INDEPENDENT AUDITOR'S REPORT

Honorable Jerry Jones
District Attorney of the Fourth Judicial District
State of Louisiana
A Component Unit of the Morehouse and Ouachita Parish Police Juries

Report on the Financial Statements

We have audited the accompanying basic financial statements of the District Attorney of the Fourth Judicial District, a Component Unit of the Morehouse and Ouachita Parish Police Juries, State of Louisiana, as of and for the year ended December 31, 2014, and the related notes to the financial statements, which collectively comprise the District Attorney of the Fourth Judicial District, a Component Unit of the Morehouse and Ouachita Parish Police Juries, State of Louisiana basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the basic financial statements referred to above present fairly, in all material respects, the financial position of the governmental activities and each major fund of the District Attorney of the Fourth Judicial District, a Component Unit of the Morehouse and Ouachita Parish Police Juries, State of Louisiana, as of December 31, 2014, and the respective changes in financial position for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussions and analysis and budgetary comparison information on pages 8-13 and page 35 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Act 706 of the Louisiana 2014 Legislative Session requires that the Schedule of Compensation, Reimbursements, Benefits and Other Payments to Agency Head, Political Subdivision Head or Chief Executive Officer on page 36 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is presented for purposes of additional analysis and is required by Louisiana State Law, as it considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the Schedule of Compensation, Reimbursements, Benefits and Other Payments to Agency Head, Political Subdivision Head or Chief Executive Officer, in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basis financial statements, and other knowledge we obtained during our audit of the basis financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

In accordance with *Government Auditing Standards*, we have also issued our report dated June 11, 2015, on our consideration of District Attorney of the Fourth Judicial District, a Component Unit of the Morehouse and Ouachita Parish Police Juries, State of Louisiana, internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants. The purpose of that report is to describe the scope of our testing internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering District Attorney of the Fourth Judicial District, a Component Unit of the Morehouse and Ouachita Parish Police Juries, State of Louisiana, internal control over financial reporting and compliance.

Report on Schedule of Expenditures of Federal Awards Required by OMB Circular A-133

We have audited the basic financial statements of the District Attorney of the Fourth Judicial District, a Component Unit of the Morehouse and Ouachita Parish Police Juries, State of Louisiana, of and for the year ended December 31, 2014, and the related notes to the financial statements, which collectively comprise District Attorney of the Fourth Judicial District, a Component Unit of the Morehouse and Ouachita Parish Police Juries, State of Louisiana, financial statements. We issued our report thereon dated June 10, 2015, which contained unmodified opinions on those financial statements. Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the basic financial statements. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by OMB Circular A-133 and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated in all material respects in relation to the basic financial statements as a whole.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Honorable Jerry Jones
District Attorney of the Fourth Judicial District
State of Louisiana
A Component Unit of the Morehouse and Ouachita Parish Police Juries

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, the basic financial statements of the District Attorney of the Fourth Judicial District, a Component Unit of the Morehouse and Ouachita Parish Police Juries, State of Louisiana, as of and for the year ended December 31, 2014, and the related notes to the financial statements, which collectively comprise the District Attorney of the Fourth Judicial District, a Component Unit of the Morehouse and Ouachita Parish Police Juries, State of Louisiana, basic financial statements, and have issued our report thereon dated June 10, 2015.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the District Attorney of the Fourth Judicial District, a Component Unit of the Morehouse and Ouachita Parish Police Juries, State of Louisiana, internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the District Attorney of the Fourth Judicial District, a Component Unit of the Morehouse and Ouachita Parish Police Juries, State of Louisiana, internal control. Accordingly, we do not express an opinion on the effectiveness of the District Attorney of the Fourth Judicial District, a Component Unit of the Morehouse and Ouachita Parish Police Juries, State of Louisiana internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

District Attorney of the Fourth Judicial District
State of Louisiana
A Component Unit of the Morehouse and Ouachita Parish Police Juries

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the District Attorney of the Fourth Judicial District, a Component Unit of the Morehouse and Ouachita Parish Police Juries, State of Louisiana, financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY OMB CIRCULAR A-133

Honorable Jerry Jones
District Attorney of the Fourth Judicial District
State of Louisiana
A Component Unit of the Morehouse and Ouachita Parish Police Juries

