INDEPENDENT AUDITOR'S REPORT

To the Health and Welfare Committee Members
of the Lincoln Parish Police Jury
Humanitarian Enterprises of Lincoln Parish
Ruston, Louisiana

I have audited the accompanying component unit financial statements of the governmental activities, each major fund and the aggregate remaining fund information of the Humanitarian Enterprises of Lincoln Parish (the Center), a component unit of the Lincoln Parish Police Jury, as of and for the year ended December 31, 2006, which collectively comprise the basic financial statements of the Center as listed in the table of contents. These component unit financial statements are the responsibility of the Humanitarian Enterprises of Lincoln Parish's management. My responsibility is to express an opinion on these component unit financial statements based on my audit.

I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinions.

In my opinion, the component unit financial statements referred to above present fairly, in all material respects, the financial position of the governmental activities, each major fund and the aggregate remaining fund information for the Humanitarian Enterprises of Lincoln Parish, as of December 31, 2006, and the respective changes in financial position thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, I have also issued my report dated May 14, 2007, on my consideration of the Humanitarian Enterprises of Lincoln Parish's internal control over financial reporting and my tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of my testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of my audit.

To the Health and Welfare Committee Members
of the Lincoln Parish Police Jury
Humanitarian Enterprises of Lincoln Parish
Page 2

Management's discussion and analysis and budgetary comparison information on pages 2 through 3 and 19 through 22, are not a required part of the basic financial statements but are supplementary information required by accounting principles generally accepted in the United States of America. I have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the supplementary information. However, I did not audit the information and express no opinion on it.

My audit was conducted for the purpose of forming an opinion on the component unit financial statements of the Humanitarian Enterprises of Lincoln Parish taken as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by U.S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, and is not a required part of the component unit financial statements. Such information has been subjected to the auditing procedures applied in the audit of the component unit financial statements and, in my opinion, is fairly stated, in all material respects, in relation to the component unit financial statements taken as a whole.

MANAGEMENT'S DISCUSSION AND ANALYSIS**

HUMANITARIAN ENTERPRISES OF LINCOLN PARISH MANAGEMENT'S DISCUSSION AND ANALYSIS (MD&A)

Our discussion and analysis of the Humanitarian Enterprises of Lincoln Parish (H.E.L.P.) Center's financial statements provides an overview of its activities for the year ended December 31, 2006. Please read it in conjunction with the H.E.L.P. Center's financial statements.

USING THIS ANNUAL REPORT

This annual report consists of a series of financial statements. The Statement of Net Assets and the Statement of Activities provide information about the activities of the H.E.L.P. Center as a whole.

Reporting the H.E.L.P. Center as a Whole

The Statement of Net Assets and the Statement of Activities

These statements include all assets and liabilities using the accrual basis of accounting, which is similar to the accounting used by most private-sector entities. All of the current year's revenues and expenses are taken into account regardless of when cash is received or paid.

These two statements report the H.E.L.P. Center's net assets and changes in them. The H.E.L.P. Center's net assets (the difference between assets and liabilities) measure the H.E.L.P. Center's financial position. Increases or decreases in the H.E.L.P. Center's net assets are an indicator of whether its financial position is improving or not.

The H.E.L.P. Center AS A WHOLE

For the years ended December 31, 2006 and 2005, net assets changed as follows:

| | 2006 | 2005 (Restated) |
|-----------------------------------|------------|-----------------|
| Beginning net assets | \$ 270,062 | \$ 271,324 |
| Increase (decrease) in net assets | 21,812 | (1,262) |
| Ending net assets | \$291,874 | \$ 270,062 |

The H.E.L.P. Center's FUNDS

The following schedule presents a summary of revenues and expenditures for the years ended December 31, 2006 and 2005:

|---------------------------|-------------------|------------------|-------------------|------------------|

| Transportation fares | 29,374 | 6.03% | 28,847 | 5.81% |
| Miscellaneous | 639 | 0.12% | 1,339 | 0.27% |
| Total Revenues | \$ 547,048 | 100.00% | \$ 496,910 | 100.00% |

| Expenditures | 2006 | Percent of Total | 2005 | Percent of Total |

| Health and welfare | \$ 525,236 | 100.00% | \$ 498,172 | 100.00% |

BUDGETARY HIGHLIGHTS

The H.E.L.P. Center's total revenues in 2006 were less than the final budgeted revenue by less than 3% but at the same time actual expenditures in 2006 were less than the budgeted amounts by approximately 2%.

