements. The cost reports were presented on a different time period; therefore, the cost report and the financial statements did not agree but could be reconciled. The comment relating to the direct deposit into the incorrect company was thought to have been resolved and only one instance occurred during the year ended June 30, 2001. The transactions were entered timely and the cost report agrees to the financial statements. Management has been informed of the extent to which prior year findings have been resolved.

Miscellaneous

11. Upon my review of the grant agreements for the year ended June 30, 2001, I determined that Children Unlimited, Inc. did not name OCDD as additional insured on its liability insurance.

I was not engaged to, and did not, perform an examination, the objective of which would be the expression of an opinion on management's assertions. Accordingly, I do not express such an opinion. Had I performed additional procedures, other matters might have come to my attention that would have been reported to you.

This report is intended solely for the use of management of Children Unlimited, Inc., the Legislative Auditor (State of Louisiana), and the applicable state grantor agencies and should not be used by those who have not agreed to the procedures and taken responsibility for the sufficiency of the procedures for their purposes. Under Louisiana Revised Statute 24:513, this report is distributed by the Legislative Auditor as a public document.
