FOURTH JUDICIAL DISTRICT INDIGENT DEFENDER FUND Parishes of Morehouse and Ouachita, Louisiana

I have audited the basic financial statements of the Fourth Judicial District Indigent Defender Fund, a component unit of the Ouachita Parish Police Jury, as of June 30, 2011, and for the year then ended, as listed in the table of contents. These financial statements are the responsibility of the Fourth Judicial District Indigent Defender Fund's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audit contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the basic financial statements referred to above present fairly, in all material respects, the financial position of the Fourth Judicial District Indigent Defender Fund as of June 30, 2011, and the changes in its financial position for the year then ended in conformity with U.S. generally accepted accounting principles.

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 6 through 9 and the budgetary comparison information on pages 25 through 26 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. I have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with managements's responses to my inquiries, the basic financial statements, and other knowledge I obtained during my audit of the basic financial statements. I do not express an opinion or provide any assurance on the information because the limited procedures do not provide me with sufficient evidence to express an opinion or provide any assurance.

Independent Auditor's Report,
June 30, 2011

My audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Fourth Judicial District Indigent Defender Fund's office basic financial statements as a whole. The supplemental information schedules listed in the table of contents are presented for the purpose of additional analysis and are not a required part of the basic financial statements of the Fourth Judicial District Indigent Defender Fund. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In my opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

In accordance with *Government Auditing Standards*, I have also issued a report dated December 15, 2011, on the Fourth Judicial District Indigent Defender Fund's compliance with laws and regulations, and my consideration of the agency's internal control over financial reporting. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of my audit.

Management's Discussion and Analysis
June 30, 2011

As management of the Fourth Judicial District Indigent Defender Fund, we offer readers of the Fourth Judicial District Indigent Defender Fund's financial statements this narrative overview and analysis of the financial activities of the Fourth Judicial District Indigent Defender Fund for the year ended June 30, 2011. Please read it in conjunction with the basic financial statements and the accompanying notes to the financial statements.

Overview of the Financial Statements

This Management Discussion and Analysis document introduces the Fund's basic financial statements. The annual report consists of a series of financial statements. The Statement of Net Assets and the Statement of Activities (Government-wide Financial Statements) provide information about the financial activities as a whole and illustrate a longer-term view of the Fund's finances. The Balance Sheet and Statement of Revenues, Expenditures and Changes in Fund Balance - Governmental Fund (Fund Financial Statements) tell how these services were financed in the short term as well as what remains for future spending. Fund Financial Statements also report the operations in more detail than the Government-Wide Financial Statements by providing information about the most significant funds. This report also contains other supplementary information in addition to the basic financial statements themselves.

Our auditor has provided assurance in her independent auditor's report that the Basic Financial Statements are fairly stated. The auditor, regarding the Required Supplemental Information and the Supplemental Information is providing varying degrees of assurance. A user of this report should read the independent auditor's report carefully to ascertain the level of assurance being provided for each of the other parts in the Financial Section.

Government-wide financial statements. The *government-wide financial statements* are designed to provide readers with a broad overview of the Fourth Judicial District Indigent Defender Fund's finances, in a manner similar to a private-sector business.

The *statement of net assets* presents information on all of the Fourth Judicial District Indigent Defender Fund's assets and liabilities, with the difference between the two reported as *net assets*. Over time, increases or decreases in net assets may serve as a useful indicator of whether the financial position of the Fourth Judicial District Indigent Defender Fund is improving or deteriorating.

The *statement of activities* presents information showing how the government's net assets changed during the most recent fiscal year. All changes in net assets are reported as soon as the underlying event giving rise to the change occurs, regardless of timing of related cash flows. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods (for example, earned, but unused, sick leave).

Fund financial statements. A *fund* is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The Fourth Judicial District Indigent Defender Fund, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. The Fourth Judicial District Indigent Defender Fund uses only governmental funds.

Governmental funds. Governmental funds are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on near-term inflows and outflows of spendable resources, as well as on balances of spendable resources available at the end of the fiscal year. Such information may be useful in evaluating a government's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the government's near-term financing decisions. Both the governmental fund balance sheet and governmental fund statement of revenues, expenditures, and changes in fund balances provide a reconciliation to facilitate this comparison between governmental funds and governmental activities.

The Fourth Judicial District Indigent Defender Fund adopts an annual appropriated budget for the general fund. A budgetary comparison statement is provided for the major fund to demonstrate compliance with this budget.

Notes to the financial statements. The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements.

Other Information. In addition to the basic financial statements and accompanying notes, this report also presents certain *required supplementary information* concerning the Fourth Judicial District Indigent Defender Fund's performance.