Report on Compliance for Each Major Federal Program

We have audited District Attorney of the Fourth Judicial District, a Component Unit of the Morehouse and Ouachita Parish Police Juries, State of Louisiana, compliance with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement* that could have a direct and material effect on each of District Attorney of the Fourth Judicial District, A Component Unit of the Morehouse and Ouachita Parish Police Juries, State of Louisiana, major federal programs for the year ended December 31, 2014. The District Attorney of the Fourth Judicial District, A Component Unit of the Morehouse and Ouachita Parish Police Juries, State of Louisiana, major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of District Attorney of the Fourth Judicial District, A Component Unit of the Morehouse and Ouachita Parish Police Juries, State of Louisiana, major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis evidence about District Attorney of the Fourth Judicial District, A Component Unit of the Morehouse and Ouachita Parish Police Juries, State of Louisiana, compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of District Attorney of the Fourth Judicial District, A Component Unit of the Morehouse and Ouachita Parish Police Juries, State of Louisiana, compliance.

Opinion on Each Major Federal Program

In our opinion, District Attorney of the Fourth Judicial District, a Component Unit of the Morehouse and Ouachita Parish Police Juries, State of Louisiana, complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2014.

Report on Internal Control Over Compliance

Management of District Attorney of the Fourth Judicial District, a Component Unit of the Morehouse and Ouachita Parish Police Juries, State of Louisiana, is responsible for establishing and maintaining effective internal control over compliance with the types of requirements referred to above. In planning and performing our audit of compliance, we considered District Attorney of the Fourth Judicial District, a Component Unit of the Morehouse and Ouachita Parish Police Juries, State of Louisiana, internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of District Attorney of the Fourth Judicial District, a Component Unit of the Morehouse and Ouachita Parish Police Juries, State of Louisiana, internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.

Required Supplemental Information – Part I

**DISTRICT ATTORNEY OF THE FOURTH JUDICIAL DISTRICT
STATE OF LOUISIANA
A Component Unit of the Morehouse and Ouachita Parish Police Juries**

**MANAGEMENT'S DISCUSSION and ANALYSIS
DECEMBER 31, 2014**

This section of the District Attorney's annual financial report presents management's discussions and analysis of the District Attorney's financial performance during the fiscal year that ended on December 31, 2014. Please read this in conjunction with the District Attorney's financial statements, which follow this section.

Financial Highlights

The following table exhibits some of the more important highlights of the financial results from the year ended December 31, 2014:

- The District Attorney's total net position from governmental activities decreased \$503,578 from the beginning of the fiscal year as a result of operations during the year.
- During the year ended December 31, 2014, the District Attorney's revenue was \$244,954 less than the \$4,438,238 incurred as expenses.
- The cost of operating the programs of the District Attorney was \$4,438,238 which represents an increase in the costs of operations over the prior year of \$248,154 or a 5.92 percent increase.
- The general fund reported unrestricted net position of \$4,671,894.

Overview of the Financial Statements

This annual report consists of three parts – management's discussion and analysis (this section), the basic financial statements, and required supplementary information. The basic financial statements include two kinds of statements that present different views of the District Attorney's financial records:

- The first two statements are government-wide financial statements that provide both long-term and short-term information about the District Attorney's overall financial status.
- The remaining statements are fund financial statements that focus on individual parts of the District Attorney's governmental operations, reporting the District Attorney's operations in more detail than the government-wide statements.
 - The governmental funds statements tell how general government services, like public safety, were financed in the short term as well as what remains for future spending.
 - Fiduciary fund statements provide information about the financial relationships in which the District Attorney acts solely as agent for the benefit of others, to whom the resources in question belong.

The financial statements also include notes that explain some of the information in the financial statements and provide more detailed data. The statements are followed by a section of required supplementary information that further explains and supports the information in the financial statements. Exhibit 1 shows how the required parts of this annual report are arranged and relate to one another.

Exhibit 1 summarizes the major features of the District Attorney's financial statements, including the portion of the District Attorney's government they cover and the types of information they contain. The remainder of this overview section of management's discussion and analysis explains the structure of contents of each of the statements.