CAPITAL ASSET AND DEBT ADMINISTRATION

Capital Assets

At December 31, 2006, the H.E.L.P. Center had \$286,133 invested in capital assets (\$68,817 net of accumulated depreciation) including machinery and equipment and vehicles.

| Vehicles | (160,254) | (10,419) | | (170,673) |
| Machinery & equipment | (46,524) | (119) | | (46,643) |
| Capital assets, net | \$20,013 | \$63,660 | | \$68,817 |

Debt

At year end, the H.E.L.P. Center had a total liability of \$8,633 for compensated absences.

ECONOMIC FACTORS AND NEXT YEAR'S BUDGETS AND RATES

The H.E.L.P. Center's revenues are derived mainly from a variety of grants and charges for fees. The H.E.L.P. Center is not aware of any significant increases or decreases in those revenues sources or associated expenditures but in light of the lingering impact of last year's devastating hurricanes on the economic of the entire state, the Center must continue to be on alert.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2006

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Humanitarian Enterprises of Lincoln Parish (the Center), a component unit and integral part of the Lincoln Parish Police Jury, was organized to promote and develop economic opportunities for the people of Lincoln Parish. The Center is operated exclusively for charitable and educational purposes. The accompanying financial statements are intended to present the financial position and results of operations of only the transactions of the Humanitarian Enterprises of Lincoln Parish.

The Center complies with accounting principles generally accepted in the United States of America (GAAP). GAAP includes all relevant Government Accounting Standards Board (GASB) pronouncements. In the government-wide financial statements, Financial Accounting Standards Board (FASB) pronouncements and Accounting Principles Board (APB) opinions issued on or before November 30, 1989 have been applied unless those pronouncements conflict with or contradict GASB pronouncements, in which case, GASB prevails. The accounting and reporting framework and the more significant accounting policies are discussed in subsequent sections of this note.

Basis of Presentation

In June, 1999, the GASB unanimously approved statement No. 34, *Basic Financial Statements – and Management’s Discussion and Analysis – for State and Local Governments*. Certain of the significant changes in the presentation of its funds financial information include, for the first time a Management Discussion and Analysis (MD&A) section providing an analysis of the H.E.L.P. Center’s overall financial position and results of operations and financial statements prepared using full accrual accounting for all fund activities. These and other changes are reflected in the accompanying financial statements including the notes to the financial statements. The Center has elected to implement the general provisions of the Statement in the current year and plans to report capital assets acquired prior to July 1, 2002.

Reporting Entity

As the governing authority of the parish, for reporting purposes, the Lincoln Parish Police Jury is the financial reporting entity for Lincoln Parish. The financial reporting entity consists of (a) the primary government (police jury), (b) organizations for which the primary government is financially accountable, and (c) other organizations for which nature and significance of their relationship with the primary government are such that exclusion would cause the reporting entity’s financial statements to be misleading or incomplete.

Governmental Accounting Standards Board Statement No. 14 established criteria for determining which component units should be considered part of the Lincoln Parish Police Jury for financial reporting purposes. The basic criterion for including a potential component unit within the reporting entity is financial accountability. The GASB has set forth criteria to be considered in determining financial accountability. These criteria include:

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Reporting Entity (Continued)

1. Appointing a voting majority of an organization's governing body, and
 - a. The ability of the police jury to impose its will on that organization and/or
 - b. The potential for the organization to provide specific financial benefits to or impose specific financial burdens on the police jury.
2. Organizations for which the police jury does not appoint a voting majority but are fiscally dependent on the police jury.
3. Organizations for which the reporting entity financial statements would be misleading if data of the organization is not included because of the nature or significance of the relationship.

Because the police jury appoints a voting majority of its governing body, the Center was determined to be a component unit of the Lincoln Parish Police Jury, the financial reporting entity. The accompanying financial statements present information only on the funds maintained by the Center and do not present information on the police jury, the general government services provided by that governmental unit, or the other governmental units that comprise the financial reporting entity.

Measurement Focus, Basis of Accounting and Financial Statement Presentation

Government-Wide Financial Statements – The governmental-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Governmental Fund Financial Statements – The governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period, the Center considers revenues to be available if they are collected within 60 days of the end of the current fiscal year end.