Government-wide Financial Analysis

As noted earlier, net assets may serve over time as a useful indicator of a government's financial position. At the close of the most recent fiscal year, assets of the Fourth Judicial District Indigent Defender Fund exceeded liabilities by \$901,322. Approximately 24% of the Fourth Judicial District Indigent Defender Fund's net assets reflects its investment in capital assets (e.g., equipment). These assets are not available for future spending.

The balance in unrestricted net assets is affected by two factors: 1) resources expended, over time, by the Fourth Judicial District Indigent Defender Fund to acquire capital assets from sources other than internally generated funds (i.e., debt), and 2) required depreciation on assets being included in the statement of net assets.

Financial Analysis of the Government's Funds

As noted earlier, the Fourth Judicial District Indigent Defender Fund uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. The focus of the governmental funds is to provide information on near-term inflows, outflows, and balances of expendable resources. Such information is useful in assessing the financing requirements. In particular, unreserved fund balance may serve as a useful measure of a government's net resources available for spending at the end of the fiscal year.

As of June 30, 2011, the General Fund unreserved, undesignated fund balance of \$689,402 showed an increase of \$335,733 over June 30, 2010.

General Fund Budgetary Highlights

The major difference between the original budget and the final amended budget for revenues were due to a decrease in anticipated state funds and statutory fines, forfeitures, fees, court costs and other. The differences in expenditures of the original budget and final budget were due to an increase in salaries and capital outlay and a decrease in contract services - attorney.

Capital Asset and Debt Administration

Capital assets. The Fourth Judicial District Indigent Defender Fund's investment in capital assets for its governmental activities as of June 30, 2011, amounts to \$211,920 (net of accumulated depreciation). This investment includes building, furniture and equipment. Capital assets increased by \$6,170. There were no decreases.

Long-term debt. At the end of the fiscal year, Fourth Judicial District Indigent Defender Fund had no outstanding long term debt.

Requests for Information

This financial report is designed to provide a general overview of the Fourth Judicial District Indigent Defender Fund's finances for all those with an interest in the government's finances. Questions concerning any of the information provided in this report or requests for additional financial information should be addressed to the Fourth Judicial District Indigent Defender Fund, 714 St. Johns Street, LA 71210-3327.

Notes to the Financial Statements
As of and For the Year Ended June 30, 2011

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Fourth Judicial District Indigent Defender Fund was established in compliance with Louisiana Revised Statutes 15:144-149 to provide and compensate counsel appointed to represent indigents in criminal and quasi-criminal cases on the district court level. The judicial district encompasses the parishes of Morehouse and Ouachita, Louisiana.

The accompanying financial statements of the Fourth Judicial District Indigent Defender Fund have been prepared in conformity with U.S. generally accepted accounting principles (GAAP) as applied to governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard setting body for establishing governmental accounting and financial reporting principles. The accompanying basic financial statements have been prepared in conformity with GASB Statement 34, *Basic Financial Statements-and Management's Discussion and Analysis -for State and Local Governments*, issued in June 1999.

A. REPORTING ENTITY

As the governing authority of the parish, for reporting purposes, the Ouachita Parish Police Jury is the financial reporting entity for Ouachita Parish. The financial reporting entity consists of (a) the primary government (police jury), (b) organizations for which primary government is financially accountable, and (c) other organizations for which the nature and significance of their relationship with the primary government are such that exclusion would cause the reporting entity's financial statements to be misleading or incomplete.

Governmental Accounting Standards Board (GASB) Statement No. 14 established criteria for determining which component units should be considered part of the Ouachita Parish Police Jury for financial reporting purposes. The basic criterion for including a potential component unit within the reporting entity is financial responsibility. The GASB has set forth criteria to be considered in determining financial accountability. This criteria includes:

1. Appointing a voting majority of an organization's governing body, and:
 - a. The ability of the police jury to impose its will on that organization and/or
 - b. The potential for the organization to provide specific financial benefits to or impose specific financial burdens on the police jury.

FOURTH JUDICIAL DISTRICT INDIGENT DEFENDER FUND

Parishes of Morehouse and Ouachita, Louisiana
Notes to the Financial Statements (Continued)

2. Organizations for which the police jury does not appoint a voting majority but are fiscally dependent on the police jury.
3. Organizations for which the reporting entity financial statements would be misleading if data of the organization is not included because of the nature or significance of the relationship.

The district public defender is appointed by the Louisiana Public Defender Board. However, the police jury is ultimately responsible for the fiscal operations of the Fourth Judicial District court system, which includes the Indigent Defender Fund. Further, because of this relationship, the police jury's general purpose financial statements would be misleading without inclusion of the Fund's financial statements. Therefore, the indigent defender Fund is considered a component unit of the parish reporting entity.