Government-wide Statements

The government-wide statements report information about the District Attorney as a whole using accounting methods similar to those used by private-sector companies. The Statement of Net Position presents information on all Assets, Deferred Outflows of Resources, Liabilities, and Deferred Inflows of Resources with the difference reported as Net Position. All of the current year's revenues and expense are accounted for in the statement of activities regardless of when cash is received or paid.

The two government-wide statements report the District Attorney's net position and how they have changed. Net position (the difference between the District Attorney's total assets and total liabilities) is one way to measure the District Attorney's financial health, or position.

For instance:

- Over time, increases or decreases in the District Attorney's net position is an indicator of whether its financial health is improving or deteriorating.
- To assess the overall health of the District Attorney, one needs to consider additional financial factors such as changes in the finances of the State of Louisiana and the Morehouse and Ouachita Parish Police Juries.

The government-wide financial statements of the District Attorney consist of:

- Governmental activities – all of the District Attorney's basic services are included here, such as public safety, the IV-D program and general administration.

Fund Financial Statements

The fund financial statements provide more detailed information about the District Attorney's most significant funds not the District Attorney as a whole. Funds are accounting devices that the District Attorney used to keep track of specific sources of funding and spending for particular purposes.

- Some funds are required by State law or by bond covenants.

The District Attorney has two kinds of funds:

- Governmental funds – Most of the District Attorney's basic services are included in governmental funds which focus on (1) how cash and other financial assets that can be readily converted to cash flow in and out and (2) the balances left at year end that are available for spending. Consequently, the governmental funds statements provide a detailed short-term view that helps one determine whether there are more or fewer financial resources that can be spent in the near future to finance the District Attorney's programs. Because this information does not encompass the additional long-term focus of the government-wide statements, we provide additional information at the bottom of the governmental funds statements, or on the subsequent page that explains the relationships between them.
- Fiduciary funds – The activity in these funds are excluded from the District Attorney's government-wide financial statements because the District Attorney cannot use these assets to finance its operations.

At the end of 2014, the District Attorney's governmental funds reported a combined fund balance or net position of \$5,077,813 which was \$164,920 less than 2013. The increase in net position is due to a combination of account balance changes. There was a decrease in the category of fines, fees, and bond forfeitures and a decrease in criminal court fund supplementation and an increase in grant income. In expenditures there was an increase in personnel services and a decrease in other costs.

General Fund Budgetary Highlights

During 2014, the District Attorney revised its budget. The District Attorney has prepared and published budgets that cover its governmental activities in the Special Revenue Funds included in this financial report for comparison schedules that illustrate the actual results of these funds compared to the original budget. The original budget was published in The News-Star on December 13, 2013.

Economic Factors and Next Year's Budget

The District Attorney is dependent on the State of Louisiana and the Morehouse and Ouachita Parish Police Juries for partial payment of the attorney's salaries, a portion of its overhead as well as some administrative costs. The Morehouse and Ouachita Parish Police Juries also pay the clerical salaries. These entities receive a substantial part of their revenues from taxes. The economy is not expected to generate any significant growth or reversals. The budget for 2015 is slightly less than the 2014 operating budget.

INTRODUCTION

The Louisiana Constitution of 1974, Article V, Section 14 created the judicial districts of the State, among them the Fourth Judicial District. Article V, Section 26 created the Office of the District Attorney for each of the Judicial Districts, and sets forth the duties of the office. Louisiana R.S. 16:1 establishes a District Attorney for each of the Judicial District Attorney's offices. The Fourth Judicial District Attorney exists and operates in accordance with the authorities cited.

As provided by Article V, Section 26 of the Louisiana Constitution of 1974, the District Attorney has charge of every criminal prosecution by the State in his district, is the representative of the State before the grand jury in his district, and is the legal advisor to the grand jury. He performs other duties as provided by law. The District Attorney is elected by the qualified electors of the judicial district for a term of six years. The Fourth Judicial District encompasses the parishes of Morehouse and Ouachita and their offices are located in Bastrop and Monroe.

