#### INDEPENDENT AUDITOR'S REPORT

Tensas Parish Sheriff and Ex-Officio Tax Collector St. Joseph, Louisiana

We have audited the accompanying financial statements of Tax Collector Agency Fund of Tensas Parish Sheriff as of and for the year ended June 30, 1999, as listed in the table of contents. These financial statements are the responsibility of the Tensas Parish Sheriff's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards; the standards applicable to financial audits contained in <u>Government Auditing Standards</u>, issued by the Comptroller General of the United States; the <u>Louisiana Governmental Audit Guide</u>, issued by the Louisiana Legislative Auditor and the Louisiana Society of Certified Public Accountants. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in note A, the Tensas Parish Sheriff is the ex-officio tax collector for the various taxing bodies within Tensas Parish, and the accompanying financial statements present information only on his activities as parish tax collector. Further, the accompanying financial statements have been prepared on the basis of cash receipts and disbursements which is a comprehensive basis of accounting other than generally accepted accounting principles.

In our opinion, the financial statements referred to in the first paragraph present fairly the assets and liabilities arising from cash transactions of Tax Collector Agency Fund of Tensas Parish Sheriff as of June 30, 1999, and the collections and distributions for the year then ended, on the basis of accounting as described in note A.

In accordance with <u>Government Auditing Standards</u>, we have also issued a report dated August 12, 1999 on our consideration of the Tax Collector Agency Fund of Tensas Parish Sheriff's internal control over financial reporting and our tests of its compliance with certain laws, regulations, contracts and grants.

# NOTES TO THE FINANCIAL STATEMENTS June 30, 1999

#### NOTE A - SUMMARY OF SIGNIFICANT ACCOUNT POLICIES

As provided by Article V, Section 27 of the Louisiana Constitution of 1974, the sheriff is the ex-officio tax collector of the parish and is responsible for the collection and distribution of ad valorem property taxes, state revenue sharing funds, refuge revenue sharing, and angling, hunting, and trapping licenses.

Louisiana Revised Statute 24:517(D) requires that the accounts of each tax collector be audited annually. Accordingly, the accompanying statement reflects financial activity of the sheriff related to his responsibility as ex-officio tax collector. Amounts included in this report are also included in the sheriff's annual general-purpose financial statements.

The accounts of the tax collector are established to reflect the collections imposed by law, distributions pursuant to such law, and unsettled balances due various taxing bodies and others. The accompanying financial statement has been prepared on the cash basis of accounting, with collections recognized when received and distributions reflected when paid.

Cash and cash equivalents consist of cash in interest bearing bank demand deposits. State law authorizes the sheriff to deposit tax collections in a bank domiciled in the parish where the funds are collected. At June 30, 1999, the sheriff has \$63,978 (bank balances) on deposit with a local financial institution in interest bearing demand accounts. These cash balances, representing unsettled tax and license collections, and interest earned are fully secured through federal deposit insurance.

# SCHEDULE OF FINDINGS AND QUESTIONED COSTS June 30, 1999

#### A. Summary of Audit Results

- The auditor's report expresses an unqualified opinion on the general-purpose financial statements
  of the Tensas Parish Tax Collector.
- The reportable condition in internal control disclosed during the audit of the general purpose financial statements is reported in the Report on Compliance and on Internal Control over Financial Reporting Based On An Audit Of Financial Statements Performed In Accordance With Government Auditing Standards. The condition is reported as a material weakness. (See 99-1 in Part B of this Schedule)
- The results of our tests disclosed no instances of noncompliance material to the general purpose financial statements which were required to be reported in the Report On Compliance And Internal Control Over Financial Reporting Based On An Audit Of Financial Statements Performed In Accordance With Government Auditing Standards.

#### B. Findings - Financial Statement Audit

#### 99-1 SEGREGATION OF DUTIES

Due to the size of the Tensas Parish Tax Collector administrative and accounting staff, there is an insufficient segregation of duties to have an effective internal control.

Since the costs of an internal control system should not outweigh the benefits derived from it, we can only recommend that the tax collector's office consider and analyze the costs versus the benefits associated with hiring additional administrative/accounting personnel.

Management of the Tax Collector's office concurs with the finding. Management has hired additional accounting personnel, but due to budget and staff limitations, additional personnel needed to have a complete segregation of duties can not be accomplished at this time.

REPORT ON COMPLIANCE AND ON INTERNAL CONTROL OVER FINANCIAL REPORTING BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Tensas Parish Shcriff and Ex-Officio Tax Collector St. Joseph, Louisiana

We have audited the financial statements of Tax Collector Agency Fund of Tensas Parish Sheriff, as of and for the year ended June 30, 1999, and have issued our report thereon dated August 12, 1999. We conducted our audit in accordance with generally accepted auditing standards; the standards applicable to financial audits contained in <u>Government Auditing Standards</u>, issued by the Comptroller General of the United States; and <u>Louisiana Governmental Audit Guide</u>, issued by the Louisiana Legislative Auditor and Louisiana Society of Certified Public Accountants.

#### Compliance

As part of obtaining reasonable assurance about whether Tax Collector Agency Fund of Tensas Parish Sheriff's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under <u>Government Auditing Standards</u>.

#### Internal Control Over Financial Reporting

In planning and performing our audit, we considered Tax Collector Agency Fund of Tensas Parish Sheriff's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. However, we noted certain matters involving the internal control over financial reporting and its operation that we consider to be reportable conditions. Reportable conditions involve matters coming to our attention relating to significant deficiencies in the design or operation of the internal

control over financial reporting that, in our judgement, could adversely affect Tax Collector Agency Fund of Tensas parish Sheriff's ability to record, process, summarize and report financial data consistent with the assertions of management in the financial statements. A reportable condition is described in the accompanying schedule of findings and questioned costs as item 99-1.

A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control that might be reportable conditions and, accordingly, would not necessarily disclose all reportable conditions that are also considered to be material weaknesses. However, we consider the reportable condition 99-1 to be material weaknesses.

This report is intended for the information of the management of the Tensas Parish Sheriff, Legislative Auditor, and federal awarding agencies and pass-through entities. However, this report is a matter of public record and its distribution is not limited.
