BEHAVIORAL MEDICINE AND ADDICTIVE DISORDERS, INC.  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2010 AND 2009

NOTE A - ORGANIZATION AND NATURE OF ACTIVITIES

Behavioral Medicine and Addictive Disorders, Incorporated ("BMAD") is a for-profit S corporation organized under the laws of the State of Louisiana on June 6, 2001. The primary purpose of BMAD is to provide intensive outpatient treatment and therapy for veterans, individuals with substance abuse and alcohol addiction, and those with anger management issues in the Monroe and greater Northeast Louisiana region.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of the significant accounting policies consistently applied in the preparation of the accompanying financial statements follows:

Basis of Accounting

BMAD uses the modified accrual method of accounting where revenue is recognized in the period earned and expenditures are recorded in the period incurred and to which they pertain in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

BMAD considers all short-term, highly liquid debt investments purchased with an original maturity of three months or less to be cash equivalents.

Allowance for Doubtful Accounts

No allowance for uncollectible accounts has been provided since it is believed that the balance in accounts receivable is all collectible.

Income Taxes

The Company has elected to be treated as a S corporation pass-through entity for income tax purposes and, as such, is not subject to income taxes. Rather, all items of taxable income, deductions and tax credits are passed through to and are reported by its owner on his income tax return. The Company's federal tax status as a pass-through entity is based on its legal status as a S corporation. Accordingly, the Company is not required to take any tax positions in order to qualify as a pass-through entity. The Company is required to file and does file tax returns with the Internal Revenue Service and other taxing authorities. Accordingly, these financial statements do not reflect a provision for income taxes and the Company has no other tax positions which must be considered for disclosure.

BEHAVIORAL MEDICINE AND ADDICTIVE DISORDERS, INC.  
 NOTES TO FINANCIAL STATEMENTS  
 DECEMBER 31, 2010 AND 2009

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Concentration of Credit Risk

BMAD's financial instruments that are exposed to concentrations of credit risk consist primarily of cash on deposit at financial institutions. Cash equivalents are maintained at high-quality financial institutions and credit exposure is limited at any one institution. Accounts at each financial institution are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. At December 31, 2010 and 2009, BMAD had no uninsured deposits.

Concentrations of credit risk with respect to receivables are limited due to these amounts being due from governmental agencies under contractual terms. As of December 31, 2010 and 2009, accounts receivable are as follows:

	<u>2010</u>	<u>2009</u>
U.S. Department of Veterans Affairs	10,245	10,785
Louisiana Department of Health & Hospitals	<u>6,184</u>	<u>24,568</u>
	16,429	35,353

Capitalization and Depreciation

Land, buildings, improvements and equipment are recorded at cost. Depreciation is provided in amounts sufficient to relate the cost of depreciable assets to operations over their estimated service lives using the straight-line method. Improvements are capitalized, while expenditures for maintenance and repairs are charged to expense as incurred. Upon disposal of depreciable property, the appropriate property accounts are reduced by the related costs and accumulated depreciation. The resulting gains and losses are reflected in the statement of operations. Estimated useful lives used for depreciation purposes are as follows:

Buildings	40 years
Furniture and Equipment	10 years

Subsequent Events

Subsequent events have been evaluated through June 20, 2011, which is the date the financial statements were available to be issued.

NOTE C - CONTRACTUAL REVENUE & ECONOMIC DEPENDENCY

BMAD has contracted with the US Department of Veteran Affairs to provide certain counseling services to veterans. Approximately 33% of BMAD's revenue was generated from this contract in 2010. For their services, BMAD received \$136,250 and \$120,114 in 2010 and 2009, respectively.

BEHAVIORAL MEDICINE AND ADDICTIVE DISORDERS, INC.  
 NOTES TO FINANCIAL STATEMENTS  
 DECEMBER 31, 2010 AND 2009

NOTE C - CONTRACTUAL REVENUE & ECONOMIC DEPENDENCY (CONT'D)

Since 2006, BMAD was awarded a contract through the Louisiana Department of Health and Hospitals under the United States Department of Health and Human Resources to administer an Access to Recovery voucher program for substance abuse treatment. Approximately 44% of BMAD's revenue was generated from this contract in 2010. For their services, BMAD received \$73,878 and \$99,414 of Federal funds in 2010 and 2009, respectively, and \$97,414 and \$258,160 of State funds in 2010 and 2009, respectively.

NOTE D - LAND, BUILDING AND EQUIPMENT

Expenditures for land, building and equipment are capitalized at cost. Property and equipment acquisitions are capitalized in excess of \$1,000. When assets are disposed of, the cost related accumulated depreciation is removed from the accounts, and any gain or loss is recorded in operations.

Depreciation is computed using the straight-line method over the estimated service lives of the assets. A summary of changes in general fixed assets for the years ended December 31, 2010 and 2009 follow:

<u>Assets Class</u>	<u>2010</u>	<u>2009</u>
Land	23,000	23,000
Building & Improvements	152,284	152,284
Furniture and Equipment	<u>134,429</u>	<u>134,429</u>
	309,713	309,713
Less: Accumulated Depreciation	<u>(73,512)</u>	<u>(57,272)</u>
Net Balance	236,201	252,441

Depreciation for 2010 and 2009 totaled \$16,241 and \$15,709, respectively.

NOTE E - FAIR VALUE OF FINANCIAL INSTRUMENTS

BMAD's financial instruments, none of which are held for trading purposes, consist primarily of cash on deposit at financial institutions. BMAD estimates that the fair value of all financial instruments at December 31, 2010 and 2009 does not differ materially from the aggregate carrying values of its financial instruments recorded in the accompanying balance sheets.

NOTE F - DUE TO SHAREHOLDER

At December 31, 2010 and 2009, the shareholder had advanced \$52,436 and \$0, respectively, to the Company. There is no written evidence of this debt and accordingly, it is unsecured and non-interest-bearing.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON  
COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL  
STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT  
AUDITING STANDARDS*

To the Shareholder  
Behavioral Medicine and Addictive Disorders, Inc.  
Monroe, Louisiana

We have audited the financial statements of Behavioral Medicine and Addictive Disorders, Inc. as of and for the years ended December 31, 2010 and 2009 and have issued our report thereon dated June 20, 2011. We conducted our audit in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered Behavioral Medicine and Addictive Disorders, Inc.'s, internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Behavioral Medicine and Addictive Disorders, Inc.'s internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of Behavioral Medicine and Addictive Disorders, Inc.'s internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

## Compliance and Other Matters

As part of obtaining reasonable assurance about whether Behavioral Medicine and Addictive Disorders, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of the management and shareholder of Behavioral Medicine and Addictive Disorders, Inc., Louisiana Department of Health and Hospitals, the United States Department of Veterans Affairs, and the Legislative Auditor for the state of Louisiana and is not intended to be and should not be used by anyone other than these specific parties. However, under Louisiana Revised Statute 24:513, this report may be distributed by the Legislative Auditor as a public document.
