INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
D.A.R.T (Domestic Abuse Resistance Team)
Ruston, Louisiana 71270

I have audited the accompanying statement of financial position of the D.A.R.T. (Domestic Abuse Resistance Team), (a nonprofit organization) as of December 31, 2009, and the related statements of activities, functional expenses, and cash flows for the year then ended, as listed in the table of contents. These financial statements are the responsibility of the Organization's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Domestic Abuse Resistance Team as of December 31, 2009, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, I have also issued my report dated June 22, 2010, on my consideration of Domestic Abuse Resistance Team's internal control over financial reporting and on my tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of my audit.

My audit was performed for the purpose of forming an opinion on the basic financial statements of D.A.R.T. (Domestic Abuse Resistance Team) taken as a whole. The schedules listed in the table of contents are presented for purposes of additional analyses and are not a required part of the financial statements of D.A.R.T. (Domestic Abuse Resistance Team). The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by U.S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, and is not a required part of the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and, in my opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

Notes to Financial Statements
For The Year Ended December 31, 2009

Note 1 – Summary of Significant Accounting Policies

a. Reporting Entity:

D.A.R.T. (Domestic Abuse Resistance Team) is a nonprofit organization established in 1994 under the provisions of Louisiana law (Louisiana Revised Statutes 12.1201 et. Seq. and Section 501.(c) (3) of the Internal Revenue Code) with its mission, as described in its Articles of Incorporation, being “to provide services for abused residents of Lincoln Parish and to organize, maintain, and perpetuate a shelter for the benefit, advantage, and welfare of its citizens of Lincoln Parish, Louisiana, who may be subjected to some form of abuse.” D.A.R.T. was also established to coordinate the activities of other agencies offering services to victims of domestic abuse in Lincoln, Union, Bienville, Claiborne and Jackson Parishes in an effort to avoid unnecessary and wasteful duplication and to provide services not available in the service area.

D.A.R.T. was formed through the efforts of local agencies and is supported by several organizations and offices (including the District Judge’s Office, Ruston City Police Department, Lincoln Parish Health Department, Volunteers of America, Lincoln Parish Sheriff’s Office, Ruston Mental Health Center, District Attorney’s Office, Lincoln Council on Aging, United Way, and Christian Community Action).

Since the inception of D.A.R.T. in January 1994, the Board of Directors has overseen the procurement of funds through grants, fundraising activities, and donations. A shelter has been opened in Ruston to provide residential and nonresidential assistance to victims of domestic violence and their dependents. This assistance includes, but is not restricted to, 24-hour shelter to provide safe refuge and temporary lodging for victims of family violence and their dependents; a 24-hour crisis line; individual and group counseling; legal advocacy and case management.

b. Presentation of Statements:

The financial statements are prepared on the accrual basis of accounting and financial statement presentation follows the recommendations of the Financial Accounting Standards Board in its Statement of Financial Accounting Standards (SFAS) No. 117, *Financial Statements of Not-For-Profit Organizations*. Under SFAS No. 117, D.A.R.T. is required to report its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets and permanently restricted net assets. Also required is the presentation of the statement of cash flows.

D.A.R.T.
(Domestic Abuse Resistance Team)
Notes to Financial Statements
For The Year Ended December 31, 2009

Unrestricted net assets represent those assets which are not subject to donor-imposed stipulations and, therefore, are assets the organization may use at its discretion.

Temporarily restricted net assets result from contributions and other inflows of assets whose use by the organization is limited by donor-imposed stipulations that either expire by passage of time or can be fulfilled and removed by actions of D.A.R.T., pursuant to those stipulations.

Permanently restricted net assets result from contributions and other inflows of assets whose use by the organization is limited by donor-imposed stipulations that neither expire by passage of time nor can be fulfilled or otherwise removed by actions of D.A.R.T.

Net assets of the two restricted classes are created only by donor-imposed restrictions on their use. All other net assets, including board designated or appropriated amounts, are legally unrestricted and are reported as part of the unrestricted class.

D.A.R.T. does not have any permanently restricted net assets for year ended December 31, 2009.