Principal revenue sources considered susceptible to accrual include federal grants, interest on investments, sales and income taxes, and lease payments receivable. Some revenue items that are considered measurable and available to finance operations during the year from an accounting perspective are not available for expenditure due to the Center's present appropriation system. These revenues have been accrued in accordance with accounting principles generally accepted in the United States of America since they have been earned and are expected to be collected within sixty days of the end of the period. Other revenues are considered to be measurable and available only when cash is received by the Center. Expenditures generally are recorded when a liability is incurred, as under accrual accounting. Modifications to the accrual basis of accounting include:

Measurement Focus, Basis of Accounting and Financial Statement Presentation (Continued)

- Employees' vested annual leave is recorded as an expenditure when utilized. The amount of accumulated annual leave unpaid at December 31, 2006 has been reported only in the government-wide financial statements.
- Interest on general long-term obligations is recognized when paid.
- Debt service expenditures are recorded only when payment is due.

Fund Accounting

The financial activities of the Center are recorded in individual funds, each of which is deemed to be a separate accounting entity. The Center uses fund accounting to report on its financial position and results of operations. Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions related to certain government functions or activities. A fund is a separate accounting entity with a self-balancing set of accounts.

Governmental Funds

General Fund – This fund accounts for all activities of the Center not specifically required to be accounted for in other funds. Included are transactions for services such as general government, health services, public safety, regulatory services and social services.

Transportation - This fund is derived from the following resources: Section 5311 of the Rural Public Transportation Act, Title XIX from the Louisiana State Medicaid Program for Transportation, Margaret Roan Industries, Office of Family Securities for Project Independence and Transportation Fares. Section 5311 funds, once reimbursed from the state, can be used for any expense of the Center. These funds represent a fifty percent reimbursement of the deficit cost of operation to provide Rural Public Transportation. Title XIX funds are used solely for transportation purposes. For these financial statements the assets and liabilities have been combined, but a separate column for each fund on the "Combining Schedule of Revenues, Expenditures and Changes in Fund Balances - Special Revenue Funds - Transportation Funds" has been presented.

Emergency Food and Shelter - A program to provide assistance on an emergency basis for persons being threatened by eviction or other hardship. Clients must present proof of income and proof of eviction or other difficulty i.e. late payment notice. They must also present proof of an emergency or crisis situation that prevents their paying the amount.

Low Income Home Energy Assistance Program - Energy Fund - These funds are dedicated for the use of Home Energy Assistance only. Ninety-five percent of all funds received are to be used to provide approximately 279 units of service (energy benefits) for eligible residents of Lincoln Parish. Funds may only be expended for line items approved by the funding resource. Assistance is limited to \$190 per family in a six month period.

Governmental Funds (Continued)

Community Service Block Grant Fund - This fund is provided through the Louisiana Department of Labor for the administrative cost of the Center. Levels of funding fluctuate from year to year depending upon CSBG appropriations by the United States Congress. This fund will provide for administrative cost such as salaries, fringe benefits, audit cost, travel, etc. This fund requires prior approval of expenditures by the funding source.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Budgeting Procedures

The Humanitarian Enterprises of Lincoln Parish prepares annual budgets for the general and special revenue funds. The budgets are prepared on a modified accrual basis of accounting. Budgeted amounts in the accompanying financial statements include original adopted budget amounts and all subsequent amendments. Appropriations which are not expended lapse at year end. The executive director of the H.E.L.P Center and the secretary-treasurer of the Police Jury are authorized to transfer budget amounts within a function by object classification; however, any revisions that alter the total expenditures of any function must be approved by the executive director of the H.E.L.P Center or the Lincoln Parish Police Jury. The level of budgetary responsibility is by total appropriations; however, for report purposes, this level has been expanded to a functional basis.

Fixed Assets

Fixed assets of the Center are stated at cost and are reported in the government-wide financial statements. Depreciation of all exhaustible fixed assets are charged as an expense against operations. Depreciation is computed using the straight-line method over the estimated useful lives of 5 years.

Compensated Absences

Employees accrue from 5 to 15 days of annual and sick leave each year depending on years of service with the H.E.L.P. Center. Annual leave must be used in the year it is earned. Sick leave up to a maximum of 15 days may be carried forward to the next year for major illnesses only. Upon separation, all unused sick leave lapses.

