INDEPENDENT AUDITORS' REPORT

Board of Directors
Boys and Girls Club of Northeast Louisiana, Inc.
West Monroe, Louisiana

We have audited the accompanying statement of financial position of Boys and Girls Club of Northeast Louisiana, Inc. (a non-profit organization) as of December 31, 2011, and the related statements of activities, functional expenses, and cash flows for the year then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Boys and Girls Club of Northeast Louisiana, Inc. as of December 31, 2011, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated June 27, 2012 on our consideration of Boys and Girls Club of Northeast Louisiana, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

Our audit was performed for the purpose of forming an opinion on the basic financial statements of Boys and Girls Club of Northeast Louisiana, Inc. taken as a whole. The accompanying financial information listed as supplementary financial information in the table of contents is presented for purposes of additional analysis, and is not a required part of the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the financial statements taken as a whole.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2011

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Boys and Girls Club of Northeast Louisiana, Inc. (the Organization) is a local non-profit organization that provides afterschool programs and a pool, gym, baseball, flag football, and basketball to boys and girls in northeast Louisiana. The Organization is supported through contributions by the United Way and various other grants.

Basis of Accounting

Financial statements are prepared on the accrual basis of accounting in accordance with generally accepted accounting principles.

Promises to Give

Contributions are recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets.

Basis of Presentation

The Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Cash and Cash Equivalents

For purposes of the Statement of Cash Flows, the Organization considers all unrestricted highly liquid investments with an original maturity of three months or less to be cash equivalents. Fair value approximates carrying amounts.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Directors
Boys and Girls Club of Northeast Louisiana, Inc.
West Monroe, Louisiana

We have audited the financial statements of Boys and Girls Club of Northeast Louisiana, Inc. (a nonprofit organization) as of and for the year ended December 31, 2011, and have issued our report thereon dated June 27, 2012. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

Management of Boys and Girls Club of Northeast Louisiana, Inc. is responsible for establishing and maintaining effective internal control over financial reporting. In planning and performing our audit, we considered Boys and Girls Club of Northeast Louisiana, Inc.'s internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Boys and Girls Club of Northeast Louisiana, Inc.'s internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Boys and Girls Club of Northeast Louisiana, Inc.'s internal control over financial reporting.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a

deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above. However, we identified a certain deficiency in internal control over financial reporting, described in the accompanying schedule of findings and responses, that we consider to be a significant deficiency in internal control over financial reporting. This finding is identified as item 11-1. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Boys and Girls Club of Northeast Louisiana, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of non-compliance or other matters that are required to be reported under *Government Auditing Standards*.

Boys and Girls Club of Northeast Louisiana, Inc.'s response to the findings identified in our audit is described in the accompanying schedule of findings and responses. We did not audit Boys and Girls Club of Northeast Louisiana, Inc.'s response and, accordingly, we express no opinion on it.

This report is intended solely for the information and use of management, the audit committee, and Board of Directors, and is not intended to be and should not be used by anyone other than these specified parties. However, under Louisiana Revised Statute 24:513, this report is distributed by the Legislative Auditor as a public document.

SCHEDULE OF FINDINGS AND RESPONSES (CONTINUED)
FOR THE YEAR ENDED DECEMBER 31, 2011

SECTION II - FINANCIAL STATEMENT FINDINGS

Internal Control

11-1

Criteria: As is common in small organizations, management has chosen to engage the auditor to propose certain year-end adjusting journal entries and to prepare the organization's annual financial statements. This condition is intentional by management based upon the organization's financial complexity, along with the cost effectiveness of acquiring the ability to prepare financial statements in accordance with generally accepted accounting principles. Consistent with this decision, internal controls over the preparation of year-end adjusting entries and annual financial statements, complete with notes, in accordance with generally accepted accounting principles, have not been established. Under generally accepted auditing standards, this condition represents a significant deficiency in internal controls.

Professional standards require that we report the above condition as a control deficiency. The standards do not provide exceptions to reporting deficiencies that are adequately mitigated with non-audit services rendered by the auditor or deficiencies for which the remedy would be cost prohibitive or otherwise impractical.

Condition: Proper internal controls under professional standards require management to prepare the organization's annual financial statements.

Cause: It is not cost effective for the organization to cure this control deficiency.

Questioned Costs: None

BOYS AND GIRLS CLUB OF NORTHEAST LOUISIANA, INC.
SCHEDULE OF FINDINGS AND RESPONSES (CONTINUED)
FOR THE YEAR ENDED DECEMBER 31, 2011

SECTION II - FINANCIAL STATEMENT FINDINGS (Continued)

Internal Control (Continued)

11-1 (Continued)

Context: Internal Controls

Effect: This finding has no material effect on the financial statements.

Recommendation: As mentioned above, whether or not it would be cost effective to cure a control deficiency is not a factor in applying professional standard reporting requirements. Because prudent management requires that the potential benefit from an internal control must exceed its cost, it may not be practical to correct all the deficiencies an auditor reports. In this case, we do not believe that curing the significant deficiency described above would be cost effective or practical and, accordingly, do not believe any corrective action is necessary.

BOYS AND GIRLS CLUB OF NORTHEAST LOUISIANA, INC.
CORRECTIVE ACTION TAKEN ON PRIOR YEAR FINDINGS
DECEMBER 31, 2011

Internal Control

10-1

Finding: Proper internal controls under professional standards require management to prepare the Organization's annual financial statements.

Status: Uncleared. It is not cost effective for the Organization to cure this control deficiency.

10-2

Finding: At December 31, 2011, the Organization was operating with a deficit.

Status: Cleared. The Organization is no longer operating with a deficit.

Compliance

There were no compliance findings for the year ended December 31, 2010.