Revenues are reported as increases in unrestricted net assets unless use of the related assets is limited by donor-stipulated restrictions. Expenses are reported as decreases in unrestricted net assets. Gains and losses on investments and other assets or liabilities are reported as increases or decreases in unrestricted net assets unless their use is unrestricted by explicit donor stipulations or by law. Expirations of temporary restrictions on net assets (i.e., the donor-stipulated purpose has been fulfilled and/or the stipulated time period has elapsed) are reported as reclassifications between the applicable classes of net assets.

c. Contributions:

D.A.R.T. has adopted Statement of Financial Accounting Standards (SFAS) No. 116, *Accounting for Contributions Received and for Contributions made*. In accordance with SFAS No. 116, contributions are recognized when the donor makes a promise to give and are recorded as unrestricted, temporarily restricted or permanently restricted support depending on the existence and/or nature of any donor restrictions.

D.A.R.T. reports gift of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are

D.A.R.T.
(Domestic Abuse Resistance Team)
Notes to Financial Statements
For The Year Ended December 31, 2009

reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

The organization reports contributions of assets other than cash at their estimated fair value at the date of the gift and are reported as revenues of the unrestricted net asset class unless explicit donor stipulations specify how the donated asset must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as revenues of the temporarily restricted or permanently restricted net asset classes. Absent explicit donor stipulations about how long those long-lived assets must be maintained, the Organization reports expirations of donor restriction when the donated or acquired long-lived assets are placed in service.

All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted or permanently restricted support that increases those net assets classes. When a qualifying expenditure occurs or a time restriction expires, temporarily restricted assets are recognized in unrestricted net assets as "net assets released from restriction" in the statement of activities.

d. Fund Accounting:

The accounts of the organization are maintained in accordance with the principles of fund accounting. Under fund accounting, resources for various purposes are classified for accounting and reporting purposes into funds established according to their nature and purpose. Separate accounts are maintained for each fund; however, in the accompanying financial statements, funds that have similar characteristics have been combined into fund groups. In accordance with SFAS No. 117, fund balances are classified on the Statement of Financial Position as unrestricted, temporarily restricted, or permanently restricted net assets based on the absence or existence and type of donor-imposed restrictions.

Program funding is provided by grants from the following sources:

The various grant sources have established budgets by which expenditures are determined and monitored at the time of applications and approval of grants.

The budget is prepared on modified accrual basis, consistent with the basis of accounting for comparability of budgeted and actual revenues and expenditures. Budgeted amounts included in the accompanying financial statements include the original adopted budget amounts and all subsequent amendments.

D.A.R.T.
(Domestic Abuse Resistance Team)
Notes to Financial Statements
For The Year Ended December 31, 2009

Actual amounts are compared to budgeted amounts periodically during the fiscal year as a management control device. Expenditures cannot legally exceed appropriations on an individual fund level.

f. Fixed Assets:

All fixed assets are stated at historical cost. Donated fixed assets are stated at their estimated fair market value on the date donated if listed in schedule of assets. Depreciation of furniture and equipment is provided on the straight-line basis over an estimated useful life of five years. Depreciation of leasehold improvements is provided on the straight-line basis over an estimated useful life of 15 years. The board has established a \$500 capitalization policy.

g. Reclassifications:

Certain amounts presented in the prior year have been reclassified in order to compare with the current year's presentation

h. Annual and Sick Leave:

Compensated leave will be recorded as fund expenditures in the year in which they are paid. The Agency's sick leave policy provides for the accumulation of up to 80 hours per year and a maximum of 120 hours total. Accumulated sick leave at December 31, 2009 is \$11,933.

i. Use of Estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

j. Cash and Cash Equivalents:

For the purposes of the statement of cash flows, the organization considers all unrestricted highly liquid investments with an original maturity of three months or less to be cash equivalents. Fair value approximates carrying amounts.

Note 2 – Certificates of Deposit

These areas include Bienville, Union, Claiborne and Jackson parishes. Public support in the amount of \$41,217 was restricted at December 31, 2009. These restrictions will expire as the funds are utilized for their intended purposes.