At December 31, 2014, the Fourth Judicial District Attorney's office employs a total of one hundred twenty-six (126) persons. Thirty-five (35) of these employees are attorneys, including the district attorney himself. Six (6) of these employees are investigators, and the other eighty-five (85) are administrative and clerical personnel.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Presentation

The accompanying component unit financial statements of the Fourth Judicial District Attorney have been prepared in conformity with governmental accounting principles generally accepted in the United States of America. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The accompanying basic financial statements have been prepared in conformity with GASB Statement 34, *Basic Financial Statements—and Management's Discussion and Analysis—for State and Local Governments*, issued in June 1999.

Deferred outflows of resources and deferred inflows of resources that are required to be reported in a governmental fund balance sheet should be presented in a format that displays assets plus deferred outflows of resources, equals liabilities plus deferred inflows of resources, plus fund balance. There were no deferred outflows of resources or deferred inflows of resources in the current year. (GASB Statement 63)

The accompanying basic financial statements of the District Attorney of the Fourth Judicial District have been prepared in conformity with United States Generally Accepted Accounting Principles (GAAP) as applied to governmental units.

The schedule of expenditures of federal awards includes the federal grant activity of the District Attorney and is presented on the accrual basis. The information in this schedule is presented in accordance with the requirements of OMB Circular A-133, *Audits of State, Local Governments, and Non-Profit Organizations*. Therefore, some amounts presented in this schedule may differ from amounts presented in, or used in the preparation of, the basic financial statements.

B. Reporting Entity

The district attorney is an independent elected official; however, the district attorney is fiscally dependent on the Morehouse and Ouachita Parish Police Juries. The police juries maintain and operate the parish courthouse in which the district attorney's office is located and provides funds for equipment and furniture of the district attorney's office.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

B. Reporting Entity (Continued)

For these reasons, the district attorney was determined to be a component unit of the Ouachita Parish Police Jury, the financial reporting entity, inasmuch as it provides significantly more support to the reporting entity than does the Morehouse Parish Police Jury.

The accompanying financial statements present information only on the funds maintained by the district attorney and do not present information on the police jury, the general government services provided by that governmental unit, or the other governmental units that comprise the financial reporting entity.

C. Fund Accounting

The district attorney uses funds to maintain its financial records during the year. Fund accounting is designed to demonstrate legal compliance and to aid management by segregating transactions related to certain district attorney functions and activities. A fund is defined as a separate fiscal and accounting entity with a self-balancing set of accounts.

Governmental Funds

Governmental funds account for all or most of the district attorney's general activities. These funds focus on the sources, uses, and balances of current financial resources. Expendable assets are assigned to the various governmental funds according to the purposes for which they may be used. Current liabilities are assigned to the fund from which they will be paid. The difference between a governmental fund's assets and liabilities is reported as fund balance. In general, fund balance represents the accumulated expendable resources which may be used to finance future period programs or operations of the district attorney. The following are the district attorney's governmental funds:

General Fund - the primary operating fund of the district attorney and it accounts for all financial resources, except those required to be accounted for in other funds. The General Fund was established in compliance with Louisiana Revised Statute 15:571.11, which provides that twelve percent (12%) of the fines collected be transmitted to the District Attorney to defray the necessary expenses of that office. Louisiana Revised Statute 16:16, which became effective August 30, 1986, provides that a court cost of \$10.00 be collected to defray expenses of the District Attorney, in addition to all other fines, costs or forfeitures lawfully imposed. Louisiana Revised Statute 16:16.1, which became effective in 1997, provides that an additional court cost of \$10.00 be collected to defray expenses of the District Attorney, in addition to all other fines, costs or forfeitures lawfully imposed.

As of September 1, 1994, the Louisiana Revised Statute 15:1571.11, provided that all judgments of bond forfeiture will be paid to the District Attorney. The District Attorney will distribute these funds, thirty percent (30%) of which the District Attorney will receive, to be used in the general operating account.

As of June 22, 1993, the Louisiana Revised Statute 22:1065.1, renumbered to Revised Statute 22:822, provides that there shall be a premium on all commercial surety underwriters who write criminal bail bonds in the state of Louisiana. The District Attorney receives twenty-five (25%) of the amounts collected to be used in the general operating account.

C. Fund Accounting (Continued)

Governmental Funds (Continued)

As of August 15, 2003, the Louisiana Revised Statute 15:85.1 provided a \$15.00 fee assessed in connection with the issuance of every criminal bond posted within each parish. The fee shall be collected by the sheriff of each parish from every person seeking release by means of a criminal bond, or their designated representative. The proceeds from cases in which the criminal prosecution has been concluded shall be distributed on a quarterly basis. The District Attorney receives \$7.00 from each fee collected to be used in the general operating account.