B. BASIC FINANCIAL STATEMENTS - GOVERNMENT-WIDE STATEMENTS

The Fund's basic financial statements include both government-wide (reporting the Fund as a whole) and fund financial statements (reporting the Fund's major fund). Both government-wide and fund financial statements categorize primary activities as either governmental or business type. All activities of the Fund are classified as governmental.

The Statement of Net Assets (Statement A) and the Statement of Activities (Statement B) display information about the reporting government as a whole. These statements include all the financial activities of the Fund.

In the Statement of Net Assets, governmental activities are presented on a consolidated basis and are presented on a full accrual, economic resource basis, which recognizes all long-term assets and receivables as well as long-term obligations. Net assets are reported in three parts; invested in capital assets, net of any related debt; restricted net assets; and unrestricted net assets.

The government-wide financial statements are prepared using the economic resources measurement focus and the accrual basis of accounting. Revenues, expenses, gains, losses, assets and liabilities resulting from exchange or exchange-like transactions are recognized when the exchange occurs (regardless of when cash is received or disbursed). Revenues, expenses, gains, losses, assets and liabilities resulting from nonexchange transactions are recognized in accordance with the requirements of GASB Statement No. 33, *Accounting and Financial Reporting for Nonexchange Transactions*.

FOURTH JUDICIAL DISTRICT INDIGENT DEFENDER FUND

Parishes of Morehouse and Ouachita, Louisiana
Notes to the Financial Statements (Continued)

Program Revenues - Program revenues included in the Statement of Activities (Statement B) are derived directly from parties outside the Fund's taxpayers or citizenry. Program revenues reduce the cost of the function to be financed from the Fund's general revenues.

Allocation of Indirect Expenses - The Fund reports all direct expenses by function in the Statement of Activities (Statement B). Direct expenses are those that are clearly identifiable with a function.

C. BASIC FINANCIAL STATEMENTS - FUND FINANCIAL STATEMENTS

The financial transactions of the indigent defender fund are reported in individual funds in the fund financial statements. Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions related to certain government functions or activities.

Fund financial statements report detailed information about the indigent defender fund. The focus of governmental fund financial statements is on major funds rather than reporting funds by type.

A fund is a separate accounting entity with a self-balancing set of accounts that comprise its assets, liabilities, fund equity, revenues, and expenditures. Funds are classified into three categories; governmental, proprietary, and fiduciary. Each category, in turn, is divided into separate "fund types". Governmental funds are used to account for a government's general activities, where the focus of attention is on the providing of services to the public as opposed to proprietary funds where the focus of attention is on recovering the cost of providing services to the public or other agencies through service charges or user fees. Fiduciary funds are used to account for assets held for others. The Fund's current operations require the use of only governmental funds. The governmental fund type used by the Fund is described as follows:

Governmental Fund Type

General Fund - The General Fund, as provided by Louisiana Revised Statute 13:781, is the principal fund of the indigent defender fund and is used to account for the operations of the indigent defender fund's office. The various fees and charges due to the indigent defender fund's office are accounted for in this fund. General operating expenditures are paid from this fund.

Notes to the Financial Statements (Continued)

D. BASIS OF ACCOUNTING

Basis of accounting refers to the point at which revenues or expenditures/expenses are recognized in the accounts and reported in the financial statements. It relates to the timing of the measurement made regardless of the measurement focus applied.

1. Accrual:

Governmental type activities in the government-wide financial statements are presented on the accrual basis of accounting. Revenues are recognized when earned and expenses are recognized when incurred.

2. Modified Accrual:

The governmental funds financial statements are presented on the modified accrual basis of accounting. With this measurement focus, only current assets and current liabilities are generally included on the balance sheet. The statement of revenues, expenditures, and changes in fund balances reports on the sources (i.e., revenues and other financing sources) and uses (i.e., expenditures and other financing uses) of current financial resources. This approach differs from the manner in which the governmental activities of the government-wide financial statements are prepared. Governmental fund financial statements therefore include a reconciliation with brief explanations to better identify the relationship between the government-wide statements and the statements for governmental funds.

Governmental funds use the modified accrual basis of accounting. Under the modified accrual basis of accounting, revenues are recognized when susceptible to accrual (i.e., when they become both measurable and available). Measurable means the amount of the transaction can be determined and available means collectible within the current period or soon enough thereafter to pay liabilities of the current period. The Fund considers all revenues available if they are collected within 60 days after the fiscal year end. Expenditures are recorded when the related fund liability is incurred, except for interest and principal payments on general long-term debt which is recognized when due, and certain compensated absences and claims and judgments which are recognized when the obligations are expected to be liquidated with expendable available financial resources. The governmental funds use the following practices in recording revenues and expenditures:

Revenues

Court costs on fines and forfeitures imposed by the district and city courts are recorded in the year they are collected by the parish tax collector or the city.

