## INDEPENDENT AUDITORS' REPORT

To the Board of Directors  
Boys and Girls Club of Northeast Louisiana, Inc.  
Monroe, Louisiana

### **Report on the Financial Statements**

We have audited the accompanying financial statements of Boys and Girls Club of Northeast Louisiana, Inc., and related statement of activities, statement of functional expenses, and cash flows for the year ended December 31, 2012, and the related notes to the financial statements.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditors' Responsibility**

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of Boys and Girls Club of Northeast Louisiana, Inc., as of December 31, 2012, and the respective changes in net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### **Other Information**

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The schedule of board member compensation is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

## Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated June 29, 2013 on our consideration of Boys and Girls Club of Northeast Louisiana, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering Boys and Girls Club of Northeast Louisiana, Inc.'s internal control over financial reporting and compliance.

BOYS AND GIRLS CLUB OF NORTHEAST LOUISIANA, INC.  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2012

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Boys and Girls Club of Northeast Louisiana, Inc. (the Organization) is a local non-profit organization that provides afterschool programs and a pool, gym, baseball, flag football, and basketball to boys and girls in northeast Louisiana. The Organization is supported through contributions by the United Way and various other grants.

Basis of Accounting

Financial statements are prepared on the accrual basis of accounting in accordance with generally accepted accounting principles.

Promises to Give

Contributions are recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets.

Basis of Presentation

The Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Cash and Cash Equivalents

For purposes of the Statement of Cash Flows, the Organization considers all unrestricted highly liquid investments with an original maturity of three months or less to be cash equivalents. Fair value approximates carrying amounts. All cash accounts are insured by the FDIC.

BOYS AND GIRLS CLUB OF NORTHEAST LOUISIANA, INC.  
NOTES TO FINANCIAL STATEMENTS (CONTINUED)  
DECEMBER 31, 2012

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

Allocation of Functional Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs, fund-raising costs, and supporting services benefited.

Reserve for Bad Debts

Accounts receivable are reviewed annually by management and it has been determined that there is no requirement for an allowance for doubtful accounts as of December 31, 2012. Receivables are written off when management deems them not collectible.

Income Tax Status

The Organization qualified as a tax-exempt organization under Section 501(C)(3) of the Internal Revenue Code and, therefore, has no provision for federal income taxes.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Advertising Costs

The Organization expenses advertising costs as they are incurred. Advertising expenses for the year ended December 31, 2012 were immaterial.

 NOTES TO FINANCIAL STATEMENTS (CONTINUED)

NOTE 2 - DONATED SERVICES:

No amounts have been reflected in the financial statements for donated services as no objective basis is available to measure the value of such services and the donated services do not meet the criteria for recognition as contributions in accordance with professional standards.

NOTE 3 - PROPERTY, EQUIPMENT, AND DEPRECIATION:

The Organization capitalizes property and equipment over \$1,000. Lesser amounts are expensed. Purchased property and equipment is capitalized at cost. Donations of property and equipment are recorded as contributions at their estimated fair value. Such donations are reported as unrestricted contributions unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted contributions. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service. The Organization reclassifies temporarily restricted net assets to unrestricted net assets at that time. Property and equipment are depreciated using the straight-line method over estimated useful lives ranging from five to thirty years. Details of property and equipment at December 31, 2012 are as follows:

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL  
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF  
FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH  
*GOVERNMENT AUDITING STANDARDS*

Board of Directors  
Boys and Girls Club of Northeast Louisiana, Inc.  
Monroe, Louisiana

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements Boys and Girls Club of Northeast Louisiana, Inc. (a nonprofit organization) as of and for the year ended December 31, 2012, and the related notes to the financial statements, and have issued our report thereon dated June 29, 2013.

### Internal Control Over Financial Reporting

In planning and performing our audit, we considered Boys and Girls Club of Northeast Louisiana, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Boys and Girls Club of Northeast Louisiana, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Boys and Girls Club of Northeast Louisiana, Inc.'s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A *material weakness* is a

deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified. We did identify certain deficiencies in internal control, described in the accompanying schedule of findings and questioned costs, that we consider to be significant deficiencies and are listed as items 12-1 and 12-2.

#### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Boys and Girls Club of Northeast Louisiana, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of non-compliance or other matters that are required to be reported under *Government Auditing Standards*.

#### **Boys and Girls Club of Northeast Louisiana, Inc.'s Response to Findings**

Boys and Girls Club of Northeast Louisiana, Inc.'s responses to the findings identified in our audit are described in the accompanying schedule of findings and questioned costs. Boys and Girls Club of Northeast Louisiana, Inc.'s responses were not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on them.

## Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the result of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

SCHEDULE OF FINDINGS AND RESPONSES (CONTINUED)  
FOR THE YEAR ENDED DECEMBER 31, 2012

SECTION II - FINANCIAL STATEMENT FINDINGS

Internal Control

12-1

Criteria:

As is common in small organizations, management has chosen to engage the auditor to propose certain year-end adjusting journal entries and to prepare the organization's annual financial statements. This condition is intentional by management based upon the organization's financial complexity, along with the cost effectiveness of acquiring the ability to prepare financial statements in accordance with generally accepted accounting principles. Consistent with this decision, internal controls over the preparation of year-end adjusting entries and annual financial statements, complete with notes, in accordance with generally accepted accounting principles, have not been established. Under generally accepted auditing standards, this condition represents a significant deficiency in internal controls.

Professional standards require that we report the above condition as a control deficiency. The standards do not provide exceptions to reporting deficiencies that are adequately mitigated with non-audit services rendered by the auditor or deficiencies for which the remedy would be cost prohibitive or otherwise impractical.

Condition:

Proper internal controls under professional standards require management to prepare the organization's annual financial statements.

Cause:

It is not cost effective for the organization to cure this control deficiency.

Questioned Costs:

None

BOYS AND GIRLS CLUB OF NORTHEAST LOUISIANA, INC.  
SCHEDULE OF FINDINGS AND RESPONSES (CONTINUED)  
FOR THE YEAR ENDED DECEMBER 31, 2012

SECTION II - FINANCIAL STATEMENT FINDINGS (Continued)

Internal Control (Continued)

12-1 (Continued)

Context: Internal Controls

Effect: This finding has no material effect on the financial statements.

Recommendation: As mentioned above, whether or not it would be cost effective to cure a control deficiency is not a factor in applying professional standard reporting requirements. Because prudent management requires that the potential benefit from an internal control must exceed its cost, it may not be practical to correct all the deficiencies an auditor reports. In this case, we do not believe that curing the significant deficiency described above would be cost effective or practical and, accordingly, do not believe any corrective action is necessary.

12-2

Criteria: The Organization should not operate with an operating deficit.

Condition: At December 31, 2012, the Organization is operating with a deficit.

Cause: Due to lack of revenue during the year, the Organization incurred an operating deficit at year end.

Questioned Costs: None

Context: Internal Controls

Effect: This finding has no material effect on the financial statements.

SECTION II - FINANCIAL STATEMENT FINDINGS (Continued)

Internal Control (Continued)

12-2 (Continued)

Recommendation: Management should review expenditures and sources of revenue, and assist in operating with a balanced budget.

Reply: Management agrees with this finding and will review periodically to control the operating budget.

CORRECTIVE ACTION TAKEN ON PRIOR YEAR FINDINGS  
DECEMBER 31, 2012

Internal Control

11-1

Finding: Proper internal controls under professional standards require management to prepare the Organization's annual financial statements.
