#### INDEPENDENT AUDITOR'S REPORT

To the Board of Directors Louisiana Guardianship Services, Inc.

#### Report on the Financial Statements

I have audited the accompanying financial statements of Louisiana Guardianship Services, Inc. (a non-profit organization) (the Organization) which comprise the statements of financial position as of June 30, 2019 and 2018 and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risk of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

#### Opinion

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Louisiana Guardianship Services, Inc. as of June 30, 2019 and 2018, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### Other Matter

My audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The schedule of Compensation, Benefits, and Other Payments to the Executive Director on page 13 is presented for the purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United states of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

#### Other Reporting Required by Government Auditing Standards

In accordance with <u>Government Auditing Standards</u>, I have also issued my report dated November 27, 2019 on my consideration of Louisiana Guardianship Services, Inc.'s internal control over financial reporting and my test of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with <u>Government Auditing Standards</u> in considering Louisiana Guardianship Services, Inc.'s internal control over financial reporting and compliance.

#### **Emphasis of Matter**

As described in Note 2 of the financial statements, in 2018, the Organization adopted ASU 2016-14, Not-for-Profit Entities (Topic 958): Presentation of Financial Statements of Not-for-Profit Entities. My opinion is not modified with respect to this matter.

#### NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

<u>Basis of Presentation</u> - The financial statements of the Company have been prepared in accordance with U.S. generally accepted accounting principles ("US GAAP"), which require the

Company to report information regarding its financial position and activities according to the following net asset classifications:

<u>Net assets without donor restrictions</u>: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives at the Company. These net assets may be used at the discretion of the Company's management and the board of directors.

Net assets with donor restrictions: Net assets subject to stipulations Imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions are temporary in nature; those restrictions will be met by actions of the Company or by the passage of time. Other donor restrictions are perpetual in nature, where by the donor has stipulated the funds be maintained in perpetuity.

Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statements of activities.

<u>Uncertain Tax Positions</u> - The Company recognizes the financial impact of a tax position when it is more likely than not that the position will be sustained upon examination. As of June 30, 2019, the Company did not have any uncertain tax positions. Tax years ended June 30, 2016 and later remain subject to examination by taxing authorities.

<u>Subsequent Events</u> - Management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that effect the financial statements. Subsequent events have been evaluated through November 27, 2019, which is the date the financial statements were available to be issued.

<u>Contributions</u> - Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions. Support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as in increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or a purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

<u>Cash and cash equivalents</u> - For purposes of the statement of cash flows, the Company considers all unrestricted highly liquid investments with an initial maturity of three months or less to be cash equivalents.

The Company maintains its cash in bank deposit accounts, which at times may exceed federally insured limits. The Company has not experienced any losses in such accounts. The Company believes it is not exposed to any significant credit risk on cash and cash equivalents.

<u>Fixed assets</u> - All expenditures for leasehold improvements and equipment are capitalized.

Depreciation on leasehold improvements is provided by using the straight-line method over the estimated life of 10 years. Depreciation on equipment is provided by using the straight-line and the declining-balance method over the estimated useful lives of 5 to 7 years.

Income taxes - The Company is a non-profit corporation organized under the laws of the State of Louisiana. It is exempt from Federal income tax under Section 501(c) (3) of the Internal Revenue Code of 1986, and qualifies as an organization that is not a private foundation as defined in Section 509(a) of the Code. It is exempt from Louisiana income tax under the authority of R.S. 47:121(5).

Use of estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Vested Annual Leave Benefits - Employees are entitled to paid vacations after six months of employment. Vacation time in excess of 160 hours cannot be accrued. Terminated employees will be paid for unused vacation leave if employed in excess of six months.

Vested annual leave benefits are accrued and recorded as a liability when such compensated absences become non-forfeitable. These amounts are not charged as program expenses of Federal government grants or agency contracts, and are treated as non-allowed costs, until they are paid.

Sick leave accrues at eight hours per month, or ninety-six hours per year. There is no maximum accumulated sick leave. Sick leave does not vest with the employee and, therefore, is forfeited upon termination.

New Accounting Pronouncement - On August 18, 2016, FASB issued ASU 2016-14, Not-for-Profit Entities (Topic 958) – Presentation of Financial Statements of Not-for-Profit Entities. The update addresses the complexity and understandability of net asset classification, deficiencies in information about liquidity and availability of resources and the lack of consistency in the type of information provided about expenses and investment return. The Company has adjusted the presentation of these statements accordingly.

#### NOTE 3 - GRANTS AND CONTRACTS FOR SERVICES RECEIVABLE

The Company has incurred expenses on contracts open at June 30, 2019 and 2018, in excess of contract fees for services received at that date. A receivable has been recorded on these contracts for the excess expenses.

The Company has the right to use these assets in the programs for which they were acquired.

The U.S. Department of Health and Human Services (DHHS), and the State of Louisiana retain an equitable interest in these capital assets which must be used for the specified program for which they were acquired. # INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors, Louisiana Guardianship Services, Inc.

I have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Louisiana Guardianship Services, Inc.(the Company)(a nonprofit organization), which comprise the statement of financial position as of June 30, 2019, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued my report thereon dated November 27, 2019.

#### Internal Control over Financial Reporting

In planning and performing my audit of the financial statements, I considered the Company's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing my opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, I do not express an opinion on the effectiveness of the Company's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

My consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during my audit I did not identify any deficiencies in internal control that I consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

#### Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Company's financial statements are free from material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit, and accordingly, I do not express such an opinion. The results of my tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

#### Purpose of this Report

The purpose of this report is solely to describe the scope of my testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Company's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Company's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Under Louisiana Revised Statue 24:513, this report is distributed by the Legislative Auditor as a public document.