The District Attorney also receives funding to reimburse expenditures of various programs. These programs include the Victim Assistance and other programs. Funding for these programs is made on a reimbursement basis for expenditures incurred in the performance of these programs.

Special Revenue Fund (Title IV-D) - The Special Revenue Fund consists of grants of federal and state funds from the Louisiana Department of Social Services, Office of Family Support authorized by Act 117 of 1975 to establish family and child support programs compatible with Title IV-D of the Social Security Act. The purpose of the fund is to enforce the support obligation owed by absent parents to their family and children, to locate absent parents, to establish paternity, and to obtain family and child support. All monies received by the fund are reimbursements of expenditures made by other funds and are, therefore, transferred to the expending funds leaving a zero fund balance.

Special Revenue Fund (Check Collection Fund) - The Special Revenue Fund - Check Collection Fund consists of fees collected in accordance with Louisiana Revised Statute 16:15, which provides for a specific fee whenever the District Attorney's office collects and processes a worthless check. Expenditures from this fund are at the sole discretion of the District Attorney and may be used to defray the salaries and the expenses of the office of the District Attorney, but may not be used to supplement the salary of the district attorney, himself. All monies received by the fund are reimbursements of expenditures made by other funds and are, therefore, transferred into the expending funds leaving a zero fund balance.

Fiduciary Fund (Drug Asset Forfeiture - Agency Fund) - Louisiana Revised Statute Title 40 Chapter 26 "Seizure and Controlled Dangerous Substances Property Forfeiture Act of 1989" was implemented January 1, 1990. The Drug Asset Forfeiture Fund was established for the allocation and disposition of property obtained under the provisions of the above chapter. The District Attorney may (1) retain property for official use or transfer the custody to any local, state or federal agency; (2) destroy or use for investigative purposes, any illegal or controlled substances or other contraband, upon the written approval of the District Attorney after not less than twenty days after seizure; and (3) authorize a public sale without appraisal of that which is not required by law to be destroyed and which is not harmful to the public.

Property is distributed by court order first to satisfy any security interest or lien; second to reimburse expenses of seizure; and the balance shall be allocated as follows:

- 60% to law enforcement agency(s) making the seizure,
- 20% to the criminal court fund
- 20% to District Attorney's general fund

C. Fund Accounting (Continued)

Governmental Funds (Continued)

These proceeds are to be used to further and enhance drug law enforcement. The District Attorney is required to make an annual report to the Governor, the President of the Senate, and the Speaker of the House of Representatives. This fund is subject to public audit.

Agency funds have no equity; assets are equal to liabilities and do not include revenues and expenditures for general operations.

Fiduciary Fund (Court Escrow and Victim Restitution – Agency Funds) – The District Attorney holds other funds in escrow for the Court. These funds arise from forfeitures and fines under appeal, restitution payments to victims, and other similar situations. None of these funds have drug related origins, and thus are not a part of the drug asset forfeiture fund. The District Attorney maintains these funds in escrow until the courts provide orders for their disposition or otherwise directed for victim restitution.

D. Measurement Focus/Basis of Accounting

Government – Wide Financial States

The statement of net position and the statement of activities display information about the reporting government as a whole. The government-wide financial statements were prepared using the economic resources measurement focus and the accrual basis of accounting. Revenues, expenses, gains, losses, assets and liabilities resulting from exchange or exchange-like transactions are recognized when the exchange occurs (regardless of when cash is received or disbursed). Revenues, expenses, gains, losses, assets and liabilities resulting from non-exchange transactions are recognized in accordance with the requirements of GASB No. 33, *Accounting and Financial Reporting for Non-exchange transactions*.

Program Revenues – Program revenues included in the Statement of Activities derive directly from parties outside the District Attorney’s taxpayers or citizenry, as a whole. Program revenues reduce the costs of the function to be financed from the District Attorney’s general revenues.

