**Independent Auditor's Report**

FIFTH JUDICIAL DISTRICT  
DRUG COURT, INC.  
Oak Grove, Louisiana

I have audited the accompanying statement of financial position of the Fifth Judicial District Drug Court Inc., as of June 30, 2005, and the related statements of activities, functional expenses, and cash flows for the year then ended, as listed in the table of contents. These financial statements are the responsibility of the Fifth Judicial District Drug Court, Inc.'s management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with U.S. generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Fifth Judicial District Drug Court Inc. as of June 30, 2005, and the changes in its net assets and its cash flows for the year then ended in conformity with U.S. generally accepted accounting principles.

In accordance with *Government Auditing Standards*, I have also issued a report dated December 15, 2005, on the Fifth Judicial District Drug Court Inc's compliance with laws, regulations, contracts and grants, and my consideration of the agency's internal control over financial reporting. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of my audit.

DRUG COURT, INC.

Notes to the Financial Statements  
As of and for the Year Ended June 30, 2005

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The Fifth Judicial District Drug Court, Inc (the Drug Court), is a nonprofit organization pursuant to articles of incorporation filed pursuant to LA R.S. 12:201 - 12:269 (1950 as amended), whose purpose is to implement a drug court program that will reduce crime rates, reduce recidivism, alleviate continued drug abuse, assist drug abusers in rehabilitating their lives and building a drug free future in a cost effective manner that will ultimately reduce jail overcrowding and crime, thereby reducing costs to governmental entities responsible for law enforcement. The organization is governed by a three member board and serves the parishes of West Carroll, Richland and Franklin.

**A. BASIS OF ACCOUNTING**

The accompanying financial statements are prepared on the accrual basis of accounting in accordance with generally accepted accounting principles. Revenues are recognized when they are earned, and expenses are recognized when they are incurred. Under Statement of Financial Accounting Statement No. 117, the Drug Court is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

**B. CONTRIBUTIONS**

All contributions are considered available for unrestricted use unless specifically restricted by the donor. Federal financial assistance received through the Louisiana Supreme Court, is considered temporarily restricted net assets because, in accordance with the grant agreement, it can only be expended for specified purposes. When expenditures are made for those specified purposes the grant funds are no longer restricted and are transferred to unrestricted net assets.

**C. SUPPORT AND REVENUE**

The Fifth Judicial District Drug Court, Inc. receives the majority of its support and revenue under federal/state grant agreements. In order to receive funding, the organization must comply with the contract provisions.

**D. ESTIMATES**

The preparation of financial statements in conformity with U.S. generally accepted accounting principles sometimes requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

**E. FURNITURE AND EQUIPMENT**

Furniture and equipment of the organization are capitalized in accordance with the West Carroll Policy Jury's policy. However, title to the assets, which are purchased with resources from state and federal grants, reverts to the grantors should the contract be terminated.

Furniture and equipment are depreciated over an estimated useful life of three years, using the straight line method of depreciation. The Drug Court had fixed asset acquisitions in the amount of \$9,375 during the year ended June 30, 2005. The following shows fixed assets and accumulated depreciation at June 30, 2005.

<u>Class of Asset</u>	
Computers and related	\$31,439
Office furnishings and equipment	<u>17,924</u>
Total assets	49,363
Less accumulated depreciation	<u>(30,918)</u>
Net assets	<u>\$18,445</u>

**F. INCOME TAX STATUS**

As previously stated, the Fifth Judicial District Drug Court, Inc. is incorporated as a non-profit organization in accordance with Louisiana Revised Statutes (LSA-RS) 12:201-269. The corporation has applied to the Internal Revenue Service for treatment under Internal Revenue Code Section 501(c)(3). Accordingly, federal and state tax liabilities have been recorded in accordance with tax tables in effect for corporations.

**G. UNCOLLECTIBLE ALLOWANCE**

The statements contain no provision for uncollectible accounts. All amounts due from grantor are considered fully collectible.

**H. RENT EXPENSE**

The Drug Court rents office space pursuant to an operating lease. The lease is month-to-month and can be canceled by either party after providing a thirty-day notice. Rent expense for the year ended June 30, 2005 was \$12,000.

**2. CASH**

At June 30, 2005, Fifth Judicial District Drug Court, Inc., had cash (book balances) totaling \$31,191 in a sole demand account. For the purposes of the statement of cash flows, this is the only component of cash. Cash (bank balances) are fully secured by federal deposit insurance.

**3. GRANT FUNDING**

For the year ended June 30, 2005, the agency received funding of \$198,067 from the United States Department of Health and Human Services passed through the Louisiana Supreme Court.

FIFTH JUDICIAL DISTRICT  
DRUG COURT, INC.  
Oak Grove, Louisiana

I have audited the financial statements of Fifth Judicial District Drug Court Inc., as of and for the year ended June 30, 2005 and have issued my report thereon dated December 15, 2005. I conducted my audit in accordance with U.S. generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

**Compliance**

As part of obtaining reasonable assurance about whether Fifth Judicial District Drug Court Inc.'s financial statements are free of material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit and, accordingly, I do not express such an opinion. The results of my tests disclosed one instance of noncompliance required to be reported under *Government Auditing Standards* and is included in the accompanying schedule of findings and questioned costs as Finding 05-01.

**Internal Control Over Financial Reporting**

In planning and performing my audit, I considered Fifth Judicial District Drug Court Inc.'s internal control over financial reporting in order to determine my auditing procedures for the purpose of expressing my opinion on the financial statements and not to provide assurance on the internal control over financial reporting. My consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. I noted no matter involving the internal control over financial reporting and its operation that I consider to be material weaknesses.

Schedule of Findings and Questioned Costs  
For the Year Ended June 30, 2005

**A. SUMMARY OF AUDIT RESULTS**

1. The auditor's report expresses an unqualified opinion on the financial statements of Fifth Judicial District Drug Court, Inc.
2. One instance of noncompliance material to the financial statements of Fifth Judicial District Drug Court, Inc. was disclosed during the audit.
3. No reportable conditions relating to the audit of the financial statements is reported in the Independent Auditor's Report on Internal Control.

**B. FINDINGS - FINANCIAL STATEMENTS AUDIT**

**05-01 Failure to File Tax Returns**

Finding:

The Fifth District Drug Court did not file appropriate tax returns. The drug court had intended to file Form 1023, *Application for Recognition of Exemption Under Section 501(c)(3) of the Internal Revenue Code*. Because management did not follow up on action, the application did not get completed and filed until November, 2003. Consequently, the drug court became liable for federal and state income taxes retroactively. Also, because the tax returns were not filed in anticipation of approval of the exemption, interest and penalty also accrued on the tax liability.

Recommendation:

I recommend that the Drug Court file all required tax returns as soon as possible.