Due to the restrictions on use of accrued sick leave, a provision of \$8,633 has been made for the compensated absences and vacation in these financial statements.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Short-term Interfund Receivables/Payables

During the course of operations, numerous transactions occur between individual funds for goods provided or services rendered. These receivables and payables are classified as "due from other funds" or "due to other funds" on the balance sheet. In the process of aggregating data for the statements of net assets and the statement of activities, some amounts reported as interfund activity and balances in the funds were eliminated or reclassified.

Funding Policies

The Center receives their monies through various methods of funding. Most of the funds are obtained on a grant basis. Under this method, funds are received on an allocation basis in advance of the actual expenditure. The Center also receives funds as a reimbursement of actual expenditures.

Cash

Cash includes demand deposits and money market accounts. Under state law, the Humanitarian Enterprises of Lincoln Parish may deposit funds within a fiscal agent bank organized under the laws of the State of Louisiana, the laws of any other state in the Union or the laws of the United States. Further, the Humanitarian Enterprises of Lincoln Parish may invest in the time deposits or certificates of deposit of state banks organized under Louisiana law and national banks having principal offices in Louisiana.

Fund Equity

Equity is classified as net assets and displayed in three components:

- a. Invested in capital assets, net of related debt – Consists of capital assets including restricted capital assets, net of accumulated depreciation and reduced by the outstanding balances of any bonds, mortgages, notes, or other borrowings that are attributable to the acquisition, construction or improvement of those assets.
- b. Restricted net assets – Consists of net assets with constraints placed on the use either by (1) external groups, such as creditors, grantors, contributors, or laws or regulations of other governments; or (2) law through constitutional provisions or enabling legislation. There were no restricted net assets at December 31, 2006.
- c. Unrestricted net assets – All other net assets that do not meet the definition of "restricted" or "invested in capital assets, net of related debt."

NOTE 2 – CASH AND CASH EQUIVALENTS

Custodial Credit Risk – Deposits. The custodial credit risk is the risk that in the event of a bank failure, the District's deposits may not be returned to it. The District's policy to ensure there is no exposure to this risk is to require each financial institution to pledge its' own securities to cover any amount in excess of Federal Depository Insurance Coverage. Louisiana Revised Statute 39:1229 imposes a statutory requirement on the custodial bank to advertise and sell the pledged securities within 10 days of being notified by the District that the fiscal agent bank has failed to pay deposited funds upon demand. Accordingly, the District had no custodial credit risk related to its deposits at December 31, 2006. The District had cash and cash equivalents in demand deposits, totaling \$204,836 at December 31, 2006.

These deposits are stated at cost, which approximates market. These securities are held in the name of the pledging fiscal agent bank in a holding or custodial bank that is mutually acceptable to both parties. **REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF
FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS**

To the Health and Welfare Committee Members
of the Lincoln Parish Police Jury
Humanitarian Enterprises of Lincoln Parish
Ruston, Louisiana

I have audited the financial statements of the Humanitarian Enterprises of Lincoln Parish (the Center) as of and for the year ended December 31, 2006, and have issued my report thereon dated May 14, 2007. I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States

Internal Control Over Financial Reporting

In planning and performing my audit, I considered the Humanitarian Enterprises of Lincoln Parish's internal control over financial reporting as a basis for designing my auditing procedures for the purpose of expressing my opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Center's internal control over financial reporting. My consideration of internal control included procedures to evaluate the design of controls relevant to an audit of financial statements and to determine whether they have been implemented, but it did not include procedures to test the operating effectiveness of controls, and accordingly, was not directed to discovering significant deficiencies in internal control. Accordingly, I do not express an opinion on the effectiveness of the Center's internal control over financial reporting.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or a combination of control deficiencies, that adversely affects the entity's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the entity's financial statements that is more than inconsequential will not be prevented or detected by the entity's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the entity's internal control.

My consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. I did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

To the Health and Welfare Committee Members
of the Lincoln Parish Police Jury
Humanitarian Enterprises of Lincoln Parish
Ruston, Louisiana
Page 2

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Humanitarian Enterprises of Lincoln Parish's financial statements are free of material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit, and accordingly, I do not express such an opinion. The results of my tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of the committee, the Legislative Auditor, the Lincoln Parish Police Jury and federal awarding agencies and is not intended to be and should not be used by anyone other than these specified parties. Under Louisiana Revised Statute 24:513, this report is distributed by the Legislative Auditor as a public document.