Revenues represented by reimbursements and incentives under the Title IV-D program are recognized and recorded when program expenditures are incurred in accordance with program guidelines. Forfeited drug assets are recorded when the court ordered Judgment of Forfeiture is received. Court cost and fees provided for in Louisiana Statutes are recorded as received in cash. Collection fees for worthless checks are recorded as received in cash. Investment earnings are recorded as earned since they are measurable and available.

Grant funds are considered to be earned to the extent of expenditures made under the provisions of the grant and, accordingly, when such funds are received they are recorded as deferred revenues until earned.

Fund Financial Statements (FFS) - The amounts reflected in the General Fund and Other Funds are accounted for using a current financial resources measurement focus. With this measurement focus, only current assets and current liabilities are generally included on the statement of net position. The statement of revenues, expenditures, and changes in fund balances reports on the sources (i.e., revenues and other financing sources) and uses (i.e., expenditures and other financing uses) of current financial resources.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

D. Measurement Focus/Basis of Accounting (Continued)

The amounts reflected in the General Fund and Other Funds use the modified accrual basis of accounting. Under the modified accrual basis of accounting, revenues are recognized when susceptible to accrual (i.e., when they become both measurable and available). Measurable means the amount of the transaction can be determined and available means collectible within the current period or soon enough thereafter to pay liabilities of the current period.

The district attorney considers all revenues available if they are collected within 60 days after the fiscal year end. Expenditures are recorded when the related fund liability is incurred, except for claims and judgments which are recognized when the obligations are expected to be liquidated with expendable available financial resources. The governmental funds use the following practices in recording revenues and expenditures:

Revenues

Commissions on fines and bond forfeitures are recorded in the year they are collected by the parish tax collectors.

Grants are recorded when the District Attorney of the Fourth Judicial District is entitled to the funds. Interest earned on investments is recorded when the investment has matured and the income is available. Substantially all other revenues are recorded when received.

Expenditures

Expenditures are generally recognized under the modified accrual basis of accounting when the related fund liability is incurred.

Other Financing Sources (Uses)

Transfers between funds that are not expected to be repaid (and any other financing source/use) are accounted for as other financing sources (uses).

E. Budgets

The district attorney uses the following budget practices:

An annual operating budget is adopted each year for the General Fund, and the same basis of accounting is used to reflect actual revenues and expenditures recognized on a basis of accounting principles generally accepted in the United States of America.

All appropriations lapse at year-end and any unexpended fund balance is carried forward into subsequent years. Formal budget integration is not employed as a management control device, and the District Attorney of the Fourth Judicial District does not use encumbrance accounting.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

E. Budgets (Continued)

No budget is prepared for the Title IV-D Reimbursements Special Revenue Fund, as all receipts are reimbursements of expenditures made by other funds and are reimbursed to those funds.

The proposed budget for the calendar year 2014 was published in The News-Star on December 18, 2013. The proposed budget was available for inspection by the public during normal business hours on December 27, 2013 when a public hearing was held. At the conclusion of the public hearing, the proposed budget was adopted. The amended budget was published in The News-Star on December 18, 2014. The amended budget was available for inspection by the public during normal business hours on December 17, 2014 thru December 29, 2014. A public hearing was held on December 30, 2014 at the office of The District Attorney. At the conclusion of the public hearing, the amended budget was adopted.

F. Cash and Cash Equivalents

Cash includes amounts in demand deposits, interest-bearing demand deposits, and time deposits. The District Attorney considers all short-term, highly liquid investments with original maturities of 90 days or less to be treated as cash equivalents. Under state law, the district attorney may deposit funds in demand deposits, interest-bearing demand deposits, or time deposits with state banks organized under Louisiana law or any other state of the United States, or under the laws of the United States.

G. Investments

Investments are limited by Louisiana Revised Statute (R.S.) 33:2955 and the district attorney's investment policy. If the original maturities of investments exceed 90 days, they are classified as investments; however, if the original maturities are 90 days or less, they are classified as cash equivalents.

The District Attorney's investments consist of certificates of deposit with original maturities that exceed 90 days. In accordance with GASB Statement No. 31, the District Attorney's general policy is to report certificates of deposit at cost.

H. Short-Term Interfund Receivables/Payables

During the course of operations, numerous transactions occur between individual funds for goods provided or services rendered. These receivables and payables are classified as due from other funds or due to other funds on the balance sheet. Short-term interfund loans are classified as interfund receivables/payables.