Note 9 – Income Tax Status

D.A.R.T., a non-profit corporation, is exempt from federal income taxation under Section 501(c) (3) of the Internal Revenue Code, except for taxes pertaining to unrelated business income. In addition, it has been determined that D.A.R.T. is not a private foundation within the meaning of Section 509(a) of the Internal Revenue Code. No provision has been made for income taxes in the accompanying financial statements since D.A.R.T. does not have a significant amount of unrelated business income for the year ended December 31, 2009.

Note 10 – Judgments, Claims, and Similar Contingencies

The organization receives revenues from various Federal and State grant programs, which are subject to final review and approval as to allow ability of expenditures by the respective grantor agencies. Any settlements or expenses arising out of a final review are recognized in the period in which agreed upon by the organization and the Federal or State Agency. Also, it is management's opinion that any audits by the grantor agencies would not produce disallowed program costs and liabilities to such an extent that they would materially affect the organizations financial position.

The organization and one of its employees have been named in a lawsuit filed during the year. D.A.R.T.'s insurance carrier is handling the case on their behalf and has retained legal counsel to defend both the organization and the employee. Outcome of the matter is not known at this time, however, management is confident that its liability coverage is more than adequate to cover any potential judgment.

Note 11 – Federally Assisted Programs

D.A.R.T. participates in a number of federally assisted programs. These programs are audited in accordance with the *Government Auditing Standards* issued by the Comptroller General of the United States. Audits of prior years have not resulted in any disallowed costs; however, grantor agencies may provide for further examinations. Based on prior experience, the organizations management believes that further examinations would not result in any significant disallowed costs.

Note 12 – Economic Dependency

D.A.R.T. receives the majority of its revenue from funds provided through grants administered by the Governor's Office on Women's Policy. The grant amounts are appropriated each year by the federal and state governments. If significant budget cuts are made at the federal and/or state level, the amount of the funds the organization receives could be reduced significantly and have an adverse impact on its operations.

Note 13 – Concentrations of Credit Risk

The organization maintains deposits in a local financial institution. The carrying amounts of those accounts, which include the certificate of deposit, totaled \$245,716 at December 31, 2009. The corresponding bank balances totaled \$258,917. Balances of \$250,000 were covered by federal depository insurance.

Note 14 - Subsequent Events

Date of Management Evaluation

Management has evaluated subsequent events through June 22, 2010, the date on which the financial statements were available to be issued.

Note 15 - Uncertain Tax Positions

The provisions of FASB Interpretation No. 48 (FIN 48) were adopted by the organization on January 1, 2009. The adoption of FIN 48 did not result in any changes to net assets or deferred income tax liabilities.

Accrued interest and penalties associated with uncertain tax positions are included as a component of the provision for income taxes. There were no unrecognized tax benefits at January 1, 2009. For the year ended December 31, 2009, there were no unrecognized tax benefits, or accrued interest and penalties.

The company files Form 990, an informational tax return in the U.S. federal tax jurisdiction. Federal tax returns prior to 2006 are closed.

**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON
COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL
STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS**

Board of Directors
D.A.R.T. (Domestic Abuse Resistance Team)
Ruston, Louisiana

I have audited the financial statements of D.A.R.T. (Domestic Abuse Resistance Team), (a nonprofit organization), (the entity), as of and for the year ended December 31, 2009, and have issued my report thereon dated June 22, 2010. I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing my audit, I considered the entity's internal control over financial reporting as a basis for designing my auditing procedures for the purpose of expressing my opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control over financial reporting. Accordingly, I do not express an opinion on the effectiveness of the entity's internal control over financial reporting.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the entity's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the entity's financial statements that is more than inconsequential will not be prevented or detected by the entity's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the entity's internal control.

My consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in the internal control that might be significant deficiencies or material weaknesses. I did not identify any deficiencies in internal control over financial reporting that I consider to be material weaknesses, as defined above.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the entity's financial statements are free of material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit and accordingly, I do not express such an opinion. The results of my tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of management, the audit committee, and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties. Under Louisiana Revised Statute 24:513, this report is to be distributed by the Legislative Auditor as a public document.