FOURTH JUDICIAL DISTRICT INDIGENT DEFENDER FUND

Parishes of Morehouse and Ouachita, Louisiana
Notes to the Financial Statements (Continued)

Criminal bail bond fees are recorded in the year the bonds are written.

Fees from indigents are recorded when collected by the Division of Probation and Parole.

Interest income on time deposits is recorded when the time deposits have matured and the interest is available.

Based on the above criteria, court costs on fines and forfeitures, criminal bail bond fees, and fees from indigents have been treated as susceptible to accrual.

Expenditures

Expenditures are generally recognized under the modified accrual basis of accounting when the related fund liability is incurred.

E. CASH AND CASH EQUIVALENTS

Under state law, the indigent defender fund may deposit funds in demand deposits, interest bearing demand deposits, money market accounts, or time deposits with state banks organized under Louisiana law and national banks having principal offices in Louisiana. At June 30, 2011, the indigent defender fund has cash and cash equivalents (book balances) totaling \$546,301.

These deposits are stated at cost, which approximates market. Under state law, these deposits, or the resulting bank balances, must be secured by federal deposit insurance or the pledge of securities owned by the fiscal agent bank. The market value of the pledged securities plus the federal deposit insurance must at all times equal the amount on deposit with the fiscal agent bank. These deposits are held in the name of the pledging fiscal agent bank in a holding or custodial bank that is mutually acceptable to both parties. Cash (bank balances) at June 30, 2011, total \$711,594 and are fully secured by federal deposit insurance and pledged securities.

F. CAPITAL ASSETS

Capital assets are capitalized at historical cost or estimated cost if historical cost is not available. Donated assets are recorded as capital assets at their estimated fair market value at the date of donation. The Fund maintains a threshold level of \$500 or more for capitalizing capital assets.

FOURTH JUDICIAL DISTRICT INDIGENT DEFENDER FUND

Parishes of Morehouse and Ouachita, Louisiana
Notes to the Financial Statements (Continued)

Capital assets are reported in the government-wide financial statements but not in the fund financial statements. Since surplus assets are sold for an immaterial amount when declared as no longer needed for public purposes by the Fund, no salvage value is taken into consideration for depreciation purposes. All capital assets, other than land, are depreciated using the straight-line method over the following useful lives:

<u>Description</u>	<u>Estimated Lives</u>
Buildings	
Furniture and fixtures	5 - 10 years
Vehicles	5 - 15 years
Equipment	5 - 20 years

G. ANNUAL AND SICK LEAVE

The indigent defender fund employs three part-time employees and has not adopted a formal vacation and sick leave policy.

The cost of leave privileges, computed in accordance with GASB Codification Section C60, is recognized as a current-year expenditure in the General Fund when leave is actually taken.

H. RISK MANAGEMENT

The indigent defender fund is exposed to various risk of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions. To handle such risk of loss, the indigent defender fund maintains commercial insurance policies covering her automobile, and surety bond coverage. No claims were paid on any of the policies during the past three years which exceeded the policies' coverage amounts. There were no significant reductions in insurance coverage during the year ended June 30, 2011.

2. RECEIVABLES

The General Fund receivables of \$146,988 at June 30, 2011, are as follows:

<u>Class of receivables:</u>

FOURTH JUDICIAL DISTRICT
INDIGENT DEFENDER FUND
Parishes of Morehouse and Ouachita, Louisiana

I have audited the basic financial statements of the Fourth Judicial District Indigent Defender Fund as of and for the year ended June 30, 2011, and have issued my report thereon dated December 15, 2011. I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing my audit, I considered Fourth Judicial District Indigent Defender Fund's internal control over financial reporting as a basis for designing my auditing procedures for the purpose of expressing my opinion on the basic financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Fourth Judicial District Indigent Defender Fund's internal control over financial reporting. Accordingly, I do not express an opinion on the effectiveness of the Fourth Judicial District Indigent Defender Fund's internal control over financial reporting.

A deficiency in internal control exist when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. *A material weakness* is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis.

My consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. I did not identify any deficiencies in internal control over financial reporting that I consider to be material weaknesses, as defined above.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Fourth Judicial District Indigent Defender Fund's basic financial statements are free of material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit and, accordingly, I do not express such an opinion. The results of my tests disclosed no instances of noncompliance or other matters that is required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of the Fourth Judicial District Indigent Defender Fund, management, and the Legislative Auditor and is not intended to be and should not be used by anyone other than these specified parties. Although the intended use of these reports may be limited, under Louisiana Revised Statute 24:513(G), this report is distributed by the Legislative Auditor as a public document.