I. Capital Assets

Capital assets are capitalized at historical cost or estimated historical costs for assets where actual cost is not available. Donated assets, if any, are recorded as capital assets at their estimated fair market value at the date of donation. The District Attorney maintains a threshold level of \$1,000 or more for capitalizing capital assets.

Capital assets are recorded in the government-wide financial statements, but are not recorded in the fund financial statements.

Since surplus assets are sold for an immaterial amount when declared as no longer needed for public purposes, no salvage value is taken into consideration for depreciation purposes.

All capital assets are depreciated using the straight-line method over the following useful lives:

<u>Description</u>	<u>Estimated Lives</u>
Furniture and office equipment	5 years
Computer hardware	5-10 years
Telephone equipment	10 years
Vehicles	5 years

J. Compensated Absences

The district attorney has the following policy relating to vacation and sick leave:

The District Attorney does not have a formal leave and sick policy. Employees are entitled to paid vacations, paid sick days and personal days off, depending on job classification, length of service and other factors. It is impractical to estimate the amount of compensation for future absences and, accordingly, no liability has been recorded in the accompanying financial statements. The District Attorney's policy is to recognize the costs of compensated absences when actually paid to employees.

K. Restricted Net Assets

For government-wide statement of net position, net assets are reported as restricted when constraints placed on net asset use are either:

1. externally imposed by creditors (such as debt covenants), grantors, contributors, or laws or regulations of other governments; and
2. imposed by law through constitutional provisions or enabling legislation.

L. Fund Equity

In the fund financial statements, governmental fund equity is classified as fund balance and displayed in five components.

1. Nonspendable – amounts that cannot be spent either because they are in nonspendable form or because they are legally or contractually required to be maintained intact.
2. Restricted – amounts constrained to specific purposes by either a) creditors, grantors, contributors, or the laws or regulations of other governments, or b) constitutional provisions or enabling legislation.
3. Committed – amounts constrained to specific purposes by the governmental entity at its highest level of decision-making authority (District Attorney). These amounts cannot be used for any other purpose unless the government takes the same highest level action to remove or change the constraint.
4. Assigned – amounts that do not meet the criteria to be classified as restricted or committed that are intended to be used for specific purposes as established by the District Attorney or their management to which the District Attorney has delegated the authority to assign amounts for specific purposes.
5. Unassigned – all other spendable amounts.

The District Attorney establishes (and modifies or rescinds) fund balance commitments and assignments by passage of and ordinance or resolution.

The District Attorney typically uses restricted fund balances first, followed by committed, assigned and unassigned funds when expenditure is incurred for purposes for which amounts in any of these fund balance classifications could be used.

M. Encumbrances

Encumbrances accounting, under which purchase orders, contracts, and other commitments for the expenditure of monies are recorded in order to reserve that portion of the applicable appropriation, is generally used in government funds.

Based on the size of the accounts and the methods used for payments, the District Attorney does not employ encumbrance accounting.

N. Interfund Transactions

Transactions that constitute reimbursements to a fund for expenditures initially made from it that are properly applicable to another fund are recorded as expenditures in the reimbursing fund and as reductions of expenditures in the fund that is reimbursed. Nonrecurring or non-routine permanent transfers of equity are reported as residual equity transfers. All other interfund transactions are reported as transfers.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

O. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America require management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues, expenditures, and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 2 – CASH AND CASH EQUIVALENTS AND INVESTMENTS

These deposits are stated at cost, which approximates market. Under state law, these deposits (or the resulting bank balances) must be secured by federal deposit insurance or the pledge of securities owned by the fiscal agent bank. The market value of the pledged securities plus the federal deposit insurance must at all times equal the amount on deposit with the fiscal agent. These securities are held in the name of the pledging fiscal agent bank in a holding or custodial bank that is mutually acceptable to both parties.

At December 31, 2014, the district attorney has \$1,859,277 in deposits (collected bank balances). The demand deposits are secured from risk by \$556,118 of federal deposit insurance at each of the three financial institutions and \$2,279,634 of pledged securities held by the custodial bank in the name of the fiscal agent bank (GASB Category 3). The time deposits are secured from risk by \$1,443,882 of federal deposit insurance at each of the seven financial institutions and \$2,050,926 of pledged securities held by the custodial banks in the name of the fiscal agent bank (GASB Category 3). The time deposits at one of the financial institutions are in the CDARS program.

Even though the pledged securities are considered uncollateralized (Category 3) under the provisions of GASB Statement 3, R.S. 39:1229 imposes a statutory requirement on the custodial bank to advertise and sell the pledged securities within 10 days of being notified by the district attorney that the fiscal agent has failed to pay deposited funds upon demand.

The District Attorney's cash and cash equivalents and investments at December 31, 2014 have been categorized to indicate the level of risk assumed by the District Attorney.

1. Insured or registered, or securities held by the district attorney or its agent in the district attorney's name
2. Uninsured and unregistered, with securities held by the counter party's trust department or agent in the district attorney's name
3. Uninsured and unregistered, with securities held by the counter party, or by its trust department or agent but not in the district attorney's name

Parochial Employees' Retirement System of Louisiana

The Morehouse and Ouachita Parish Police Juries provide retirement benefits to the District Attorney's non-attorney employees through a pension plan administered by another governmental entity. The plan is the Parochial Employees' Retirement System of Louisiana (Parochial Plan). Substantially all of the non-attorney employees are members of this cost-sharing multiple-employer Public Employee Retirement System (PERS). All permanent non-attorney employees who work at least 28 hours per week and are under 60 years of age are required to become members of the plan on the date of employment. Benefit provisions are established in accordance with Louisiana State Statute.

Benefit provisions are established by Louisiana State Statute.

Upon the death on any Parochial Plan member in active service with five or more years of service and not eligible for retirement, survivor benefits paid are equal to sixty percent (60%) of the final compensation for a surviving unmarried spouse with minor children. The benefits will continue as long as the spouse lives and is unmarried or until there are no minor children. For a surviving unmarried spouse with no minor children, the benefits are forty percent (40%) of final compensation upon attainment of age 60 by the spouse, or upon becoming disabled and are payable as long as the spouse lives and is unmarried.

NOTE 8 – LITIGATION AND CLAIMS

The District Attorney is involved in various legal actions and claims arising in the normal course of business. After taking into consideration the district attorney's evaluation of such actions, it is of the opinion that their outcome will not materially affect the financial statements.

NOTE 9 – SUBSEQUENT EVENTS

The District Attorney has evaluated subsequent events through the date that the financial statements were available to be issued, June 10, 2015, and determined that no events occurred that require disclosure. No subsequent events occurring after this date have been evaluated for inclusion in these financial statements.

NOTE 10 – EXPENDITURES OF THE DISTRICT ATTORNEY NOT INCLUDED IN THE FINANCIAL STATEMENTS

The accompanying financial statements do not include certain expenditures of the District Attorney paid out of the criminal court funds, the Morehouse Parish Police Jury, the Ouachita Parish Police Jury, or directly by the State. Those expenditures are summarized as follows:

The Morehouse and Ouachita Parish Police Juries fund a majority portion of the attorneys and support staffs' salaries and benefits.

The Criminal Court Fund is controlled and expended jointly between the District Attorney and the Fourth Judicial Court. The District Attorney normally expends funds for transcripts, witness fees and expert witness fees; the balance is utilized by the Fourth Judicial Court.

NOTE 11 – FEDERAL FINANCIAL ASSISTANCE PROGRAM

The District Attorney participates in the United States Department of Health and Human Services Support Enforcement, Title IV-D Program, and Catalog of Federal Domestic Assistance Number 93.563. This program is funded by indirect assistance payments in the form of reimbursements for related expenditures, received from the Louisiana Department of Social Services. For the year ended December 31, 2014, the District Attorney for the Fourth Judicial District expended \$610,737 in reimbursement payments.

The reimbursement payments are restricted by a formal agreement between the District Attorney and Department of Social Services and include a budget of expected expenditures for each fiscal year ending June 30. The District Attorney submits reimbursement requests to the Department of Social Services on a monthly basis.

The reimbursement payments may be subjected to further review and audit by the federal grantor agency. No provision has been made in the financial statements for the reimbursement of any expenditure that may be disallowed as a result of such a review or audit. Based on prior experience, the District Attorney feels such disallowances, if any, will be immaterial.
